GRANT SUPPORT:

Active Awards:

9/2020 to 8/2021 3UL1TR003096-02Sxx (PI: Kimberly, Co-I: Julian), NIH/NCATS, Center for Clinical and Translational Science, University of Alabama at Birmingham, Birmingham, AL
 (Administrative Supplement in response to NOT-TR-20-024, Notice of Special Interest: Administrative Supplements for NIH grants to Add or Expand Research Focused on Maternal Mortality).
 The goal of the proposed study is to better articulate multi-level (individual, interpersonal, community, and sociocultural) determinants of maternal mortality and severe maternal mortality and associated health disparities. Findings from this study have the potential improve clinical care and prevention strategies to improve overall maternal outcome and attain equity in maternal health.
 Amount: \$222,750
 10/2020 to 9/2021 Community Health Scholars Pilot Grant (PI: Julian), Center for Study of Community Health, University of Alabama at Birmingham, Birmingham, AL

From Day One: The Impact of Community Health Workers on Preterm Birth in Jefferson County, AL

The goal of this evaluation is to explore the impact of a community health worker intervention on perinatal clinical outcomes and social determinants of health for mothers and infants at high social risk for preterm birth and infant mortality. Key to this community-engaged evaluation is equitable, invested partnership with local stakeholders serving Jefferson County, AL.

Amount: \$10,000

Completed Awards:

- 2013 Student Researcher, Reproductive Health Care Management Course, Rollins School of Public Health and Georgia Department of Public Health
Professor: Roger Rochat, MD
Project: Title X Family Planning Block Grant Application Community Needs Assessment – Teen Family Planning Services
- 2014 Marianne Ruby Award in Obstetrics and Gynecology, Emory University
Awarded annually to one clinical medical student to conduct research in an area that will advance knowledge and understanding of issues impacting women from menarche through menopause.
Project: A qualitative assessment of contraceptive care provision in Georgia's abortion care facilities.
Amount: \$1,250.00
