Congratulations and welcome to UAB! The Graduate Medical Education (GME) Office would like to help you make your transition to UAB go as smoothly as possible. Much of the orientation process will occur electronically. This document contains the complete directions for all GME onboarding activities. We must receive your information by **May 14, 2018** to process all required documents so that you are able to start your training on time. For your convenience, a checklist is attached at the end of this document. It is very important that your file is complete before you start orientation. (Please be aware that these directions are lengthy – as we have included everything you will need, as well as links and FAQs to take you step by step.)

The onboarding activities that you will complete prior to GME orientation are divided into five sections in this document. Each section has its own due date. It is important to complete Section I as soon as you can, since all other activities require this information.

**Section I:** Electronic Enrollments - Due April 13, 2018. If needed, return form “Request for Exempt DEA License.”

**Section II:** Electronic GME Application, Initial Resident Contract, Code of Conduct, Documents, and Forms – Due May 14, 2018

**Section III:** Review GME Policies on the GME Website – Due May 14, 2018

**Section IV:** Make Appointment with Employee Health for your Physical Exam – Due by June 1, 2018

**Section V:** Complete Modules in UAB Learning System – Due June 15, 2018

You will use the following systems in completing requirements:

**MedHub** – This is the GME enterprise software system. You will initially use this site to complete an on-line application and electronically review and sign your Initial Resident Agreement and Code of Conduct.

**GME Website Click Here** -- This site contains general information, FAQs and required reading.

**UAB Learning System** - You will review required education modules in this system, but you will not have access until approximately May 1st. You will receive an email from the GME Office when you are able to access the system. Please complete the assigned modules prior to attending orientation.

Please feel free to call the GME Office at 205-934-4793 if you have any questions. GME is open Monday – Friday from 8:00 a.m. - 5:00 p.m. (CST). Our office is located in UAB Hospital, Jefferson Tower Room J136 (625 19th Street South), Birmingham, Alabama 35249.

We look forward to meeting you and if we can assist you with anything else, please let us know. Do not hesitate to contact us with any questions (205.934.4793) or **gme@uabmc.edu**.
General Information on GME Orientation and Required Training

GME Orientation
Orientation for new residents/fellows will be held Wednesday, June 20, 2018 in the Margaret Cameron Spain Auditorium (maps on GME website). Registration and a buffet breakfast will begin at 7:00 a.m. We will start promptly at 7:30 a.m. and run until approximately 4:00 p.m. Department orientation varies, so please check with your program coordinator for department orientation details. **Parking:** Please check the GME website (under Orientation) close to orientation day for parking arrangements.

If you are relocating to Birmingham and will not arrive by June 20th, we have a **make-up orientation on June 29th at 8:30 a.m.** (in West Pavilion Conference Center – Room D) and **July 2nd at 8:30 a.m.** (in West Pavilion Conference Center – Room D). If you cannot attend either of these dates, please contact the GME Office when you are in town to set up a meeting.

Items Issued at GME Orientation
- UAB Hospital ID Badge (must complete all required learning modules for this to be issued)
- UAB Physician Number, Sun Ray card, and information on how to access IMPACT (UAB’s electronic medical record), Horizon and Outlook email—unless previously provided to you by your program
- Access to Lister Hill Library Satellite library (located in the West Pavilion building in the hospital). You will need your ID badge, before you can submit this form.
- Lab Coats and Scrubs
- Parking Assignment and Hang Tag (exception: Pediatrics, Ophthalmology, Dermatology)

Form I-9
Form I-9 must be completed electronically before you start your training. Completing the Form I-9 is a two-step process. The first part is completed electronically prior to attending orientation and the second part will be completed at orientation (or, if possible, prior to orientation by visiting Human Resources).

BLS/ ACLS Training
All Residents/Fellows are required to maintain BLS and ACLS certification throughout training. You must submit proof of certification or register for the course offered during onboarding.

Residents/Fellows in Pediatrics, you must obtain and maintain certification in PALS (instead of ACLS). Surgery Residents/Fellows must also obtain and maintain certification in ATLS (in addition to BLS/ACLS). If you need PALS or ATLS training, please contact your Program Coordinator.

