

READY TO GET BACK TO NORMAL?

We need your help.

Whether you're ready to get back to church, gather with family & friends, or want to be prepared for unexpected events in the future, we need your advice.

The University of Alabama at Birmingham and RADxUP want to better understand the impact of COVID-19 on your community and improve testing within Jefferson County.

Participants who are willing to help will receive a **\$25 incentive** and are expected to:

- be at least 18 years of age.
- complete a COVID-19 test at one of our sites.
- complete a survey.
