Overview

The Huntsville Regional Medical Campus (HRMC) of the University of Alabama at Birmingham School of Medicine is committed to providing a safe and secure environment for all faculty, staff, students, and visitors. Located in the city of Huntsville, HRMC is part of the medical district of a greater urban community. Within the block surrounding the HRMC, there is a mixture of public and private property. The street boundaries for HRMC are Governors Drive, Gallatin Street, Longwood Drive, and Harvard Road. The HRMC facility is a 93,000 square foot building, which houses the UAB Health Center Huntsville clinical operations, the J. Ellis Sparks MD Medical Library, the Family Medicine Residency Program, the Internal Medicine Residency Program, and the academic programs for 70 junior and senior medical students from the UAB School of Medicine. The HRMC leases space within its building to a LabCorp satellite laboratory, Auburn University School of Pharmacy, and the Ambulatory Clinic Pharmacy. The Governors Medical Tower, a physician office building owned by Huntsville Hospital, is located at the east end of the campus boundary.

The HRMC has no residence hall. Medical students make their own housing arrangements for their two years of clinical training in Huntsville. The HRMC employs 30 faculty physicians in four clinical departments: family medicine, internal medicine, pediatrics, and psychiatry. The campus also benefits from the expertise of an exceptional medical community by engaging many of the more than 800 physicians of various specialties as volunteer clinical faculty, particularly in the specialties of neurology, obstetrics and gynecology, and surgery.

The HRMC building is open to the public during regular business hours. At other times, the facility is locked and only authorized persons may have access to the facility. Medical students may be given electronic fob access to enter the building after business hours to access the Sparks Medical Library and the medical student/resident lounge only.

Non-sworn armed contract security officers employed by Security Engineers, Inc. (SEI) are utilized by the HRMC to provide twenty-four hours per day, seven days per week coverage to help ensure the safety and security of its students, faculty and staff. When an incident occurs, an SEI security officer completes a report and forwards a copy of the report to the HRMC Executive Administrator. If the incident in question requires the presence of a Huntsville police officer, the contract security officer will contact Huntsville Police Department (HPD) for assistance. In the event of a major security threat, SEI Security will notify the HRMC officials and at HRMC's request, the HPD will be contacted for response to the aforementioned security matter.

The HRMC maintains its building and grounds with a concern for safety and security. The HRMC Plant Operations Department regularly inspects the facility; evaluates lighting, and makes repairs affecting safety and security hazards such as broken windows and locks. The SEI Security officers and other departments assist HRMC Plant Operations by reporting potential safety and security hazards.

No campus is isolated from crime; however, UAB and HRMC employ a variety of security measures to protect the campus community. All persons who come to campus are expected to obey all laws and University and department rules related to the use of each facility. Those who fail to comply are subject to arrest and/or disciplinary action through the University.
CAMPUS LAW ENFORCEMENT

Location
The Security Engineers, Inc. (SEI) office is located at 7501 South Memorial Parkway, Suite 116, Huntsville, AL and their officers are available 24 hours a day, seven days a week, including weekends and holidays. The HRMC community can request Security assistance by phone at 256-880-6334.

Responsibilities
SEI is contracted to secure the safety of people on the HRMC. SEI officers are available for responses from Huntsville faculty, students, residents, and staff. They provide periodic patrols of the HRMC during normal business hours, defined as 7:30am to 5:30pm Monday through Friday, to ensure that buildings are secure. After business hours and on UAB designated holidays, SEI provides periodic patrols of the HRMC, both interior and exterior, to ensure that the building is secure.

When a criminal act is reported, the HPD will investigate the incident and make every reasonable effort to identify the offenders. Depending upon the wishes of the victim, nature of the offense, and the evidence gathered, the case will be presented for prosecution in the criminal courts of Alabama. If a member of the UAB community is identified as an offender in an incident, the HPD will notify the appropriate HRMC administrator so that disciplinary action may be taken.

HOW YOU CAN HELP CREATE A SAFE CAMPUS

Safety, security, and crime prevention are the responsibilities of everyone. The cooperation and involvement of faculty, staff, and students are essential to having a safe campus. The safety and security of you and your belongings begin with your own awareness and commitment to the safety of the community. Following is a list of resources you can use to help create a safe campus for yourself and others.

REPORTING INCIDENTS

Like any other community, UAB and HRMC experiences accidents, injuries, crimes, and other emergencies. To report voluntary incidents, potential criminal actions, or suspicious incidents, UAB Huntsville faculty, medical personnel, staff, students, and visitors should notify SEI at (256) 880-6334 or call 911 for immediate threats. To report an incident of a confidential nature, an individual should contact a Campus Security Authority at (256) 539-7757 (Scott Bence, Executive Administrator; Paula Cothren, Director of Academic Programs; or Dr. Lanita Carter, Director of Medical Student Services). Others where you may report an incident of a confidential nature for assistance at the Birmingham campus are the Office of Medical Student Services and the Provost.

Monitoring and recording criminal activity at off-campus organizations
The SEI security officers and HRMC rely on its working relationships with the local law enforcement agencies to receive information about incidents involving students off-campus. When needed, the Huntsville Police Department will actively investigate any crime information it receives concerning or involving a member of the campus community. If the HRMC is notified of a crime, the regional dean’s office may issue a crime alert, detailing the incident and providing tips so that other community members may avoid similar incidents.
Stay Informed
The HRMC uses a variety of methods to keep the campus informed about incidents occurring on and near campus. The UAB Police Department website www.uab.edu/police contains information about crime prevention, programs and services, Department news and events, links for outside resources, and much more.

Internet and Intranet Resources
HRMC provides computer access in common areas in the Sparks Medical Library and in the employee, resident and student lounges. The HRMC intranet is available to all faculty, staff, students and residents with a log-on identification and password to provide access to announcements, policies and crime awareness and other information for the HRMC community. The WIRE is the Internet Explorer main page for all HRMC campus computers and serves as a resource for announcements and as a clearinghouse for valuable information. Faculty/staff e-Newsletter, the eReporter, has access to incident summaries and publishes crime stories covering serious incidents and crime awareness information. As an additional resource, the HRMC community may benefit from safety, crime prevention information, links to Department newsgroups, and much more located on the UAB Police Department website (www.uab.edu/police).

RAVE GUARDIAN
A variety of resources and services are available to UAB students and employees that contribute to the overall safety and security of the campus, reducing the success of criminals. Rave Guardian is a way to improve your personal safety and protect your friends by building your own private safety network. This free app provides instant communications with friends, family, co-workers, and even 911 in the event of an emergency. The app can be downloaded from the Apple App Store and Google Play Store. See https://www.uab.edu/emergency/rave-guardian for more information regarding Rave Guardian.

Publications
The UAB Police Department prepares and distributes numerous brochures and pamphlets covering topics such as sexual assault awareness, general crime prevention, harassing phone calls, bicycle safety and security, and traffic safety. Huntsville agencies Crisis Services of North Alabama and the Huntsville Police Department also provide various brochures and pamphlets covering those topics. These materials are available to Huntsville students in the Huntsville Office of Medical Students Services.

New Student and Employee Orientations
New students are provided crime awareness information during compliance training and orientation sessions held at least annually.

Emergency/Public Telephones
For the safety of the HRMC community, a public telephone is located at the south exit of the building. If a patient, student, or employee feels that it is not safe to exit the building alone, especially after hours or on weekends and holidays, they may call SEI (256-880-6334) to request an escort to their vehicle. An SEI security officer will be dispatched
to the building as soon as available.

In the event of an emergency resulting from a dangerous crime or injury, call Huntsville Police by dialing 911 and follow the HRMC Emergency Preparedness, Response, and Evacuation Procedures. The Emergency (Code 0/Med Alert) Policy should be followed if a medical emergency occurs. Copies of these policies are available on the Huntsville intranet--The Wire. If other types of crime or accidents have occurred on the HRMC, call SEI at (256) 880-6334 or the HPD non-emergency number (256) 722-7100.

Lost and Found
The HRMC Regional Dean’s Office serves as the lost and found area for Huntsville. You can come by Room 313 to drop off found property or inquire about lost property. Call 256-539-7757 for more information.

