

Pathology Grand Rounds - 2020 Spring Schedule

Thursday, 8:00-9:00 AM

Thursday, January 9, 2020 Irwin H. Gelman, PhD Distinguished Professor of Oncology Roswell Park Comprehensive Cancer Center <i>"Epigenetic Control of Breast Cancer Dormancy in the Endosteal Bone Niche"</i>	WPCC-E		March 19, 2020 No Seminar
Thursday, January 16, 2020 co-sponsored by UAB CFRB Donna Zhang, PhD Professor, Pharmacology and Toxicology College of Pharmacy, University of Arizona <i>"NRF2 in Environmental Response and Disease Intervention"</i>	WPCC-E		Thursday, March 26, 2020 Selwyn M. Vickers, MD Dean, UAB School of Medicine <i>"To Be Determined"</i>
Thursday, January 23, 2020 Surgery-BME-Pathology Speaker – To Be Named	WPCC-E		Thursday, April 2, 2020 George D. Lundberg, MD Clinical Professor of Pathology, Northwestern President and Chair, The Lundberg Institute <i>"The Role of Medical Journals in Promoting Science and the Health of the Public"</i>
Thursday, January 30, 2020 Matthew Might, PhD Director, UAB Hugh Kaul Precision Medicine Institute <i>"Pathology & Precision Medicine"</i>	WPCC-E		Thursday, April 9, 2020 Rajatava Basu, PhD Assistant Professor, UAB Department of Pathology <i>"Role of Nuclear Receptor, RORyt, in Modulating Effector-Regulatory T cell Axis During Intestinal Inflammation"</i>
Thursday, February 6, 2020 David M. Bedwell, PhD Chair, UAB Dept. of Biochemistry and Molecular Genetics <i>"Suppression of Nonsense Mutations to Treat Genetic Diseases"</i>	WPCC-E		Thursday, April 16, 2020 Surgery-BME-Pathology Speaker – To Be Named
Thursday, February 13, 2020 Gregory Y. Lauwers, M.D., FAGPS Director, Gastrointestinal Pathology Service Moffitt Cancer Center, University of South Florida <i>"Gastric Cancer in 2020: The Evolving Coexistence of the Morphologic Classification & Molecular Taxonomy"</i>	WPCC-E		Thursday, April 23, 2020 Sinchita Roy-Chowdhuri, MD, PhD Associate Professor, Department of Pathology The University Of Texas M.D. Anderson Cancer Center <i>"Molecular Cytopathology: Doing More With Less"</i>
Tuesday, February 18, 2020 – 3:00 pm Pathology Special Seminar Series C. Bruce Alexander Lecture in Pathology Education Danny A. Milner, Jr, MD, MSC, FASCP Chief Medical Officer – ASCP <i>"Building a Career in Global Health: Traditional and Non-traditional Tools and the Value of Mentorship"</i>	WPCC-E		Thursday, April 30, 2020 Sixto Leal, MD Assistant Professor, UAB Department of Pathology <i>"To Be Determined"</i>
Thursday, February 27, 2020 co-sponsored by CFRB Giovanni Manfredi, MD, PhD Finbar and Marianne Kenny Professor Feil Family Brain & Mind Research Institute, Weill Cornell <i>"CHCHD10: A Protein at the Intersection of Mitochondrial Diseases and ALS"</i>	WPCC-E		Wednesday, May 6, 2020 – 2:00 pm Spain Auditorium Pathology Special Seminar Series Paulette Shirey Pritchett Endowed Lecture in Pathology Vishva Dixit, MD Vice President, Research, Genentech, Inc <i>"Why so Many Ways to Die? The Non-canonical Inflammasome Pathway"</i>
Thursday, March 5, 2020 T. Prescott Atkinson, MD, PhD Director, UAB Division of Pediatric Allergy & Immunology <i>"An Update on Emerging Infectious Diseases, Caused by Mollicutes – Mycoplasmas, Ureaplasmas, and Spiroplasmas"</i>	WPCC-E		Thursday, May 14, 2020 Laura J. Tafe, MD Associate Professor of Pathology and Laboratory Medicine Dartmouth-Hitchcock Medical Center <i>"The Evolving Precision Oncology Paradigm in Non-small Cell Lung Cancer"</i>
Thursday, March 12, 2020 Surgery-BME-Pathology Speaker – To Be Named	WPCC-E		Thursday, May 21, 2020 Randy Cron, MD Professor, UAB Department of Pediatrics <i>"Cytokine Storm Syndrome: Kill or be Killed"</i>
			Thursday, May 28, 2020 Jie Xu, MD, PhD Assistant Professor, Department of Hematopathology University of Texas MD Anderson Cancer Center <i>"Anaplastic Large Cell Lymphoma: Potential Target for PD-1 Blockade Therapy?"</i>
