MD Core Educational Program: Graduation Requirements

Pre-clinical

MS1 year
- Learning Communities 1
- Intro to Clinical Medicine (ICM 1)
- Patient Doctor & Society (PDS)
- Fundamentals
- Cardiovascular
- Pulmonary
- Gastrointestinal
- Renal

MS2 year
- Learning Communities 2
- Intro to Clinical Medicine (ICM 2)
- Neurosciences
- Musculoskeletal/Skin
- Endocrine
- Reproductive Health
- Hematology
- Evidence-Based Medicine

Clinical

MS3 year
- Learning Communities 3
- Medicine clerkship (8 weeks)
- Surgery clerkship (8 weeks)
- OB/GYN clerkship (8 weeks)
- Pediatrics clerkship (8 weeks)
- Scholarly clerkship Activity (8 weeks)
- Neurology clerkship (4 weeks)
- Psychiatry clerkship (4 weeks)
- Family Medicine clerkship (4 weeks)
- Third Year Elective (4 weeks)
- Clinical Skills Assessment (Must Pass)
MS4 year

- Learning Communities 4
- Medicine Acting Internship (4 weeks)
- Ambulatory Acting Internship (4 weeks)
- Surgery/Critical Care Acting Internship (4 weeks)
- Preparation for Residency (2 weeks)
- Electives (22 weeks) Electives may be completed in a standard 2-4 week format, co-enrolled format (max 4 weeks), 3rd year elective format, and/or Teaching Associate format (max 4 weeks).

Special Topics

- Students must successfully complete 4 weeks of Special Topics. Beginning after the MS1 year is successfully completed, there are multiple weeks allotted solely for Special Topic courses.
- Special Topics requirements may vary in joint and dual degree programs

USMLE Exam Requirements

- Step 1 Must be taken before beginning 3rd year clerkships.
- Step 2 Clinical Knowledge (CK) Must be passed in order to graduate
- Step 2 Clinical Skills (CS) Must be passed in order to graduate

Joint and Dual Degree Programs

MD-MPH PROGRAM

http://www.soph.uab.edu/md_mp_program
SOPH contacts: Hannah VanSlambrouck (hannahv@uab.edu)

<table>
<thead>

Oral Maxillofacial Surgery Program (OMFS)
Contact: Patrick Louis, DDS, MD (plouis@uab.edu)

- Dental school graduates enter the SOM clinical curriculum after 1 year of surgical residency
- Clinical curriculum unchanged except no Scholarly Activity requirement
Overview of differences in core GRADUATION REQUIREMENTS for M.D. DEGREE VS. JOINT/DUAL DEGREE PROGRAMS

Students in dual degree programs/special tracks should refer to the specific graduation requirements for that specific degree program or track.