Operation Identification
This program assists members of the UAB community in marking and tracking information (serial and model numbers, etc.) about valuable items such as calculators, computers, and televisions. Engravers for marking valuables are available, and participants in this program are provided with inventory cards. Call (205) 934-2409 for more information.

ACCESS TO CAMPUS FACILITIES
Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. The University encourages an open environment with limited constraints to ensure the reasonable protection of all members of the community. The HRMC facility is open during weekday business hours. Individuals who wish access during non-business hours or for special events should contact the appropriate department administrator. Fob access to specific areas of the facility are allowed based on the individual’s need (for example, medical students have access to enter the facility’s main doors, the Sparks Medical Library, and the medical student lounge). No residence halls are located at the Huntsville Regional Medical Campus.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES
The HRMC is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. The Huntsville Maintenance Director continually conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. SEI officers conduct routine checks of lighting during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is acted upon by the maintenance office, usually within 24 hours or the next business day. We encourage community members to report any deficiency in lighting to Huntsville Maintenance at (256) 551-4679. Any community member who has a concern about physical security should contact the Huntsville Regional Dean’s Office at (256) 539-7757 or in Room 313 of the facility.

Representatives from SEI and HRMC staff work together to identify inoperative locking mechanisms on a continual basis. We encourage community members to promptly report any locking mechanism deficiency to Maintenance at (256) 551-4679, or to the Huntsville Regional Dean’s Office at (256) 539-7757. Maintenance is available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions also may include unsafe steps or handrails, unsafe roadways on campus, and unsecured equipment.

After-hours and on weekends, an administrator is on call to handle any issues or concerns not resolved by SEI officers. To contact the administrator on call, dial (256) 536-5511 and notify the Answering Service
representative that you need to report a concern to the administrator on call. You may be asked to provide a call-back number or relay a message through the Answering Service staff.

**LIVING IN OFF-CAMPUS HOUSING**

Neither the Housing Department nor UAB HRMC provides supervision for off-campus housing, apartments, and individual homes in Huntsville. All students receive crime awareness information. Students, regardless of where they live, are encouraged to report all crimes to the appropriate police agency.

If community members report crimes or serious incidents to other HRMC administrators, those administrators will notify the Huntsville Police Department. Representatives of these offices will promptly notify and collaborate with the Huntsville Regional Dean’s Office to issue a crime alert, if one is appropriate.

**CRIME AWARENESS AND PREVENTION SPEAKERS**

You can request a speaker from the UAB Police Department to come and talk with your group or organization about crime awareness and prevention. To request a speaker, call (205) 934-2409.

**SAFETY AND SECURITY PROGRAMS**

The UAB Police Department has a full-time crime prevention specialist that provides educational programming to the University community. Educational programs include:

1. **Campus Watch**- This program encourages the community to take an active role in the fight against crime.
2. **Police Advisory Council**- Volunteers from within the community that listen to the needs of the people and present those concerns to the Chief.
3. **Drug and Alcohol Abuse**- This program is designed to educate our students on the cause and effect of drugs and alcohol abuse.
4. **Pedestrian Safety Campaign**- Encourages safe habits and adherence to traffic policies.
5. **Operation ID**- Property protection with the aid of an engraver. The engraver assists with the speedy recovery of lost or stolen property.
6. **Get Mugged Campaign**- This program is designed to teach the UAB community on the importance of securing their valuables and not leaving items unattended in the workplace/classroom setting while at UAB.
7. **Domestic Violence Seminar**- Teaches the signs and symptoms of abuse.
8. **Workplace Violence Seminar**- Learn the different methods to identify and curtail workplace violence. Reviews the laws and employee rights and procedures to take when faced with this type of situation.
9. **Personal Safety Awareness Seminar**- Informs the community of the possible dangers of unwanted/uninvited individuals that could be lurking in the area.
10. **Rape Aggression Defense**- Program that teaches an individual how to become aware of potential aggressors and how to protect oneself from existing aggressors. UAB students and employees learn how to defend themselves if attacked.
11. **A.L.I.C.E. Violent Intruder/Active Shooter Response** – this program teaches response options during a violent intruder and/or active shooter event.

Safety programs begin with orientation for incoming freshmen and their parents. During the third-year
medical student orientation to the Huntsville Regional Medical Campus, a presentation is made on safety and emergency procedures specific to Huntsville. All safety and security programs offered by UAB are available to students, faculty and staff upon request or if a need becomes apparent.

HRMC students interested in improving campus safety should contact Dr. Lanita Carter, director of medical student services at (256) 551-4432 or the Regional Dean's Office at (256) 539-7757.

**PROGRAMS TO PREVENT DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING**

The University engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees, and ongoing awareness and prevention campaigns for students and that:

- Identifies domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) as prohibited conduct;
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
- Defines what behavior and actions constitute consent to sexual activity in the State of Alabama;
- Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;
- Provides information on risk reduction;
- Information regarding:
  - procedures victims should follow if a crime of domestic violence, dating violence, sexual assault and stalking occurs (as described in “Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs” elsewhere in this document)
  - how the institution will protect the confidentiality of victims and other necessary parties (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);
  - existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);
  - options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures (as described in “Assistance for Victims: Rights and Options” elsewhere in this document); and
  - procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking (as described in “Adjudication of Violations” elsewhere in this document).

The University has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and
materials during new employee orientations; presenting programs throughout the year at least on a quarterly basis, including sessions such as: skits, clothes line projects, a residence hall speaker series, an annual poster series and web-based training programs regarding the Role of Faculty in Assisting Students Who Disclose Abuse or an Assault (see page eight for a list and short description of programs provided by UAB Police Department).

Primary Prevention and Awareness Programs

The term primary prevention refers to programming, initiatives and strategies intended to stop domestic violence, dating violence, sexual assault, or stalking before it occurs to prevent initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy relationships, healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.

The HRMC offered primary prevention and awareness programs for all third year medical students on April 28, 2016, and to all new employees on June 20, 2016. These sessions covered the topics of domestic violence, dating violence, stalking and sexual assault.

Ongoing Prevention and Awareness Programs

The term ongoing awareness and prevention campaigns refers to campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to SA, DoV, DaV and stalking prevention. These programs will occur at different levels throughout the institution (i.e. faculty, athletics, and incoming students) and will utilize a range of strategies. Ongoing awareness and prevention campaigns may include information about what constitutes sexual assault, dating violence/intimate partner abuse, and stalking, changing social norms, promoting recognition of perpetrator tactics, enhancing understanding of consent, and advancing prosocial behaviors of individuals and communities. Effective ongoing awareness and prevention campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT, AS AMENDED BY THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

The University of Alabama at Birmingham prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the University community. As a result, UAB issues this statement of policy to inform the University community of our programs to domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a University official.

</tbody>
</table>

Gender-Based Harassment includes harassment based on gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or nonverbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions outlined in (1) and/or (2), below, are present.

1. Submission to or rejection of such conduct is made, either explicitly or implicitly, a term or condition of a person’s employment, academic standing, or participation in any University programs and/or activities or is used as the basis for University decisions affecting the individual (often referred to as “quid pro quo” harassment); or
2. Such conduct creates a hostile environment. A “hostile environment” exists when the conduct is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, limits, or deprives an individual from participating in or benefiting from the University’s education or employment programs and/or activities. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective. In evaluating whether a hostile environment exists, the University will consider the totality of known circumstances, including, but not limited to:

   - The frequency, nature and severity of the conduct;
   - Whether the conduct was physically threatening;
   - The effect of the conduct on the Complainant’s mental or emotional state;
   - Whether the conduct was directed at more than one person;
   - Whether the conduct arose in the context of other discriminatory conduct;
   - Whether the conduct unreasonably interfered with the Complainant’s educational or work performance and/or University programs or activities; and
   - Whether the conduct implicates concerns related to academic freedom or protected speech.

A hostile environment can be created by persistent or pervasive conduct or by a single or isolated incident, if sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the conduct is physical. A single incident of Sexual Assault, for example, may be sufficiently severe to constitute a hostile environment. In contrast, the perceived offensiveness of a single verbal or written expression, standing alone, is typically not sufficient to constitute a hostile environment.