IMPACT (Cerner) Computer System
All residents and fellows rotating through the University of Alabama Hospital must complete training on the IMPACT (Cerner) system prior to beginning training. You will be assigned a module in the UAB Learning System.

- **Physician Number:** After you successfully complete IMPACT (Cerner) training, you will be assigned a physician number to access IMPACT, Horizon, and Outlook email. You will receive your user id and password at GME orientation. You will also be issued a Sun Ray card to access IMPACT on mobile computers available on some UAB Hospital patient care units.

- **Surescripts Provider Identification (SPI):** If you are in a program that sees patients at UAB Hospital, UAB clinics or the UAB Emergency Department and electronically prescribes medications to outside pharmacies, you will need an SPI. **The site you use to request this number can only be accessed through the UAB intranet, meaning you will have to be on-site at UAB to complete this request.** Please do this as soon as possible after you begin training. **Note:** you must have your NPI number when you submit your request. Here is the location [http://www.oneuabmedicine.org/](http://www.oneuabmedicine.org/). Choose Technical Support (at top of page) and under Equipment, Clinical & Miscellaneous Requests choose Request an Addition or Update to Surescript Database (near the bottom of the screen on the right hand column).
Frequently Asked Questions – also posted on the GME website.

General note to those that do not have U.S. Social Security #: Until you apply and receive your Social Security #, you will not be able to get your NPI number, Blazer ID, ID badge, be assigned a uabmc.edu email account. You will be assigned a temporary id to access your training modules in the UAB Learning System.

Scrubs and Lab Coats Sizing: Please note that the scrubs and lab coats issued by GME are unisex sizing - meaning that we do not have male and female specific sizing. As a result, they tend to run large.

Outlook Email – uabmc.edu
You will be issued a uabmc.edu email account, but it will not be active until after GME Orientation. When activated, you will access your Health System account by going to https://webmail.uabmc.edu. Your user name and password are the same as your IMPACT user name/password. For communication purposes during the GME onboarding process, please provide us with a personal email account that we can communicate with you prior to the time of GME Orientation. Click Here for FAQ

You will receive 3 days’ pay for completion of our required GME onboarding activities.

Medical License & Prescribing Controlled Substances: All incoming fellows PGY3 or greater must have a valid Alabama medical license, an Alabama Controlled Substance Certificate (ACSC), and personal DEA at the beginning of your training at UAB. You will not be able to start training without these.

Note: The following programs are exempt from obtaining an ACSC: Pathology and subspecialties, Dermatology, Diagnostic Radiology and subspecialties. More details are provided about medical license, ACSC, and DEA requirements in the GME Policy Manual.

Employee Benefits – Important Information: Representatives from the UAB Benefits Department will be at orientation to review UAB Benefit choices and answer any questions you may have. You will sign up for your benefits electronically after GME Orientation and after you have been electronically added to the UAB HR system. Your Program Coordinator will have information on when you have been added.

An overview of benefits is located at the link below. You are encouraged to review this information prior to attending orientation so that you will have time to review your options and prepare any questions you may have. Click Here

Benefits FAQ Click Here

Here is a link to give you an idea of comparing deductibles for the VIVA plans: Click Here

Setting up Direct Deposit for your monthly paycheck – Important Information Click Here

- You will not have access to this system until after GME orientation and after you have been electronically added to the UAB HR system. Your Program Coordinator will have information on when you have been added.
- You are paid monthly and your first paycheck will be issued July 31st.
- GME Annual Salaries effective 6/24/2018:
  - PGY-1: $52,099
  - PGY-2: $53,763
  - PGY-3: $55,442
  - PGY-4: $57,953
  - PGY-5: $60,014
  - PGY-6: $62,678
  - PGY-7: $64,310

UAB Hospital ID Badge – ID badges will be distributed at GME orientation.
Important: After your picture is taken, you will have a chance to review the picture and badge online. PLEASE review the spelling of your name, your title and credential. Exception: If you do not have your Social Security #, you will not be able to take the picture for your badge until your Social Security # is obtained.
GME Onboarding Directions

