

Department of Medicine Study Concept Form

Contact Information

Investigator Name

If PI is a resident, student,
postdoc, trainee, please list the
advising faculty member

UAB Address

Phone

E-Mail Address

Date of Request

Key Personnel on Project
(intellectual contribution to
project)

Resource Information

Type of Project

Retrospective Chart Review/Data Analysis Only
Analysis of existing biospecimens
Prospective collection of biospecimens
Prospective study
Randomized Controlled Trial
Multi-Center Trial (UAB Coordinating Center)
Other

Proposal Information

Title of Project

**Hypotheses, Research
Questions, Objectives,
Outcomes**
(limit of 300 words)

Purpose of Research
(limit of 300 words)

Background of Research
(limit of 300 words)

Summary of Methods

(List measures that will
be included in the study)
(limit of 300 words)

Study Information

Sex
Male Only
Female Only
Both Male and Female

Race/Ethnicity
Caucasian Only
African American Only
Native American Only
Asian Only
Hispanic Only
All Races and Ethnicities
Other

Age Range

Health Status

Sample Size/Target Accrual

Sample Size Justification and Power Analysis

(limit of 300 words)

Inclusion Exclusion Criteria

(limit of 300 words)

Recruitment Plan for Participants

(include enrollment goals, where
patients will be recruited from and
the methods used)

(limit of 300 words)

Duration of Study

(include number of visits &
schedule of events)

(limit of 100 words)