4. Complainant is an individual who is reported to be or alleges that they were the victim of an offense.

5. Respondent is an individual who has been accused of an offense.

6. Ongoing prevention and awareness campaigns means programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the Institution.

7. Programs to prevent: The term programs to prevent refers to comprehensive educational and training programs intended to prevent violence that incorporate diverse approaches that are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and consider risk and protective factors as they occur on the individual, relationship, community, and societal levels.

8. Primary prevention programs means programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING OCCURS

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible by calling Huntsville Police Department at 911 and/or the Crisis Center of North Alabama (CSNA) Rape Response Program, 256-716-1000. In Alabama, evidence may be collected even if you chose not to make a report to law enforcement. If you are off-campus and need assistance, contact local law enforcement by dialing 911. University personnel will assist the student in notifying these authorities, if the student requests the assistance of these personnel.

In Huntsville, you may also contact CSNA Rape Response program directly at (256) 716-1000 (toll-free 800-691-8426). This is a 24-hour confidential hotline. At CSNA Rape Response, you will receive a range of free and confidential services, including a medical examination, forensic evidence collection, medical advocacy, crisis counseling, and legal advocacy services. A qualified physician or nurse will examine you for injuries and collect physical evidence that could be used in proceedings, if you decide to prosecute. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the criminal offense occurred or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or a sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to University hearing boards/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with law enforcement personnel to preserve evidence in the event that the victim changes her/his mind at a later date.

INVOLVEMENT OF LAW ENFORCEMENT AND CAMPUS AUTHORITIES

Although the University strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim's choice whether to make such a report. Furthermore, victims have the right to decline involvement with the police. In Alabama, you may file a police report without providing your name. The Office of Student Conduct will assist any victim with notifying local police (if they so desire). The Huntsville Police Department may also be reached directly by calling (256) 722-7100 or in person at 815 Wheeler Avenue, NW, Huntsville, AL or the nearest police precinct. More information about the Huntsville Police Department can be found online at www.huntsvilleal.gov.

Rights of Victims and the University's Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the University

UAB complies with Alabama law in recognizing protection from abuse orders. Any person who obtains an order of protection from the State of Alabama or any other state should provide a copy to UAB Police and the Office of the Title IX Coordinator. A complainant may then meet with UAB Police to develop a Safety Action Plan, which is a plan for UAB Police and the victim to reduce risk of harm while on campus or coming and going from campus. When the student is assigned to the Huntsville Regional Medical Campus, the University and UAB Police will work with the Huntsville Security Engineers, Inc. (SEI) to formulate such a plan. This plan may include, but is not limited to: imposing a no contact order on the Responding party; changes in academic schedules or assignments for one or both parties; and interim suspension of the Responding party. The University cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). To apply for a Protection From Abuse Order (PFA) you must file a petition, which can be obtained from the circuit clerk in your county, usually located at the county courthouse.

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the University receives a report that such an institutional no contact order has been violated, the University will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about accommodations available to them, including academic, living, transportation and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, university offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, living, transportation and/or working situations or protective measures, a victim should contact the Office of Student Conduct (students) and UAB HR Office of Employee Relations (employee). The Office of Student Conduct and the Title IX Coordinator (students), and/or Human Resources (employees) can assist victims with these accommodations. In Huntsville, the Director of
Medical Student Services (students) and the Executive Administrator (employees) can assist in these accommodations.

**On and Off Campus Services for Victims**

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about existing assistance with and/or information about obtaining resources and services including counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and assistance in notifying appropriate local law enforcement. Confidentiality

Victims may request that directory information on file with the University be withheld by request through the UAB One Stop Student Services, (205) 934-4300. This is the same method to be used by medical students at the Huntsville Regional Medical Campus because this service is handled centrally for ALL students at UAB.

Regardless of whether a victim has opted-out of allowing the University to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The University does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

If you would like the details of an incident to be kept confidential, you may speak with on-campus counselors, campus health service providers, off-campus rape crisis resources (such as advocates or peer advisors), or clergy/chaplains. Campus counselors are available to help you free of charge and can be seen on an emergency basis during normal business hours. UAB Student Health and Wellness - Counseling Services can be contacted at (205) 934-5816. For emergency counseling available after normal business hours, please contact the Crisis Center (205) 323-7777 or Rape Response at (205) 323-7273 and in Huntsville the Crisis Services of North Alabama (CSNA) at 256-716-1000 (toll free 800-691-8426). These counselors are not required to report any information about an incident to the Title IX coordinator without the victim’s permission.

Confidential Reporting to Pastoral and Professional Counselors/Voluntary Confidential Reporting

Under the law, campus pastoral and professional counselors, when acting as such, are not considered a campus security authority and are not required to report crimes for inclusion in the annual disclosure of campus crime statistics. The University of Alabama at Birmingham encourages its counselors at Student Counseling Services and Employee Assistance and Counseling Center; if and when they deem it appropriate, to inform the persons they are counseling of procedures to report crimes on a voluntary,
confidential basis for inclusion in the annual disclosure of crime statistics. All verified and unverified confidential reports of offenses that meet the reporting criteria as determined by UABPD and that are made to Student Counseling Services and Employee Assistance and Counseling Center staff are included in UABPD campus crime statistics. Crimes reported to campus pastoral and other professional counselors, including but not limited to those at the Student Counseling Services and Employee Assistance and Counseling Center are not included unless the victim chooses to report to one of the other campus security authorities.

**Resolution of Violations**

The University’s disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution’s policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within 60 days of the report. However, each proceeding allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. University officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The University will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, advisors are not allowed to speak and are allowed only to confer with their advisee. An advisor who violates this limitation could subject the advisee to additional sanctions or conduct action under the Student Code. Participants electing to be accompanied by an advisor must notify the Chair at least three (3) business days prior to the hearing;
5. The accuser and the accused will be notified simultaneously, in writing, of the any initial, interim and final decision of any disciplinary proceeding; and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.
In addition to the above, Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy allows both the complainant and respondent to have the following additional rights:

- To be treated with respect, dignity, and sensitivity.
- To receive appropriate support from the University.
- Privacy to the extent possible, consistent with applicable law and University policy.
- Information about the University’s Title IX Policy.
- The presence of an Adviser throughout the process.
- To participate or to decline to participate in the investigation or complaint resolution process. However, a decision not to participate in the process either in whole or in part will not prevent the University from proceeding with the information available.
- A prompt and thorough investigation of the allegations.
- Adequate time to review documents in the Title IX Coordinator’s report following the investigation.
- To appeal the investigation decision or any sanctions imposed.
- To challenge a Hearing Panel member(s) for a possible conflict of interest.
- To refrain from making self-incriminating statements. A resolution, however, will be determined with the information made available by the parties.
- To appeal the decision made by the Hearing Panel to the VP for Student Affairs.
- Notification, in writing, of the case resolution, including the outcome of any appeals.
- For the Complainant, to report the incident to law enforcement (including the UABPD or with the police department in the jurisdiction in which the sexual misconduct occurred) at any time.

UAB will disclose information about its investigation and resolution of sexual misconduct complaints only to those who need to know the information in order to carry out their duties and responsibilities. It will inform all University personnel participating in an investigation, proceeding, or hearing that they are expected to maintain the privacy of the process. This does not prohibit either a Complainant or Respondent from obtaining the assistance of family members, counselors, therapists, clergy, doctors, attorneys, or other resources.

In addition to the above, the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy allows both the complainant and respondent have the following rights:

- To be treated with respect, dignity, and sensitivity.
- To receive appropriate support from the University.
- The presence of an Adviser throughout the process
- Confidentiality to the extent possible, consistent with applicable law and University policy.
- Information about the University’s Title IX Policy.
- A prompt and thorough investigation of the allegations.
- To refrain from making self-incriminating statements. A resolution, however, will be determined with the information made available by the parties.
- Notification, in writing, of the case resolution, including the outcome of any appeals.
- For the Complainant, to report the incident to law enforcement (including the UABPD or with the police department in the jurisdiction in which the sexual misconduct occurred) at any time.

Whether or not criminal charges are filed, the University or a person may file a complaint under the UAB Title IX Sexual Violence and Sexual Misconduct Policy.