Section I: Electronic Enrollment - due April 13, 2018

1. Set up your Blazer ID
   - An email will come from “Blazer ID Central - UAB [mailto:ph-admin@uab.edu],” Please complete this by April 13th since many of the orientation processes rely on this step to be completed.
   - If you already have a Blazer ID because you have been associated with UAB in the past, you will continue to use it and not receive an email invitation. If you do not remember your Blazer ID, please call the GME office at 205-934-4793, and we can assist you.
   - If you know your Blazer ID, but do not remember your password, please reset your password at this link: Click Here

2. BLS/ACLS Training
   - Please complete the survey by April 13th so the GME office can assign the appropriate training modules to you. If you select “No” or “I will be ACLS/BLS Certified Prior to Beginning Training at UAB”, you will not be assigned the training modules in the UAB Learning System.

   - Complete Part 1 and Part 2 below:
     Training will consist of two parts – an educational module in UAB Learning System (Part 1) and a Skills Test (Part 2) that is completed on UAB campus June: 11th, 12th, or 13th

1. Part 1 – Education Module in UAB Learning System. If you indicated to us on the electronic survey above you need BLS/ACLS, you will automatically be assigned the modules you need. The course names are HeartCode® ACLS and HeartCode® BLS. No additional action needed to receive these courses.

   The modules must be completed in the UAB Learning System before completing your skills test. Please print your completion certificate and bring with you when you take your skills test. You won’t be able to complete your skills test without this document.

   Please note: the ACLS module will take approximately 6 hours to complete, as the module is in substitution of an in-person class. This module does not need to be completed in one sitting. You will be able to save your progress as you go. The BLS module will take approximately 1 hour to complete. We understand that most of our incoming residents have never been ACLS/BLS certified before, and this training can be difficult. Please be aware there is an e-book within the module (book icon located on upper right hand corner) you can use as a resource while completing the modules. The modules are open book.

2. Part 2 – Skills Testing session will be completed upon your arrival in Birmingham on June 11th, 12th, or June 13th.

   You will receive further information on completing the skills testing from GME later in the onboarding process.

3. Complete Section I (electronically) of the Form I-9
   - You will receive two separate emails from Human Resources during this process: One email will provide your Login Name and a link to the online Form I-9. A second email with your password for the system. You will receive these emails prior to April 13th.
   - Note on Section I: You will be asked to identify the documents you will use in order to complete the Form I-9 either during GME Orientation or in the Human Resources Department prior to GME Orientation. https://www.uab.edu/medicine/home/images/List_of_I-9_Docs.pdf Please make a note of which documents you select during this electronic step. You will need to bring original documents to orientation.
   - Note on Section II: This step will be completed in person at GME Orientation (at the latest).

4. NPI Number (National Provider Identifier) - Obtain/Update Contact Information (electronically)
   - Please check the NPI Registry at this link to see if you already have an NPI number [Click Here]
   - If you already have an NPI, you must change your status on-line to reflect your new contact information. You will need your login id and password. If you do not have it, you can call the NPI enumerator at 1-800-465-3203. They will ask a few identifier questions first and then will provide you with new login information.
   - Directions on how to apply for an NPI number are located at the end of this document.

5. CMS-855O Medicare Application in Pecos System – Register/Update Contact Information (electronically)
   - You can check here to see if you are already registered. Enter your NPI number, last name, and first name to search the data. [Click Here] or copy and paste this link https://data.cms.gov/Medicare/Order-and-Referring/qcn7-gc3g
   - Directions on how to register are located at the end of this document.

Request for Fee Exempt DEA License - please send form to GME by April 13, 2018
   If you do not currently have your own DEA number and you will utilize your personal DEA number only within the scope of your training program and will not utilize it for external moonlighting purposes, you are eligible for a fee exemption for your DEA registration.

   To request approval for fee exemption, complete and sign the form Request for Fee Exemption-DEA Registration. You will upload the form via the Onboarding Portal. We will route to your program for approval, return a copy to you and upload in MedHub under the GME Institutional File (in Forms/Files).

