

Laboratory and Small-Group Tutorials 2019

- Laboratory sessions and small group tutorials are held from 1:15 pm to 2:45 pm Monday through Thursday every week. Participants are divided into four groups of nine/ten each (A, B, C, D). Groups will remain the same throughout the duration of the course with the exceptions of weeks 3 and 5 (please await further instructions)
- A **malaria workshop** will take place during week 3 (Mon-Thu 10:00 am - 2:45 pm) and **Hands-on lab** sessions will be held on week 5 (Mon-Wed only)..
- Please be ready **10 minutes early** at Patrucco-Gorgas room. A student will guide you to the session location.

#	Session name	Instructor	Location
Week 1			
LAB 01	Nematodes	M. Gastañadui	Parasitology