TITLE IX SEXUAL VIOLENCE AND SEXUAL MISCONDUCT POLICY

PROCEDURES FOR THE RESOLUTION OF SEXUAL MISCONDUCT COMPLAINTS AGAINST STUDENT POLICY

1. How to File a Disciplinary Complaint Under this Policy

Any person should immediately report domestic violence, dating violence, sexual assault, and stalking to the UAB Police Department (UABPD) at (205) 034-3535 or when in Huntsville to the Huntsville Police Department (HPD) at (256) 722-7100. The UABPD will also inform the University Title IX Coordinator of the incident. Any criminal investigation by UABPD or other law enforcement agency is independent from any disciplinary investigation undertaken by the University under this policy. Persons may also report prohibited conduct to:

- **Title IX Coordinator:** Kasey M. Robinson, Title IX Coordinator
  Hill Student Center, Suite 303 1400 University Blvd.
  (205) 996-1340; kaseyr@uab.edu

- **Office of Student Conduct:** Emily Feinstein, Deputy Title IX Coordinator
  Hill Student Center, Suite 303, 1400 University Blvd.
  (205) 975-9509; eufeinstein@uab.edu

- **Human Resources:** Robert Barnes, Deputy Title IX Coordinator
  Administration Building, Room 210, 701 20th Street South
  (205) 934-4458; rbarnes@uab.edu

- **Office of Diversity, Equity and Inclusion:** Anita Clemon, Assistant Vice President for Institutional Equity
  Administration Building, Suite 336, 701 20th Street South

At the UAB Huntsville Regional Medical Campus, additional reporting, including anonymously, may include the following:

- **Paula Cothren,** Deputy Title IX Coordinator
  HRMC 313D, 301 Governors Drive, SW
  (256) 551-4455; paulacothren@uabmc.edu

- **Dr. Lanita Carter,** Huntsville Director of Medical Student Services
  HRMC 313A1, 301 Governors Drive SW
  (256) 551-4432; carterl@uab.edu

- **W. Scott Bence,** Executive Administrator
  HRMC 313F1, 301 Governors Drive, SW
  (256) 539-7757; bencew@uab.edu
Regardless of whether a Complainant decides to pursue a criminal investigation, the University’s Title IX Coordinator will take immediate steps to investigate the report, to protect the Complainant, and to ensure the safety of the campus community. If a criminal complaint is filed in addition to the University complaint, the University will continue implementing its own procedures regardless of the time line of the criminal proceedings or their outcome, unless the University is advised by the UABPD or other law enforcement agency that doing so could jeopardize the criminal investigation. Victims of sexual violence are not required to report to law enforcement in order to receive assistance from or pursue any options provided by UAB.

2. **How the University Determines Whether This Policy will be Used**

   Any action involving a student is referred to the Title IX Coordinator or Deputy Title IX Coordinator to determine if this policy is applicable.

3. **Steps in the Disciplinary Process**

   1. **Complaint**

      When a report is made, the Title IX Coordinator or Deputy Coordinator will conduct an Initial Assessment. The assessment will determine whether the alleged conduct could present a potential violation of the Title IX Policy and whether further action is warranted based on the alleged conduct.

      The Title IX Coordinator notifies the Complainant of the receipt of the report. This notice contains the applicable policies, rights of the Complainant, and resources.

      **Initial Assessment**

      a. There will usually be a preliminary meeting between the Complainant and the Title IX Coordinator or Deputy Coordinator.

      b. At the conclusion of the Initial Assessment, the Title IX Coordinator will determine the appropriate resolution route. Resolution may include: 1) no further action, 2) Voluntary Resolution, or 3) the initiation of an Investigation and Adjudication that may lead to conduct action. The Respondent will be notified when UAB takes action that would impact a Respondent, such as protective measures that restrict the Respondent’s movement on campus, the initiation of an Investigation, or the decision to seek informal resolution.

      **Voluntary Resolution**

      a. Voluntary Resolution, when selected by the Complainant and deemed appropriate by the Title IX Coordinator, is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the expressed preference of the Complainant and the safety and welfare of the campus community.

      b. The University retains the discretion to determine, when selected by the Complainant, which cases are appropriate for Voluntary Resolution.

      c. Refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy for more information on Voluntary Resolution [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx).

   2. **Notification**

      a. The Title IX Coordinator will send the Complainant and the Respondent and, if applicable, the Respondent’s appropriate supervisor, a written Notice of Investigation, which
constitutes the formal charge.

b. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.

c. The Notice of Investigation will generally contain the following:
   i. Summary of the allegation or conduct at issue
   ii. Range of potential violations under the Title IX Policy
   iii. On and off campus resources
   iv. Rights of the Respondent
   v. Range of potential sanctions
   vi. Notification that expulsion is a potential sanction and that expulsion precludes matriculation (where appropriate)

d. Once the Notice of Investigation has been delivered to the parties, the Investigation phase begins.

3. Title IX Investigation

a. Following the Initial Assessment, the University will initiate a prompt, thorough, and impartial Investigation of conduct that is a potential violation of the Title IX Policy.

b. The Title IX Coordinator will designate an investigator(s) from the Title IX Coordinator and Human Resources, or an external investigator, who has training and experience investigating allegations of Prohibited Conduct.

c. During the Investigation, the Complainant and Respondent will have an equal opportunity to be heard, to submit information, and to identify witnesses who may have relevant information. The investigator will speak separately with the Complainant, the Respondent, and any other individuals who are willing to participate and have information relevant to the determination of responsibility.

d. Throughout the process, any participant may have an Advocate present at any meeting related to resolution of a report under the Title IX Policy. The Advocate can be anyone of the individual’s choosing, including an attorney, who is not otherwise a party or witness involved in the Investigation.

e. The investigator will also gather any available physical or documentary evidence.

f. At the conclusion of the Investigation, the investigator will prepare a written report that summarizes the information gathered, synthesizes the areas of agreement and disagreement between the parties with any supporting information or accounts, and includes an Investigative Finding regarding whether a Title IX Policy violation occurred. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.

g. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review the draft Investigation Report.

h. Both the Complainant and Respondent will be notified of the Investigative Finding and the recommended sanction(s) and/or remedy(ies) in writing at the same time.
4. Outcome Conference

a. If the Investigative Finding is that a Title IX Policy violation has occurred, both the Complainant and Respondent may:
   i. Accept both the Investigative Finding and recommended sanction;
   ii. Accept the Investigative Finding, but request a Hearing on the recommended sanction; or
   iii. Request a Hearing on the Investigative Finding and recommended sanction.

b. If the Investigative Finding is that no Title IX Policy violation has occurred, both the Complainant may:
   i. Accept the Investigative Finding (on one or all of the alleged violations); or
   ii. Request Administrative Review of the Investigative Finding (on one or all of the alleged violations).

c. The Complainant and Respondent must communicate their chosen course of action to the Title IX Coordinator in writing (e.g., email, facsimile, letter) within five (5) business days of notification of the Investigative Finding.

5. Adjudication Options

At the conclusion of the Outcome Conference, one of the following will occur:

a. Imposition of Final Finding, Sanction, and Remedy
   i. Administrative Review of an Investigative Finding of No Title IX Policy Violation
   ii. Adjudication by a Hearing Panel: Review of an Investigative Finding that a Title IX Policy Violation Occurred
   iii. Adjudication by a Hearing Panel: Review of Recommended Sanction Only

6. Imposition of Sanctions - See below #7 Possible Sanctions

7. Remedies

The Title IX Coordinator will identify long-term or permanent remedies to address the effects of the conduct on the Complainant, restore the Complainant’s safety and well-being, and maximize the Complainant’s educational and employment opportunities. For more information see the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx).

