

Genetics and Genomics Seminar Series

Samuel Brady, PhD

Assistant Member Pharmacy & Pharmaceutical Sciences,
St Jude Children's Research Hospital

“Therapeutic insights from Cancer mutational signatures”

Friday, September 22, 2023

12:00pm

Register in advance for this meeting:

https://uab.zoom.us/meeting/register/tZEsdOuvpjMuHNeSXA5eJynkz-ofeyRoqP_C

Target Audience: UAB Broader Genetics Community

Disclosures and acknowledgements:

- Samuel Brady, PhD has no actual or potential conflict of interest in relation to this program/presentation.
- The following planners, speakers, moderators, and/or panelists of this CE activity have no relevant financial relationships with commercial interests to disclose: Lizhong Wang, PhD; Zhangli Su, PhD.

There is no commercial support for this session

Objectives: After attending this session, participants will gain insights into the following:

1. Understanding what mutational signatures are
2. Understanding how these signatures inform cancer treatment
3. Understanding how these signatures inform cancer biology
4. Understanding open questions in mutational signatures

Sponsored for CME Credit by UAB Division of CME

The University Of Alabama School Of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