   Please upload this form by April 13, 2018.

   After you received your approval, the next step is to apply for your DEA license at this link [Click Here]

   Note: It is important that the name you list on your DEA License matches the name you list on the NPI Registry and your Alabama Medical License. This does not apply to Ob Gyn fellows.

The following should be in process by April 13, 2018

   Our GME policy states that if you have more than 18 months of residency training in the U.S., you are required to have a current Alabama medical license and Alabama Controlled Substance Certificate (ACSC) at the beginning of your training at UAB. This applies to graduates of U.S. Medical Schools as well as graduates of International Medical Schools. You will not be able to start training without one.

   Note: The following programs are exempt from obtaining an ACSC: Pathology and subspecialties, Dermatology, Diagnostic Radiology and subspecialties. More details are provided about license requirements as well as the Alabama Controlled Substance Certificate and DEA in the GME Policy Manual

   Note: It is important that the name you list on your Alabama Medical License matches the name you list on the NPI Registry and your DEA License (if applicable).

   This is link to the Alabama Board of Medical Examiners website where you may request an application. Applying for an ACSC is separate from applying for a medical license. [Click Here]

   If you are not on track to receive your license, please give us an update on your status for obtaining your Alabama Medical License and Alabama Controlled Substance Certificate (ACSC).

7. Obtain Federal DEA number – if you do not already have your own. If you are a PGY-3 or higher and write controlled substance prescriptions, you will need your own personal Federal DEA license. You will not
be able to start training without one. 

Note: The following programs are exempt from obtaining a DEA: Pathology and subspecialties, Dermatology, Diagnostic Radiology and subspecialties. More details are provided about license requirements as well as the Alabama Controlled Substance Certificate and DEA in the GME Policy Manual.

8. Alabama Medicaid Provider -- Enroll/ Update your information after you receive your Alabama medical license

Directions on how to register are on page 15 in this document.
Section II: GME Electronic Application - due May 14, 2018

Initial Resident Contract and Code of Conduct, Documents & Forms – complete when available for you. It will route to you after your Program Director has signed.

1. GME Electronic Application (in MedHub)

You will complete your GME online application, Initial Resident Contract, and Code of Conduct in MedHub, our GME enterprise software system. Please click here for instructions for using MedHub to complete this step. These instructions are also located on the GME website.

You will receive an email invitation from MedHub Notification at do-not-reply@medhub.com. In the email you will find a link for you to access the Onboarding Portal. The Onboarding Portal contains the online application and a list of documents and forms you must complete and upload.

Notes on GME Electronic Application:
The fields for NPI and SS# have been set as required fields: If you do not currently have an NPI number, enter your NPI as 0000000000. If you do not have a US Social Security Number, enter your SS# as 000000000.

2. Electronic Resident/Fellow Initial Contract & Code of Conduct (in MedHub)

The Onboarding Portal also contains your Initial Resident Contract and Code of Conduct.

Note: When you first log in you will initially see 'No Contract is Available.' This is because The Initial Resident Contract is first routed to your Program Director for signature, then to you for signature, then to the GME office for the final signature. You will receive an email from MedHub Notification when the Initial Resident Agreement has been signed by your Program Director and is ready for your review and signature.

Documents you will submit as part of the GME Electronic Application (via Onboarding Portal):
1. ECFMG Certificate (IMGs only)
2. Copy of Medical/Dental School Diploma - If you have not received your diploma, you can skip and send when received. You can bring a copy to orientation if you have it.
3. Copy of Social Security Card - If you are an IMG and will not have your Social Security until your arrive, please go ahead and send us all other documents.
4. Copy of USMLE Step 2 (CK and CS) – successful completion (MDs)
5. Copy of COMLEX Level 2 (CE and PE) - successful completion (DOs)
6. Copy of USMLE or COMLEX Step 3 – successful completion.
7. Copy of current certifications in BLS, ACLS, ATLS or PALS – if you have any current certifications. Please do not upload expired cards or HealthStream completion certificates.
8. Copies of Certificates from Other Residencies – if you have completed an ACGME accredited program