8. Hearing Process

The Hearing Process will generally be completed within twenty-five (25) business days from the date of the request for a Hearing. As with all time frames in the Title IX Policy and these Procedures, this time frame may be extended for good cause with notice to the parties in writing.

a. Hearing Panel

Upon receipt of a Notice of Hearing, a Hearing Panel will be designated to review all relevant information gathered in the Investigation. In addition to a Hearing Chair, a Hearing Panel is comprised of three (3) individuals, selected from a pool of trained individuals (typically including two faculty or staff members and one student). Any individual designated by the University to serve on a Hearing Panel must have sufficient training or experience to serve in this capacity. A Hearing Panel member may decline to participate on the basis of an actual conflict of interest,
bias, or lack of impartiality. A Hearing Chair will conduct and preside over the hearings. The Hearing Chair is not a voting member of any Hearing Panel, but is available to provide consistency in process, informed understanding of Title IX Policy definitions, and guidance as to available sanctions; the Hearing Chair will also draft the Hearing Panel findings.

b. Pre-Hearing Meeting

As a first step, the Hearing Chair will meet separately with the investigator and each party to resolve pre-hearing concerns. At this pre-hearing meeting, the parties will each have the opportunity to identify the witnesses (who have already been identified to and interviewed by the investigator) they wish to call at the hearing; raise any challenge to the composition of the Hearing Panel based on bias, conflict of interest or lack of impartiality; and identify any evolving or new information not previously identified through the Investigation or available through the exercise of due diligence. The parties will also have the opportunity to address questions about the process. If not participating in the hearing, the Complainant is not required to attend this meeting.

Both parties have the ability to challenge a Hearing Panel member on the basis of an actual conflict of interest, bias, or lack of impartiality. The request must be submitted in writing or raised no later than the date of the pre-hearing meeting and must clearly state the grounds to support a claim of bias, conflict of interest, or an inability to be fair and impartial. Failure to object prior to the date of the pre-hearing meeting eliminates the possibility of appealing the outcome of the hearing based on the assertion that a member of the Hearing Panel had a conflict of interest, was biased, or lacked impartiality.

c. Hearing Procedures

The Hearing will take place in a closed session. At the Hearing, the investigator will be responsible for presenting the evidence supporting the Investigative Finding of a Title IX Policy violation. However, the Hearing Panel will make its own determination by a preponderance of the evidence whether a Title IX Policy violation occurred. In reaching a determination, the Hearing Panel will solicit information from the investigator, the Complainant, the Respondent, and any witnesses as appropriate to ensure a full assessment of the relevant facts. This information shall be provided in the presence of the parties, unless a party waives their right to participate.

The Complainant and Respondent will be granted the opportunity to appear before the hearing panel if they wish and make an oral statement regarding the facts. During the hearing, each party may be accompanied by an Advocate. Upon request, a party or witness may participate by telephone or videoconference from a different physical location or may request that a visual barrier be placed to limit the individual’s exposure to other hearing participants. The Complainant and Respondent will not be in the hearing room together, unless both parties agree in writing. The party who is not before the Hearing Panel may have audio access to the hearing via telephone when the other party appears.

A Respondent, Complainant, adviser, and/or witness may not bring electronic devices that capture or facilitate communication (e.g., computer, cell phone, audio/video recorder, etc.) into a hearing room. The Title IX Coordinator will make an audio recording of the hearing to be kept on file in accordance with UAB’s document retention policy. Reasonable care will be taken to create a quality audio recording and minimize technical problems; however, technical problems
that result in no recording or an inaudible one will not be a valid argument for appeal.

Questions directed to the parties will be made through the Hearing Chair, who will screen them for relevance. Questions may be directed to the investigator. Similarly, the parties have the right to question witnesses; however, the Hearing Chair has the discretion to determine that the questions will be made through the Hearing Chair in cases where the Hearing Chair determines that questioning by the parties will be unduly intimidating to a witness. In all such instances, the Hearing Chair may require measures to assure the integrity of the process.

The Hearing Panel will not review any Impact Statements unless a determination of a Title IX Policy violation is made. After a consideration of all of the relevant information, the Hearing Panel will make a determination by a preponderance of the evidence whether a Title IX Policy violation occurred. Preponderance of the evidence means that it is more likely than not that the conduct occurred. The Hearing Panel’s determination must be reached by a majority vote. If so, the Hearing Panel will also impose a sanction. Sanctions of suspension or expulsion must be supported by a unanimous vote. A majority vote is required for all other sanctions.

9. Notice of Hearing Outcome

Within five (5) business days of the conclusion of the Hearing, the University will provide a written Notice of Hearing Outcome to the Complainant and the Respondent at the same time. The Title IX Coordinator will also provide written notice, at the same time to both parties, of any change in the Outcome that occurs before the Outcome becomes final.

The Notice of Hearing Outcome will include the finding by the Hearing Panel as to whether there is a Title IX Policy violation, the rationale for the result, and a brief summary of the evidence on which the decision is based, as appropriate. Where there is a finding of a Title IX Policy violation, the Respondent will be informed of any sanctions, the date by which the requirements must be satisfied (if applicable), and the consequences of failure to satisfy the requirements. The Complainant will be informed of any sanctions and remedies that directly relate to the Respondent, including information about the Respondent’s presence on campus (or in a shared class or residence hall), that may help a Complainant make informed decisions or work with the University to eliminate Prohibited Conduct and prevent its recurrence.

The Notice of Hearing Outcome will also include information about the appeal process, including the available grounds for an appeal, the time frame for submitting an appeal, and the name of the Appeals Officer who will be assigned to review any appeal filed. If neither party seeks an appeal within five (5) business days of the Notice of Outcome, any sanction imposed by the Hearing Panel will take effect immediately.

10. Appeal/Review of Hearing Outcome

Either party may appeal the Notice of Hearing Outcome to the VP of Student Affairs (“Appeals Officer”). Either party may appeal the Hearing Outcome only on the following grounds:

- A violation of procedural due process (material deviation from established procedures that would substantially affect the Outcome);
- Newly discovered information has been obtained that was not previously available during the Investigation or Adjudication Processes through the exercise of due diligence, and this newly discovered information would substantially affect the Outcome. The parties may
appeal the portions of the Hearing Outcome that directly relate to that party. Mere dissatisfaction with the Hearing Outcome is not a valid basis for appeal.

- The appeal must be submitted in writing to Title IX Coordinator within five (5) business days of the Notice of Hearing Outcome.
- If the appeal is properly filed, each party will be given the opportunity to review the written appeal and respond to it in writing to the Appeals Officer. Any response by the opposing party must be submitted to the Appeals Officer within three (3) business days from being provided the appeal. If both parties file an appeal, the appeal documents from each party will be considered together in one appeal review process.
- Depending on the basis of the requested appeal, the Appeals Officer may:
  - Affirm the Outcome;
  - Alter the Outcome;
  - Return the matter to the Hearing Panel with instructions to reconvene to cure a procedural error or to assess the weight and impact of newly discovered information.
  - Where the procedural error cannot be cured by returning the matter to the original Hearing Panel, convene a hearing before a newly constituted Hearing Panel.

The Appeals Officer will render a written decision on the appeal to both parties within fifteen (15) business days from the date of the submission of all appeal documents. Appeal decisions by the Appeals Officer are final.

See the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy for more information on this process http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx.

11. Post-Resolution Follow Up

After a sanction or remedy is issued, the Title IX Coordinator will periodically contact the Complainant to ensure the Prohibited Conduct has ended and to determine if additional remedies are necessary and will contact the Respondent to assure compliance with any sanctions that have been imposed. The Complainant may decline future contact. Any violation by a Respondent of a sanction or protective measure imposed under the Title IX Policy or a failure by a University employee to provide a specified remedy should be reported to the Title IX Coordinator.

The Complainant and Respondent are encouraged to provide the Title IX Coordinator with feedback about their experience with the process and recommendations regarding ways to improve the effectiveness of the campus’ implementation of the Title IX Policy.

2. Anticipated Timelines

Consistent with the goal to maximize educational opportunities and minimize the disruptive nature of the investigation and resolution, the Title IX Coordinator seeks to resolve all reports within 60 days, depending on when the report is received. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness. More specific timelines can be found in the above section (Steps in the Disciplinary Process).

