Device Details

Concomitant surgery: *

- None
- ASD closure
- PFO closure
- RVAD implant
- ECMO decannulation
- CABG
- VSD closure
- Congenital cardiac surgery
- Valve Surgery: Aortic Repair
- Valve Surgery: Mitral Repair
- Valve Surgery: Tricuspid Repair

- Valve Surgery: Pulmonary Repair
- Valve Surgery: Aortic Replacement - Mechanical
- Valve Surgery: Aortic Replacement - Biological
- Valve Surgery: Mitral Replacement - Mechanical
- Valve Surgery: Mitral Replacement - Biological
- Valve Surgery: Tricuspid Replacement - Mechanical
- Valve Surgery: Tricuspid Replacement - Biological
- Valve Surgery: Pulmonary Replacement - Mechanical
- Valve Surgery: Pulmonary Replacement - Biological