Forms you will print, complete and submit as part of the GME Electronic Application (via Onboarding Portal):
1. Licensure/ACSC/DEA Acknowledgement Form
2. Impact Policy Acknowledgment Form
3. GME Policies and Procedures Acknowledgement Form
4. Application for Institutional Controlled Substance Permit (Temporary DEA Application Form) – Please complete this form even if you have your own personal Federal DEA number. You will not be issued an institutional DEA. The Pharmacy will use this application as a signature sheet, and your signature will be shared with local pharmacies.
5. Background Check – All complete. Note for international medical graduates: Please also submit documents listed on last page.
6. **Infectious Disease Questionnaire**

7. **Parking Application** – Parking Cards will be issued at orientation for most programs. Exceptions are Pediatrics and subspecialties, Dermatology, and Ophthalmology. You will receive these parking assignments through your programs. **DO NOT COMPLETE THIS FORM IF YOU ARE IN THESE PROGRAMS.**

8. **Request for Fee Exemption – DEA Registration** – Complete and return this form only if you are applying for your person DEA number and will utilize your personal DEA number only within the scope of your training program and **will not utilize it for external moonlighting purposes.** You are eligible for a fee exemption for your DEA registration. To request approval for fee exemption, complete and sign the form “Request for Fee Exemption-DEA Registration.” Return the form to the GME Office and we will route to your program for approval.

10. **Malpractice Application** - Complete the fillable form and attach to the GME Electronic Application (via Onboarding Portal).

    **Notes:**
    1. In the directions when you view the form, you will be instructed on how to list your program name (Specialty). Please use this exact name for the Specialty.
    2. Please do not send the application to Insurance@uabmc.edu. You only need to attach the completed application to the Onboarding Portal.
    3. Please do not edit the start date. The start date is hard-coded to the form to allow your coverage to begin at the appropriate time.
    4. This requirement does not apply to Pediatric Fellows (except for Sleep Medicine).

**Section IV: Review UAB Policies on the GME Website - due May 14, 2018**

Policies Found under POLICIES & INFORMATION Tab at this location (near bottom of screen) [https://www.uab.edu/medicine/home/residents-fellows/future/orientation-for-new-residents](https://www.uab.edu/medicine/home/residents-fellows/future/orientation-for-new-residents)

- GME Policies & Procedure Manual
- GME Policies on Supervision, Attending Notification and Bedside Procedures
- UAB Medicine Professional Code of Conduct and Appearance
- UAB Medicine Digital Media & Communications Policy
- Consent to Photograph or Record
- UA SOM Honor Code
- UA SOM Technical Standards
- UA SOM Student Code of Professional Conduct

**Section V – Employee Physical - appointment must be made by June 1, 2018**

All new residents and fellows are required to complete an Employee Physical and TB Skin Test as a condition of employment. Please go ahead and schedule your appointment by June 1st (even if your actual examination date is after you arrive in Birmingham). **We cannot accept physicals or TB Skin tests conducted outside UAB.**

Please call Employee Health at 205-934-3675 to make an appointment for TB skin test.

Note: Please contact Employee Health even if you have been advised not to take the TB skin test. They will give you further instructions on how to satisfy this requirement.

The location for your TB skin test is Russell Wing, M101. Next, for your physical you will visit The WorkPlace (separate location) located at 1201 11th Avenue South, Birmingham, next to UAB Highlands. This is a walk-in clinic, so unfortunately there may be a wait at this location.

If you are already in Birmingham, you can complete your employee physical and TB skin test beginning April 2nd. Please call Employee Health to make an appointment at 205-934-3675.
Please note that UAB Medicine has a Tobacco Free Hiring Policy and all employees are tested for nicotine use as part of the pre-employment drug screen.

Section V: UAB Learning System

Complete assigned learning modules in the UAB Learning System (Health Stream) at this location https://www.healthstream.com/HLC/uabhs

Note: Please log in on the “Sign In” tab. Please disregard the instructions on the Instructions tab that say “for UAB Medical West ONLY.”
A screen shot of the login page is located here:

Log-In Information: You will use your Blazer ID for both your user name and password.