3. Decision-Making Process

a. The Complainant and Respondent will be provided the opportunity to submit a written Impact Statement. These written Impact Statements will not be considered in the determination of
responsibility, but will be provided to the investigator, and at the appropriate stage of the process, to the disciplinary authority or Hearing Panel for consideration in the determination of the sanction and remedy. The Impact Statement may be submitted at any time in the process, provided that it is received no later than five (5) days after the parties have been given notice of the opportunity to review the draft Investigative Report. The parties may submit a supplemental Impact Statement to the disciplinary authority or Hearing Panel if there is a change in circumstances warranting an updated Impact Statement. The Impact Statements will be shared with the parties, and may be redacted at the discretion of the Title IX Coordinator, or in accordance with FERPA.

b. At the conclusion of the Investigation, the investigator will prepare a written report that summarizes the information gathered, synthesizes the areas of agreement and disagreement between the parties with any supporting information or accounts, and includes an Investigative Finding regarding whether a Title IX Policy violation occurred. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.

c. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review of the draft Investigation Report.

d. Both the Complainant and Respondent will be notified of the Investigative Finding and the recommended sanction(s) and/or remedy(ies) in writing at the same time.

e. The investigator has the discretion to determine the relevance of any witness or other evidence to the finding of responsibility, and may exclude information in preparing the investigation report if the information is irrelevant, immaterial, or more prejudicial than informative. The investigator may also exclude statements of personal opinion by witnesses and statements as to general reputation for any character trait, including honesty. The investigator will not exclude direct observations or reasonable inferences drawn from the facts.

f. The Complainant and Respondent will be provided the opportunity to submit a written Impact Statement. These written Impact Statements will not be considered in the determination of responsibility, but will be provided to the investigator, and at the appropriate stage of the process, to the disciplinary authority or Hearing Panel for consideration in the determination of the sanction and remedy. The Impact Statement may be submitted at any time in the process, provided that it is received no later than five (5) days after the parties have been given notice of the opportunity to review the draft Investigative Report. The parties may submit a supplemental Impact Statement to the disciplinary authority or Hearing Panel if there is a change in circumstances warranting an updated Impact Statement. The Impact Statements will be shared with the parties, and may be redacted at the discretion of the Title IX Coordinator, or in accordance with FERPA.

4. **Standard of Evidence**

   Preponderance of the Evidence
5. Possible Sanctions

Sanctions that Impact a Student’s Status

Sanctions may be imposed individually or in combination. Sanctions that affect a student’s status with the University include the following:

• **Expulsion** means that a student is removed from the University permanently and may not seek readmission.

• **Suspension for a Definite or Indefinite Period** means that the student must leave the University for a definite or indefinite period. This form of suspension anticipates that the student may eventually return if applicable conditions are satisfied.

• **Probation for a Definite or Indefinite Period** means that a student is not in good standing and may remain at the University but may be required to satisfy specified conditions or requirements.

Sanctions that Do Not Impact a Student’s Status

Sanctions which do not affect a student’s good standing status with the University include, but are not limited to:

- **Educational Requirements.** Completion of projects, programs, or requirements designed to help the student manage behavior and understand why it was inappropriate.

- **“No Contact” Orders.** Compliance with orders of no contact that limit access to specific University areas or forms of contact with particular persons.

- **Housing Restrictions.** Exclusion from University housing or change in housing arrangements.

- **Community Service.** Completion of up to sixty (60) hours of community service over a period not to exceed twelve (12) weeks under guidelines established and monitored by the Title IX Coordinator and AVP of Student Experience.

- **Written Warning.** Written warning in the form of an official reprimand that is formally communicated by a letter giving the student notice that any subsequent Title IX Policy violation will carry more serious sanctions.

6. Range of Protective Measures Available to a Victim Alleging Misconduct

The Title IX Coordinator will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Respondent; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both parties; and interim suspension of the Respondent.

Regardless of whether a Complainant decides to pursue a criminal investigation, the University’s Title IX Coordinator will take immediate steps to investigate the report, to protect the Complainant, and to ensure the safety of the campus community. If a criminal complaint is filed in addition to the University complaint, the University will continue implementing its own procedures regardless of the time line
of the criminal proceedings or their outcome, unless the University is advised by the UABPD or other law enforcement agency that doing so could jeopardize the criminal investigation. Victims of sexual violence are not required to report to law enforcement in order to receive assistance from or pursue any options provided by UAB.

2. **How the University Determines Whether This Policy will be Used**
   Any action involving faculty, staff, affiliates, and non-affiliates is referred to the Title IX Coordinator or Deputy Title IX Coordinator to determine if this policy is applicable.

3. **Steps in the Disciplinary Process**
   1. **Complaint**
      When a report is made, the Title IX Coordinator or Deputy Coordinator will conduct an Initial Assessment. The assessment will determine whether the alleged conduct could present a potential violation of the Title IX Policy and whether further action is warranted based on the alleged conduct.

      The Title IX Coordinator notifies the Complainant of the receipt of the report. This notice contains the applicable policies, rights of the Complainant, and resources.

      **Initial Assessment**
      a. There will usually be a preliminary meeting between the Complainant and the Title IX Coordinator or Deputy Coordinator.
      b. At the conclusion of the Initial Assessment, the Title IX Coordinator will determine the appropriate resolution route. Resolution may include: 1) no further action, 2) Voluntary Resolution, or 3) the initiation of an Investigation and Adjudication that may lead to conduct action.

      **Voluntary Resolution**
      a. Voluntary Resolution, when selected by the Complainant and deemed appropriate by the Title IX Coordinator, is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the expressed preference of the Complainant and the safety and welfare of the campus community.
      b. The University retains the discretion to determine, when selected by the Complainant, which cases are appropriate for Voluntary Resolution.
      c. Refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates, and Non-Affiliates Policy for more information on Voluntary Resolution [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx).

   2. **Notification**
      a. The Title IX Coordinator will send the Complainant and the Respondent and, if applicable, the Respondent’s appropriate supervisor, a written Notice of Investigation, which constitutes the formal charge.
      b. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.
      c. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.
d. Once the Notice of Investigation has been delivered to the parties, the Investigation phase begins.

3. Title IX Investigation
   a. Following the Initial Assessment, the University will initiate a prompt, thorough, and impartial Investigation of conduct that is a potential violation of the Title IX Policy.
   b. The Title IX Coordinator will designate an investigator(s) from the Title IX Coordinator and Human Resources, or an external investigator, who has training and experience investigating allegations of Prohibited Conduct.
   c. During the Investigation, the Complainant and Respondent will have an equal opportunity to be heard, to submit information, and to identify witnesses who may have relevant information. The investigator will speak separately with the Complainant, the Respondent, and any other individuals who are willing to participate and have information relevant to the determination of responsibility.
   d. Throughout the process, any participant may have an Advocate present at any meeting related to resolution of a report under the Title IX Policy. The Advocate can be anyone of the individual’s choosing, including an attorney, who is not otherwise a party or witness involved in the Investigation.
   e. The investigator will also gather any available physical or documentary evidence.
   f. At the conclusion of the Investigation, the investigator will prepare a report (the “Investigative Report”) summarizing and analyzing the relevant facts determined through the investigation, with reference to any supporting documentation or statements. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.
   g. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review the draft Investigation Report.
   h. The final Investigative Report will provide a summary of the Investigator’s impressions, including context for the evidence, and will make a determination as to whether the respondent’s conduct violated the Title IX Policy. The Title IX investigator will provide its determination, including the basis for the determination in writing to the Complainant and the Respondent simultaneously. When the Respondent is determined not to have violated the policy, the determination will also be forwarded to the appropriate person, as indicated below.
      i. The Investigative Report will then be provided to the Dean of the Respondent’s School or College (if a faculty member);
      ii. The Provost (if the complaint contains allegations against a Dean), or
      iii. Relevant Vice President, Supervisor or Dean (if a staff member or third-party).

