

DOM Promotions Workshop

Ashita Tolwani, M.D.

Chair, DOM Appointment, Promotions and Tenure Committee
Professor of Medicine, Division of Nephrology
October 7, 2020

APTC

- Appointment, Promotions, Tenure Committee in the Department of Medicine
- Governing body of the DOM that makes recommendations to the Department Chair regarding promotion and/or tenure for the DOM faculty

APTC members

- **Ashita Tolwani, MD, Chair**
- Harry Schroeder, Jr., MD, PhD

- Lisle Nabell, MD
- Isabel Scarinci, PhD
- Brendan McGuire, MD

- Veena Antony, MD

- Carlos Estrada, MD
- Vera Bittner, MD
- Martin Young, PhD

Nephrology

Clinical Immunology &
Rheumatology

Hematology/Oncology

Preventive Medicine

Gastroenterology and
Hepatology

Pulmonary, Allergy &
Critical Care Medicine

General Internal Medicine

Cardiology

Cardiology

Key Concepts

- **Promotion** – Advancement to a higher academic rank
- **Tenure** – “An affirmative commitment by the Board of Trustees...generally offered after a probationary period of employment of a right to continuing employment except upon dismissal for cause, retirement, bona fide financial exigency of the institution or division...” (Faculty Handbook 2.15.1)
 - Current “probationary” period at UABSOM is 10 years. Tenure must be awarded by the end of the 9th year or the 10th year shall be a terminal appointment or must switch to non-tenure earning track

Key Concepts

- **Ranks**

- Instructor
- Assistant Professor
- Associate Professor
- Professor

- **Tracks**

- Tenure earning track
- Non-tenure earning track

Key Concepts

- Tenure decisions are made separately from appointment or promotion decisions.
- These decisions may be made at the same time or at separate points in time.
- Tenure cannot be awarded at the rank of Assistant Professor or below.

Criteria for Promotion

- Criteria for promotion are built around the three traditional academic activities:
 - Research
 - Teaching
 - Service

Criteria for Promotion

- Promotion on the tenure earning track
 - Requires excellence in two of the three areas of academic activity
- Promotion on non-tenure earning track
 - Requires excellence in one of the three areas of academic activity

Promotion Package: Assistant to Associate Professor

- Three or more years in the rank of Assistant Professor
(unlikely before 5 years unless exceptional)
- Academic credentials and demonstration of level of specialized accomplishment appropriate to the mission of the Department and the SOM
- Demonstration of collegiality and involvement in the Department and/or SOM
- Evidence of scholarship in the areas of research, teaching, or service, documented by peer recognition at a national level

Promotion Package: Assistant to Associate Professor

- Examples of **research** activities that are consistent with the above guidelines include:
 - Demonstration of initiative and **independence in research** activities in basic or translational science, clinical, outcomes, quality improvement or population-based research
 - Publication of **independent research findings** and scholarly papers in peer-reviewed journals
 - Obtaining grants and/or contracts for support of research
 - Participation as a member of large research team(s), providing documented critical scientific contribution(s) or serving in a leadership role in directing the research
 - Presentation of research and other scholarly findings at scientific and professional meetings
 - Service on thesis or dissertation committees

Examples of Excellence in Research

- Grants
 - Does not have to be NIH only
 - Can be NIH, NSF, DOD, private foundations, etc
 - Some forms of "team science" can constitute excellence
- Peer-reviewed manuscripts, many as first or last author
- Book chapters and review articles
- Abstracts
- Invited seminars or oral presentations
- Editorial boards, manuscript reviews
- Ad hoc or permanent reviewer for funding agencies (NIH,NSF, DOD,AHA, etc)

Team Science

- Research once described as “collaborative,” “interdisciplinary,” and “multidisciplinary” is now referred to as “Team Science
- Such contributions might include:
 - conception and design
 - acquisition of data and analysis and interpretation of data
 - drafting of the manuscript and critical revision of the manuscript for important intellectual content
 - statistical analysis, obtaining funding, administrative, technical or material support, and supervision

Team Science

- Research portfolio of the candidate should speak to his/her intellectual contribution to the work of collaborators.
- Letters from collaborators should speak to the unique and invaluable contribution made by the candidate to the success of the research.
- Important to have letters from close inside collaborators stating the “scientific” importance and how their projects have benefitted from the contributions of the “team” scientist.
- External referees should acknowledge the candidate’s national reputation and recognition as the “collaborator’s collaborator”, the “researcher’s researcher.”
- Letters about the candidate should discuss how a particular collaboration generates synergy, creates innovative research networks and/or institutional opportunities beyond the expected product of the individual, independent research.