Example:
User ID: johndoe1
Password: johndoe1

You will not have access to this system until your Blazer ID has been set up, or approximately May 1, 2017. An email from the GME Office will be sent to you when you can log on in the system and complete the assignments.

Important Note: At the time your modules are assigned, you will also receive an email reminder automatically generated by the UAB Learning System notifying you about the learning modules. Unfortunately, the link on this automatically generated email reminder contains the link to the system used by current UAB employees. The link you use to access the system is https://www.healthstream.com/HLC/uabhs

A screen shot of the email you will receive with incorrect location is located here:
Please do not use the link in the email. Use this link https://www.healthstream.com/HLC/uabhs

1. Next Steps: Log into www.uab.edu/learningsystem, then, if given an option, log in as a student to complete your assignment(s).
2. If you have questions, contact the UAB Learning System administrator at your facility. This information can be found on the bottom of your student login page.
3. TIP: It may be helpful to print this message and log into the learning system to review the actions needed.

Sincerely,
UAB Learning System Staff

PLEASE DO NOT REPLY TO THIS EMAIL. YOU WILL NOT RECEIVE A RESPONSE.

You are receiving this email because your institution has subscribed to receive alerts for certain events that occur in HealthStream products.
Copyright 2017 Healthstream, Inc

Once you are on the HealthStream log in screen you will see a help desk number for the learning system. 205.996.4444. Please do not call that number. Please call the GME office at 205.934.4793 for assistance.

This education will be due prior to you attending GME Orientation. You will not be issued your id badge at GME orientation until these modules are completed.

List of Modules to Complete by June 11th, 12th, or 13th 2018 (skills check-off date):
Note: if you will be ACLS/BLS certified prior to June 24, 2018, these modules were not assigned to you.
- Heart Code Modules – required if you are not currently BLS/ACLS certified and have provided GME a copy of your card.
- You will need to print your certificate of completion, and bring it with you to your skills check-off.
- To print the certificate of completion:
  o Click on the "Completed" tab on the top left of the screen
  o Click on "Certificate" button next to the module name
  o Print the Certificate of Completion

List of Modules to Complete by June 15, 2018:
- Confidentiality Agreement (estimated completion time: 0:06)
- Rules of Behavior for UABHS Information Systems (estimated completion time: 0:10)
- 2018 Rapid Regs – Clinical Part I & II (estimated completion time: 0:25 each)
- 2018 Patient Safety Clinical Competency (estimated completion time: 1:15)
- 2018 Joint Commission Medical Staff Preparedness (estimated completion time: 0:25)
- 2018 Corporate Compliance/HIPAA (estimated completion time: 0:25)
- Sleep Loss, Fatigue & Medical Training (estimated completion time: 0:20)
- AIDET Training (estimated completion time: 0:35)
- CERT Modules (Creating Effective Resident Teachers) – 2 modules(est. completion time: 0:27 each)
Complete Prior to GME Orientation if possible

1. **Complete Section II of the Form I-9 in person**
   - To complete this step, you will have your documents reviewed either at GME Orientation or prior to orientation at Human Resources Management.
   - If convenient for you, beginning on May 14, 2018, you can visit Human Resources Management Monday through Friday, 8:30 a.m. to 5:00 p.m. at University of Alabama Hospital, Russell Wing University Hospital (RWUH), Room 165. The physical address is 1813 6th Avenue South. Telephone: (205) 934-2097. When you arrive, you will first see a Receptionist that will let you in the area (the door usually remains locked). Please identify yourself as a new GME resident/fellow and tell her that you need your Form I-9 documents reviewed. This will save you time at GME Orientation.