4. Final Determination as to appropriate disciplinary sanction
   a. Faculty - In cases involving faculty respondents, the parties have the right to appeal the investigative determination and the sanction imposed by the respondent’s Dean to the Provost. Any appeal must be in writing and should be filed with the Title IX Coordinator within
ten (10) calendar days of the date of receipt of the Dean’s final decision. Please refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy for more details about the appeal process http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx.

b. Staff - A determination as set forth above that a violation of the Title IX Policy has occurred shall subject a staff member to appropriate disciplinary action pursuant to the You & UAB Handbook. The University has adopted a philosophy of progressive discipline. However, one violation of this Policy could result in termination of employment. See You and UAB Handbook to review the applicable disciplinary and/or grievance process.

c. Resident - If the Title IX Investigator determines that a Resident violated the Title IX policy, the Title IX investigator will notify the Program Director and the Office of Graduate Medical Education. After reviewing the determination and in consultation with the Office of Graduate Medical Education and HR, the Program Director will follow the process set out in the applicable Graduate Medical Education Policies and Procedures manual.

d. Postdoctoral Fellows and Trainees - If the Title IX Investigator determines that a postdoctoral fellow or trainee violated this policy, the Title IX Investigator will notify the Office of Postdoctoral Affairs. After reviewing the determination and in consultation with HR and any other appropriate office, the process for similar conduct violations will be followed.

e. Community Member/Third-Part/Affiliate/Non-Affiliate/Campus Visitor - If the Title IX Investigator determines that a third-party, visitor, affiliate, community member or non-affiliate (i.e. an individual not affiliated with UAB) violated the Title IX policy, the Title IX Investigator will notify the relevant Vice President. After reviewing the determination and in consultation with any other appropriate office, sanctions will be determined.

5. Human Resources Investigation – All investigations and/or disciplinary proceedings will be conducted by University officials who are adequately trained on the issues related to these situations. The complainant and the respondent will not be permitted to directly question each other and are not required to be present together at any point during the process. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present. The accuser, the accused, and the appropriate officials are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings.

6. Human Resources Decision – the accuser and the accused will be notified simultaneously, in writing, of any initial, interim and final decision of any disciplinary proceeding; and where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

4. Anticipated Timelines
The University will seek to resolve every report of sexual misconduct within sixty (60) calendar days of the start of an Investigation, not counting any appeals. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness. More specific timelines can be found in the above section (Steps in the Disciplinary Process).
5. **Decision-Making Process**
   After review of the Investigative Report, the Dean (with the approval of the Provost), Provost, or relevant Vice President or Supervisor, after consultation with HR or any other appropriate office, will, if a violation of the Title IX policy has been found, make a final determination as to the appropriate disciplinary sanction for the respondent’s violation of the Title IX Policy.

6. **Standard of Evidence**
   Preponderance of the Evidence

7. **Possible Sanctions**
   Appropriate sanctions will be based on such factors as severity, frequency, and degree of deviation from expectations in the Title IX Policy. Possible sanctions may include, but are not limited to, no contact order, verbal counseling, written counseling or warning, official reprimand, mandatory counseling, mandatory attendance at the Employee Assistance Program, educational assignment, fines, restitution, paid or unpaid administrative leave, reassignment of responsibilities, ineligibility to receive raise or promotion, suspension of annual merit increase, decrease in salary, suspension, demotion, transfer, termination of employment, campus ban/no trespass warning from UABPD, prohibition on further employment at the University, loss of University benefits for retirees, and referral to proper law enforcement authorities for prosecution.

   The Title IX Coordinator will inform the Complainant that appropriate corrective action has been taken, but cannot reveal the specifics of the action if it is a confidential personnel action.

8. **Range of Protective Measures Available to a Victim Alleging Misconduct**
   Interim measures are available upon receipt of a report of Prohibited Conduct and prior to the resolution of a complaint, as appropriate. The Title IX Coordinator will work with the appropriate office(s) to ensure that any necessary interim measures are promptly provided. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Respondent; residence hall room change for one or more involved parties; changes in academic or work schedules or assignments for one or both parties; and interim suspension or imposed probation of the Respondent.

**UNIVERSITY-INITIATED PROTECTIVE MEASURES**

In addition to those protective measures previously described, the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the University.

NOTIFICATION TO VICTIMS OF CRIMES OF VIOLENCE

The University will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forceful sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

SEX OFFENDER REGISTRATION

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also mandates sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

In Alabama, convicted sex offenders must register with the sheriff of the county of his or her legal residence. Information on Registered Sex Offenders can be obtained at the UAB Police Department or on the Alabama Department of Public Safety’s website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.
DISTRIBUTION OF TIMELY WARNINGS

The department distributes timely warnings via the University’s B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. B-ALERT also integrates with Facebook and Twitter. Timely Warnings are issued to alert the University community to certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Once the University determines that an alert will be issued, the Information Technology Department e-mails the announcement and the police department posts it on its Website at www.uab.edu/police. The department may also post alerts on bulletin boards throughout campus and send “Be On the Look Out” (BOLO) to local law enforcement agencies.

In Huntsville, students and employees are alerted to timely warnings via the Call One system. By registering their contact information, students and employees will receive communications through voice calls, SMS text messages, and/or emails to the entire HRMC community at the same time. Timely warnings are issued to alert the HRMC community about certain crimes and emergency conditions that are timely and will aid in the prevention of harm to others and similar crimes. Once the Regional Dean’s Office determines that an alert will be issued, the Executive Administrator or designee initiates the announcement. The Huntsville Information Technology Department is contacted to email and post the announcement on the Huntsville Intranet and to its internal distribution lists.

DAILY CRIME LOG

For the Huntsville Regional Medical Campus, SEI assist in maintaining a Daily Crime Log that records, by the date the incident was reported, all crimes and other serious incidents that occur on the HRMC campus, on public property, or within the department’s patrol jurisdiction. Copies of the Daily Crime Log will be provided to the HRMC Executive Administrator on the day that the crime or serious incident occurs, or the following business day if the crime or serious incident occurs during a holiday or weekend hours. It is our policy to prepare a disclosure of crime statistics via our Annual Security Report, our Daily Crime Log, and on the HRMC intranet and website. The Daily Crime Log will be available for public inspection upon request at the HRMC Regional Dean’s Office. The Daily Crime Log will include the nature, date, time, and general location of each crime reported to the SEI security officer, as well as the disposition of the complaint, if this information is known at the time the log is created. All incidents occurring on the HRMC as posted in the Daily Crime Log will be recorded on the Huntsville intranet. HRMC and SEI reserve the right to exclude reports from the log in certain circumstances.

EMERGENCY PREPAREDNESS, RESPONSE, AND EVACUATION PROCEDURES

The HRMC recognizes the need to be prepared for critical incidents. In conjunction with local first responders, such as the HPD and Huntsville Fire and Rescue, the HRMC is prepared to respond. In the event of a major crime, fire, or other emergency/disaster, first report it by calling 911 from your cell phone or from a phone on the HRMC system. Then, notify the Executive Administrator or designee in the HRMC Dean’s Office at 256-539-7757 from your cell phone or 7757 from an HRMC phone.

The HRMC has an emergency alert system, One Call Now, which can quickly notify all Huntsville constituents in the event of an emergency. Medical students and all employees are given an introduction to One Call Now during their orientation with instructions to set up their self-service account. They may register to receive notifications by phone, email, or text messaging. Instructions on registering for One Call Now are also located on TheWire, the HRMC intranet. The One Call Now system is monitored for compliance and tested at least annually; records are maintained by the HIT department at HRMC.
In addition, HRMC is supported by the UAB Office of Occupational Health and Safety (OH&S) and the University Police Department to ensure our emergency protocols and plan are updated, as needed, and are applicable as new risks are identified. The University’s emergency planning website, located at www.uab.edu/emergency, not only contains important information about what to do during an emergency, but it also outlines the various initiatives that enhance preparedness. One such initiative is the University of Alabama at Birmingham Emergency Notification System. This system, called B-Alert, is used to send text messages to cell phones and pagers when urgent information needs to be communicated quickly to the university community. The B-Alert system is able to issue Huntsville-specific emergency notifications and crime alerts directly to the HRMC community as needed.

Upon immediate confirmation by the HRMC Executive Administrator or other HRMC administrators that an emergency incident has occurred on campus, HRMC administrators contact the UAB Police Department Communications Unit at 205-934-3535. On duty communications personnel will then initiate use of the B-ALERT system using the same procedure under which the main campus operates, that is, by contacting the Office of Media Relations, UAB Emergency Management, or one of the other authorized users. The Chief of Police, Deputy Chief and Captains are authorized users within the Police Department.

However, if issuing a notification, in the professional judgment of responsible authorities, compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the HRMC may decide not to immediately issue the notification. Appropriate university administrators, including those listed above and those at HRMC, will determine the necessary segment or segments of the campus community to receive an emergency notification; determine the content of the notification and initiate the notification system. The HRMC administrators responsible for carrying out the above actions are: The Regional Dean and the Leadership Team.

