

13TH ANNUAL

HEALTH DISPARITIES RESEARCH SYMPOSIUM

Abstract Submission Deadline: Monday, January 29, 2018

Abstract Guidelines:

- Abstracts must represent results of original research
- A presenting author is expected to register for and attend the symposium
- Limit abstracts to 350 words, excluding title, authors, and affiliations
- List presenting author first
- Include subheadings: Purpose, Methods, Results, Discussion/Conclusions
- Do not include tables, figures and references
- Define abbreviations the first time they appear
- Proofread carefully before submitting; no corrections will be allowed

Submissions in the following areas are encouraged: Social Determinants of Health • Behavioral and Biological Mechanisms of Health Disparities • Community-Based Approaches to Health • Health Policy • Population Health • Global Health

Selected abstracts will be assigned to oral or poster presentation by the reviewing committee. Awards will be given to the best oral and poster presentations.