2. **Take ID Badge Picture – Important Information:**
   - If possible, please have your picture made for your UAB identification badge before you attend orientation. Beginning on May 14, 2018, if you have established your Blazer ID, you can visit Human Resources Management Monday - Friday, 8:30 a.m. to 5:00 p.m. at University of Alabama Hospital, Russell Wing University Hospital (RWUH), Room 165. The physical address is 1813 6th Avenue South. Telephone: (205) 934-2097. When you arrive, you will first see a Receptionist that will let you in the area. Please identify yourself as a new GME resident/fellow and let her know you are there to have your ID badge picture made. **ID badges will be distributed at orientation.**

   **Important:** After your picture is taken, you will have a chance to review the picture and badge online. **PLEASE review the spelling of your name and your title and credential. Notify the GME Office of any errors so that we can correct before your badge is printed.**

   **Exception:** If you do not have your Social Security #, you will not be able to take the picture for your badge until your Social Security # is obtained.

3. **Employee Physical**

**Checklist of Action Items Prior to Attending GME Orientation (PGY 3 and Above)**

- April 13th – Deadline to set up your Blazer ID (if you don’t already have one)
- **April 13th** – Deadline to complete ACLS/BLS electronic survey

- **April 13th** – Deadline to complete Section I (electronically) of the Form I-9

- **April 13th** – Deadline to obtain an NPI Number (National Provider Identifier) or update contact information

- **April 13th** – Deadline to complete CMS-8550 Medicare Application and enroll in Pecos. You will need an NPI number.

- **April 13th** – Upload form “Request for Fee Exemption-DEA Registration” if you plan on obtaining Fee Exempt DEA.

- **May 14th** – Deadline to complete GME Electronic Application and submit documents and forms through the Onboarding portal

- **When available to you** – Deadline to sign Initial Resident/Fellow Contract & Code of Conduct in MedHub GME software

- **May 14th** – Deadline to review GME Policies and Procedures (on GME website)

- **June 1st** – Deadline to set up appointment date for your Employee Physical and TB Skin Test (to be completed when you arrive in Birmingham). Please call Employee Health at 205-934-3675.

- **June 11th, 12th, 13th** – BLS and ACLS training occurs (if needed) – **Bring certificate of completion. You will not be able to complete your skills test without this document.**

- **June 14th, 15th** – PALS/ATLS training occurs (if needed, please contact your Program Coordinator for further information)

- **June 15th** – Deadline to complete UAB Learning System modules. **Note: you will not be issued your ID badge at GME orientation until these modules are completed.**

- **June 30th** – Deadline to have AL medical license, Alabama Controlled Substance Certificate (ACSC), own personal DEA. You cannot begin training without these.

---

**Checklist of Documents and Forms (PGY 3 and Above)**

to Return as part of the GME Electronic Application (via the Onboarding Portal)

**by May 14, 2018**
Documents – you will upload the following to the GME Onboarding Portal:

- ECFMG Certificate (only if applicable)
- Medical or Dental School Diploma (if you have it, if not you can bring a copy to GME orientation)
- Social Security Card – copy
- USMLE Step 2 – we need both CK and CS scores (if you are an MD)
- COMLEX Step 2 - we need both PE and CE scores (if you are a DO)
- USMLE or COMLEX Step 3 – if completed
- Current Certifications - If you are currently certified in ACLS or BLS. Please do not upload expired cards or HealthStream completion certificates.
- Certificate of ACGME training programs you have completed
- Current Alabama Medical or Dental License
- Current Alabama Controlled Substance Certificate (if applicable)
- Current DEA Certificate (your own personal, if applicable)

Forms – you will print, complete, and upload to the GME Onboarding Portal:
(Note: forms are also found on the GME website)

- Licensure/ACSC/DEA Acknowledgement Form
- Impact Policy Acknowledgment Form
- GME Policies and Procedures Acknowledgement Form
- Application for Institutional Controlled Substance Permit (Temporary DEA Application Form
- Background Check – all complete. Note for international medical graduates: Please also submit documents listed on last page.
- Infectious Disease Questionnaire
- Parking Application
- If need - DEA Fee Exemption Form (please submit by April 13, 2018)
- Malpractice Application (this is a fillable form)
National Provider Identifier (NPI Number)

An NPI number is a unique 10-digit identification number issued to health care providers in the United States by the Centers to Medicare and Medicaid Services (CMS) and is required for healthcare providers.

