UAB Health Equity Research Symposium Abstract Information

The UAB Health Equity Research Symposium highlights the work of undergraduate, graduate, post-doctoral and faculty investigators in clinical, behavioral, social, and community-based research related to health equity and health disparities.

Eligibility for Abstract Submission

- All faculty, staff, and students at academic institutions in the United States
- MHERC Training Program alumni, scholars, trainees, and investigators
- UAB MHERC Community Partners

General Abstract Guidelines

- Limit abstracts to 350 words, excluding title, authors, acknowledgments, and affiliations
- Format

Introduction, Methods, Results, Discussion/Conclusion, Acknowledgements

or

Introduction, Methods, Expected Findings, Implications/Future Directions, Acknowledgements

- Do not include references
- Define abbreviations the first time they appear
- No graphs or images
- Proofread the abstract carefully before submitting
- **If you are a student or trainee, get your mentor's approval before submitting.**

After you submit your abstract, you will receive an email confirming successful abstract submission.

If no email is received (check spam folder) or for other assistance, please email

emilykhudson@uabmc.edu. Please note that if your abstract is not selected for presentation, you will be able to cancel your symposium registration, if so desired.

Abstracts are due by midnight (11:59pm Central Time) on February 19, 2024.