Promotion Package: Assistant to Associate Professor

- Examples of **teaching** activities that are consistent with the above guidelines include:
 - Demonstration of mastery of content and method, documented by student and peer evaluation; all teaching activities should receive consideration
 - **Taking responsibility for the design, organization, coordination, and evaluation of an educational program**
 - Developing and/or presenting effective continuing education or other professional programs, including invited presentations
 - Providing effective supervision, guidance, and/or counseling to trainees, including graduate students, postdoctoral fellows, and/or house officers
 - **Participation in educational program planning and general curricular activities**
 - Publication of papers and/or presentations at professional meetings on topics related to education
 - Demonstration of innovation in teaching methods and production of texts, educational software or courseware
 - Receipt of recognition as an exemplary scientist or clinician whose mentoring and teaching activities provide an outstanding role model for students
 - Serving as principal investigator on grants or contracts for educational projects

Examples of Excellence in Teaching

- Leadership/coursemaster in divisional, departmental, GBS, or SOM teaching programs.
- Participation in above, including lectures, rounds, seminars, preceptor, etc.
- Mentoring:
 - Tangible/measurable (ie: MS/MD/PhD students, residents, fellows, etc.)
 - Need to include names, dates, results
- Documentation of teaching effectiveness:
 - Testimonial letters from trainees
 - Teaching evaluations

Examples of Excellence in Teaching

- Other ways to earn excellence in teaching:
- Develop a formal course; residency/fellowship; postdoc program
- Develop or expand an educational area.
- Improve an existing program/course/area

Promotion Package: Assistant to Associate Professor

- Examples of **service** activities that are consistent with the above guidelines include:
 - Providing measurably excellent clinical productivity and exemplary patient care
 - Providing demonstrable leadership or initiative in administrative or committee roles that augment the missions of the Department and/or SOM in clinical care, research, and/or education such as originality in problem solving, authorship of guidelines or quality reports and policies
 - Providing staff responsibility for a service or specific area of patient care
 - Providing demonstrable leadership in quality improvement/assurance or patient safety initiatives
 - Serving as critical member or director of a research core laboratory
 - Serving on committees with the department, school, university and/or affiliated institutions
 - Engaging in mentoring junior faculty colleagues
 - Serving on committees to develop clinical practice guidelines or to formulate healthcare policies
 - Providing service to the professional or lay community through education, consultation or other roles

Examples of Excellence in Service

- Development, leadership, or provision of unique clinical care or service
- Initiatives to improve quality/safety/performance with documentation of impact
- Documented high volume of patients/ high RVUs Leadership in new academic or clinical programs
- Graduate or Residency Program Director/Co-Director
- Core Facility Director/Co-Director
- Committee membership (UAB, regional, national, etc)
- Demonstrated 'citizenship'
- Community outreach activities

Promotion Package: Associate to Full Professor

- Distinguished performance as an associate professor, at least 3-5 years in rank (**before 5 years if exceptional**)
- Academic credentials and demonstration of level of specialized accomplishment appropriate to the mission of the Department and the SOM
- Demonstration of collegiality, involvement, and leadership as a citizen of the Department and/or SOM
- Evidence of sustained scholarship and productivity in the areas of research, teaching, or service
- Demonstration of national or international recognized excellence in the conduct of academic duties.

Promotion Package: Associate to Full Professor

- Examples of **research** activities that are consistent with the above guidelines include:
 - Continued demonstration of initiative, independence, and sustained activity in basic science, clinical, outcomes, quality improvement or population research
 - Sustained productivity as author of papers reporting independent research findings in peer- reviewed journals
 - Record of sustained ability to obtain grants and contracts for support of research
 - Receipt of recognition of excellence in research by professional or scientific institutions or organizations
 - Continued critical contribution(s) to large research team(s)
 - Receipt of invitations to preside over sessions at national or international or scientific meetings
 - Participation in external review committees, study sections, or service as editor of scientific or professional journals

Promotion Package: Associate to Full Professor

- Examples of **teaching** activities that are consistent with the above guidelines include:
 - Sustained and outstanding performance in the examples cited for the associate professor level
 - Leadership through design, organization, coordination, and evaluation of educational programs
 - Administrative responsibility at the school or departmental level for curriculum
 - Leadership in continuing education or other professional programs; invitations as visiting professor at other institutions
 - Supervision of staff teaching within a course, division, department, or within the school
 - Sustained productivity in publication of papers and/or presentations at professional meetings on topics related to education
 - Sustained innovation and leadership in production of texts, educational software, or courseware
 - Record of sustained ability to maintain external funding to support innovative educational projects
 - Sustained recognition as an exemplary scientist, teacher or clinician whose activities provide an outstanding role model for students.