Below are the steps when applying for an NPI number:
If you need help during the application process or have any questions, please contact the GME Office at 205-934-4793. You can also contact the NPI Enumerator at 1-800-465-3203.

Notes:
You will be completing the Information Required for Individual Providers and NOT the Information Required for Organizations.

It is important that the name you list on your NPI number matches the name you list on your Alabama Medical License and DEA registration.

SSN: You must have a Social Security number to submit an online application for an NPI. If you do not have a Social Security number, you will have to complete this step after you have your Social Security number.

To register for your NPI Number, please use this link: [Click Here]

Step 1:
- Create a login through the Identity & Access Management System (I&A). Choose "Manage or Apply for your personal NPI Record" (on left hand side in blue).
- Enter your email address, the text from the above image, and press submit.
- Create a unique User ID and Password for your I&A Login.
- Select Five (5) different security questions and enter the answers, then press Continue.
- Enter your User Information, then press Continue.
- Your Account has now been created! Click on Continue to Homepage.

Step 2:
- Login to NPPES with your newly created I&A Username and Password
- Click on New NPI Application
- Check the starred Certification Statement and press Submit New NPI Application
- The below information lists everything you will need to successfully complete the NPI Application:

You will be asked the following information when applying for an NPI number online:
- Are you a sole proprietor? No
- Provider Name: Your name
- Provider Date of Birth: Your birth date
- Country of Birth: "U.S." if you were born in the United States. If you were not born in the U.S., you will be given a list of the standardized two letter abbreviations for the country in which you were born. You will not be required to also enter a state or province.
- State of Birth: If Country is U.S. – if you were born in the U.S., you will be given a list of the standardized two letter abbreviations for the state in which you were born.
- Provider Gender: Your gender
- Mailing Address: 625 19th Street South, Birmingham, AL 35249
- Practice Location Address: 625 19th Street South, Birmingham, AL 35249
- Practice Phone Number: Your Program’s phone number

Student – Health Care
- Taxonomy (Provider Type): 390200000X – STUDENT IN AN ORGANIZED HEALTH CARE EDUCATION/TRAINING PROGRAM
- State License Information: Leave the license field blank
- Contact Person Name: Your Name
- Contact Person Phone Number: Your Phone Number
- E-mail: Your Email

IMPORTANT: When your application is accepted and a number has been issued to you, you will receive your notification by email. Please retain this notification for the duration of your career as it is the only one you will receive.
**CMS-855O Medicare Application in PECOS System**

**Below are the steps to register:**
You must have an NPI number. Your NPI log-in and password will be required to access the Medicare application system.

If you do not know your NPI log-in and password, you can call the NPI enumerator at 1-800-465-3203. They will ask a few identifier questions first and then will provide you with new login information.

**Notes**
If you recently registered for your NPI number, it may take up to 7 days for your log-in and password information to be transferred to the Medicare application system.

If you do not have a valid SS #, you will not be able to complete this enrollment step until after you obtain your SS# and NPI.

Your name on this application must match what is listed on the NPI Registry.

**You will use the internet-based Provider Enrollment, Chain, and Ownership System (PECOS).**
Link to detailed directions on how to enroll in PECOS: [Medicare PECOS Enrollment Instructions](#)

Click here to begin the enrollment process at the PECOS site: [Click Here](#)

If you are registered, you only have to update your contact information.

**Alabama Medicaid Registration**
When you obtain your Alabama medical/dental license, you must be registered as an Alabama Medicaid provider so that you can order, prescribe or refer items or services for Alabama Medicaid beneficiaries.
You cannot complete this section until you have an Alabama medical/dental license

The Affordable Care Act requires physicians to be enrolled in the Medicare and Medicaid Programs to order/prescribe/refer items or services for Medicare/Medicaid beneficiaries.

**Here are the steps to register:**

**Online Application:** [Click Here](#)
1. Choose "Enrollment Application" on the left hand side (under Provider Enrollment.)
2. Click "Continue"
3. Choose "OPR" for Enrollment Type
4. Fill out the entire application
