

HEAD AND NECK CANCER SUPPORT GROUP

During this difficult time, it's important to know you are not alone.

The UAB Head and Neck Cancer Support Group will meet the third Thursday every other month at 4 pm to discuss problems that affect head and neck cancer patients. We encourage new patients, survivors, and family or friends to attend. Members of the Head and Neck Oncology Program (Otolaryngology, Oral and Maxillofacial Surgery, Radiation Oncology, and Hematology/Oncology) will be at each meeting.