The UAB Office of Occupational Health and Safety (OH&S) and HRMC will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. HRMC will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.

The larger community is highly encouraged to go to the University’s emergency planning website at www.uab.edu/emergency to obtain emergency information. UAB will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. UAB will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.

**CRIMINAL INCIDENTS ON CAMPUS**

This report is prepared to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. It is prepared in cooperation with local law enforcement agencies in Huntsville and with the UAB Police Department.

Campus crime, arrest and referral statistics include those reported to the HPD, SEI, designated campus officials (including but not limited to directors, deans, department heads, student affairs, advisors to students/student organizations), and local law enforcement agencies. Each year, an email link is made
available via the Huntsville Intranet in reference to the web site to access the Annual Security Report. Copies of the report may also be obtained at the Huntsville Regional Dean’s Office, located in Suite 313 or by calling 256-539-7757.

UNFOUNDED CRIMINAL INCIDENTS

“Unfounded” means that an investigation has shown that the incident or offense did not occur. An offense or incident cannot be “unfounded” just because stolen property was recovered and/or the victim refuses to prosecute, or an arrest was not made.

FEDERAL CAMPUS SEX CRIMES PREVENTION ACT

The Federal Campus Sex Crimes Prevention Act, (section 1601 of Public Law 106-386) enacted on October 28, 2000, went into effect October 28, 2002. It is a law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or those working or volunteering on campus. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already registered in a State to provide notice to the appropriate state agency, as required under state law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Information on registered sex offenders can be obtained on the Alabama Department of Public Safety's website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.

CRIME STATISTICS

Major crimes reported to the Huntsville Police Department for January through December of the most recent three-year period are included in the table that follows.

Huntsville Police Reports are subject to Alabama’s Uniform Crime Reporting Program and the Alabama Open Records Act. The Code of Alabama (Section 36-12-40) states that every citizen has a right to inspect and take a copy of any public writing of this state, except as otherwise expressly provided by statute. Disciplinary referrals for violations of the Student Code of Conduct, which may include some criminal offenses specified for this report, are sometimes made directly to the UAB Office of Student Advocacy, Rights and Conduct by individuals or campus organizations other than the SEI or HPD.

Note: Any incidents that may have been reported only to pastoral and professional counselors of the University are generally protected by privacy rights of the client or patient and are not included in any of the following statistics, nor for any timely warning notifications to the campus.

ADDITIONAL SOURCE OF STATISTICAL INFORMATION

UABPD has developed, and periodically reviews, procedures to include in reported crime statistics and for the purpose of making timely crime alerts, reports of required crimes made to campus security authorities. Campus Security Authorities (CSAs) at UAB include employees of the UABPD; other individuals and third party vendors who are responsible for campus security; the University’s Title IX Coordinator; Title IX Investigator; designated harassment resource persons; and any officials of the University who have significant responsibility for student and campus activities. A Clery Incident Reporting Form (https://uab.edu/police/report-a-crime/campus-security-authority-incident-report-form) is available to CSAs to assist in the collection of crime statistics.

ALCOHOL AND DRUG USE AND ABUSE

The policies and guidelines for the following apply at the HRMC as stated in documentation at the UAB main campus. Programs based in Birmingham to assist the UAB community are also available to students, employees, and faculty at the HRMC.

Alcoholic Beverages

The University has established policies and guidelines governing the possession, sale, and consumption of alcoholic beverages on the campus. A copy of the Student Alcohol Policy may be obtained through Student Affairs. A copy of the Policy on The Use and Consumption of Alcoholic Beverages may be obtained from the Office of Human Resources, Campus Drug Policy Coordinator. Any use of alcoholic beverages on campus must be in compliance with the Alabama law prohibiting the use of alcohol by persons under the age of 21. Students of legal drinking age in Alabama may possess and consume alcoholic beverages in their private residence. Alcohol is not to be served at any UAB sponsored campus events. See the entire Use and Consumption of Alcoholic Beverages Policy at www.uab.edu/policies/content/Pages/UAB-AD-POL-0000071.aspx. **How to Be an Active Bystander**

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.”\(^1\) We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found at [http://www.nsvrc.org/bystander-intervention-online-learning-opportunities](http://www.nsvrc.org/bystander-intervention-online-learning-opportunities). If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

**Risk Reduction**

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org))

- **Know your resources.** Who should you contact if you or a friend needs help? Where should you go? Locate resources such as the campus health center, campus police station, and a local sexual assault service provider. Notice where emergency phones are located on campus, and program the campus security number into your cell phone for easy access.
- **Stay alert.** When you’re moving around on campus or in the surrounding neighborhood, be aware of your surroundings. Consider inviting a friend to join you or asking campus security for an escort. If you’re alone, only use headphones in one ear to stay aware of your surroundings.
- **Be careful about posting your location.** Many social media sites, like Facebook and Foursquare, use geolocation to publicly share your location. Consider disabling this function and reviewing other social media settings.
• **Make others earn your trust.** A college environment can foster a false sense of security. They may feel like fast friends, but give people time to earn your trust before relying on them.

• **Think about Plan B.** Spend some time thinking about back-up plans for potentially sticky situations. If your phone dies, do you have a few numbers memorized to get help? Do you have emergency cash in case you can’t use a credit card? Do you have the address to your dorm or college memorized? If you drive, is there a spare key hidden, gas in your car, and a set of jumper cables?

• **Be secure.** Lock your door and windows when you’re asleep and when you leave the room. If people constantly prop open the main door to the dorm or apartment, tell security or a trusted authority figure.

**Safety in social settings**

• **Make a plan.** If you’re going to a party, go with people you trust. Agree to watch out for each other and plan to leave together. If your plans change, make sure to touch base with the other people in your group. Don’t leave someone stranded in an unfamiliar or unsafe situation.

• **Protect your drink.** Don’t leave your drink unattended, and watch out for your friends’ drinks if you can. If you go to the bathroom or step outside, take the drink with you or toss it out. Drink from unopened containers or drinks you watched being made and poured. It’s not always possible to know if something has been added to someone’s drink. In drug-facilitated sexual assault, a perpetrator could use a substance that has no color, taste, or odor.

• **Know your limits.** Keep track of how many drinks you’ve had, and be aware of your friends’ behavior. If one of you feels extremely tired or more drunk than you should, you may have been drugged. Leave the party or situation and find help immediately.

• **It’s okay to lie.** If you want to exit a situation immediately and are concerned about frightening or upsetting someone, it’s okay to lie. You are never obligated to remain in a situation that makes you feel uncomfortable, pressured, or threatened. You can also lie to help a friend leave a situation that you think may be dangerous. Some excuses you could use are needing to take care of another friend or family member, an urgent phone call, not feeling well, and having to be somewhere else by a certain time.

• **Be a good friend.** Trust your instincts. If you notice something that doesn’t feel right, it probably isn’t. Learn more about how to keep your friends safe in social settings.

• **If you suspect you or a friend has been drugged, contact law enforcement immediately** (local authorities can be reached by calling 911 in most areas of the U.S.). UAB Police Department can be reached at (205) 934-3535. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

**ADDITIONAL SAFETY TIPS**

• Be alert. Watch for obvious strangers around your office, your home, or apartment. Check for signs of a break-in before entering an empty house, office, or car. Call the police if you see signs of forced entry to a building or a car.

• Call the police if you are experiencing any minor theft problems over a period of time.

• Involve your associates. If you are expecting a delivery or a guest in your absence, leave your keys with a neighbor or a coworker. Let your office staff and neighbors know when you will be away from home and ask them to challenge strangers in the area.
• Maintain a record of serial numbers of your property and of identification and credit cards. Include a brief description with each and keep this information in a safe place.
• Report any crime or suspicious activity to the police. Be prepared to supply as much information as possible, such as descriptions of people, property, and cars.
• Post the number for Huntsville’s Security Engineers Inc (256-880-6334), and your local police and fire departments, near your phone at work and at home.
• If you would like additional information on crime prevention or wish to discuss a problem that may be crime related, contact the UAB Police Department at (205) 934-4434. Help prevent crime and help to have a safe home, study, and work environment. Victims needing counseling for psychological or physical reasons may contact one of the following on-campus and off-campus offices for further information:
