Gynecologic Oncology Reading List

Note to Residents: This reading list includes major reviews and bulletins from ACOG and the Green Journal. These items are key publications that you will be responsible for on the Oral Boards. The majority of this information can be found on the associated website or PubMed. Please note that the sections are designated by PGY class. The chapters from Practical Gynecologic Oncology will serve as a background for the disease sites but often are outdated.

I. Referral Guidelines to Gynecologic Oncology (PGY 1, 2)
   Gynecol Oncol 2000;78:S1-S13