Promotion Package: Associate to Full Professor

- Examples of **service** activities that are consistent with the above guidelines include:
 - Continued demonstration of excellence of measurably excellent clinical productivity and exemplary patient care
 - Sustained exemplary leadership in administrative committee roles that augment the missions of the Department and/or SOM in clinical care, research and/or education such as originality in problem solving, authorship of guidelines or quality reports and policies
 - Providing sustained responsibility for a service or specific area of patient care or clinical teaching
 - Sustained excellence in the leadership of quality improvement/assurance or patient safety initiatives
 - Recognition as an authority by other schools and departments within UAB and by local, state, regional and national organizations or institutions
 - Appointment to responsible position(s) within the institution or its affiliates (e.g., chairs a committee, department, or division; membership on major Department or SOM committees)
 - Extensive and excellent mentorship of faculty colleagues
 - Continued service on committees to develop clinical practice guidelines or to formulate regional or national healthcare policies
 - Election to responsible positions on civic boards or organizations concerned with health care issues at the local, state, regional, national or international levels.

Tenure

- Achievement of rank of at least Associate Professor
- TE faculty need to apply for tenure during the 9th year of appointment on the tenure track. (Must have presented for tenure in the 9th year, to be eligible to seek permission to present again in the 10th)
- Example, if you went on tenure track October 1, 2010, then you must be reviewed for award of tenure in the 2019 cycle with packet due in January 2019 to be effective October 1, 2019.
- If tenure cannot be attained by then, will need to leave UAB or switch to NTE track.

Tenure

- Faculty can change their tenure track only once (not back & forth)
- Implies that you will have a continued commitment for employment at UAB
- Does not necessarily coincide with promotion

Tenure

- Academic credentials consistent with the missions of the department and the SOM
- National reputation reflected by peer recognition, presentations at national professional meetings, and productivity in published works
- Evidence of positive institutional citizenship, manifest as effective participation in service activities, mentoring of more junior colleagues, support of university missions and values, collegiality and leadership initiative
- Evidence of sustained, significant scholarship in at least two of three areas, including research, teaching, and service

Common Mistakes to Avoid

- Lack of documentation to support one (or more) areas of excellence
 - Lack of teaching evaluations
 - Lack of objective performance measures in clinical service
 - Lack of documented research productivity
 - Lack of documentation of the importance of the applicant to “team science” and their unique contribution to the institution

Your “Packet”

- Volume does not substitute for substance
- Keep focused – maximum of 300 pages, but excellent packets have been under 100 pages
- This is your opportunity to show who you are, what you have done, and where you want to go
- Balance modesty with showcasing your achievements
- Ensure packet complies with instructions, e.g. SOM format for CV, applicable portfolio sections
- Use Research, Teaching, Service sections to highlight and expand on information in CV

Helpful Hints

- **Maintain Your CV** – Keep it up-to-date in the required format.
<https://www.uab.edu/medicine/home/faculty-staff/finance-and-human-resources/human-resources>
- **Create Portfolios** – Begin immediately, as soon as you are “on board”, to create and maintain portfolios for teaching, research and service. Document concurrently everything that you do – all activities. The Appointments, Promotions, and Tenure (APT) “package” should be built over several years.
- **Critique APT Package** – Have your APT “package” critiqued by several faculty members prior to submitting to the DOM APT Committee. Incorporate changes as needed
- **Review Examples** – Review examples of a good packet:(BlazerID required).

Timeline of Promotions Process

Event	2021 Promotion Cycle Deadlines/Events
DOM Promotion/Tenure Workshop; 3:00 PM; Zoom	Wednesday, October 7, 2020
Divisions upload PDF file of promotion packet for initial DOM administrative review to DOM SharePoint site.	Friday, December 11, 2020
Divisions upload PDF file of promotion packet (with revisions) to DOM SharePoint site.	Thursday, January 7, 2021

Timeline (continued)

DOM final administrative review of uploaded packets	Friday, January 8, 2021
DOM APTC Review Begins	Friday, January 8, 2021
DOM APTC Meeting	Thursday, February 11, 2021
Final PDF to DOM following APTC Meeting	Thursday, February 18, 2021
SOM Deadline for Packets	Monday, March 1, 2021

Flow of Packets

1. Proposal to Departmental APT Committee by applicant/Division Director (**December 2020**)
2. Dept APTC vote and make recommendation to Dept Chair (**February 2021**)
3. Proposal to Faculty Council by Dept Chair (**March/April 2021**)
4. Faculty Council vote and make recommendation to SOM Dean (**June 2021**)
5. Proposal to the Provost by the SOM Dean and from Provost to the UAB President (**Summer 2021**)
6. Decision by the UAB President and notification (**August 2021**). **Effective date is 10/01/2021**
