

Should Adobe Acrobat DC prompt for Sign in at launch proceed as follows....

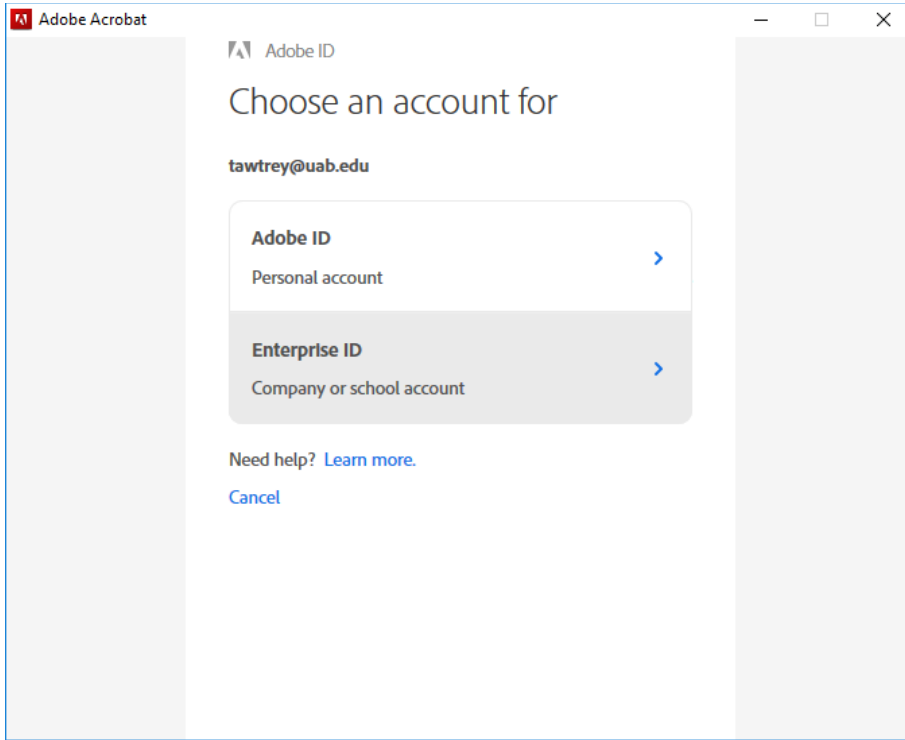

Click on the link **Sign in with an Enterprise ID**

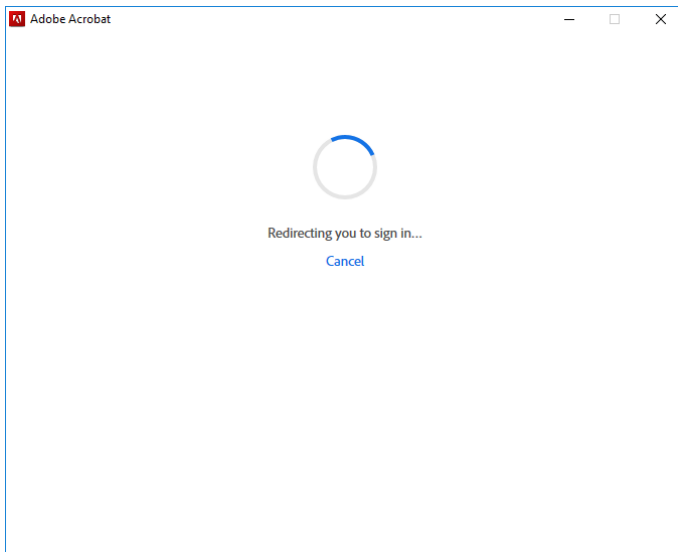

Provide your [BlazerID@uab.edu](mailto:BlazerID@uab.edu) address and click **Sign In with an Enterprise ID**. (There is no need to enter a password at this time.)

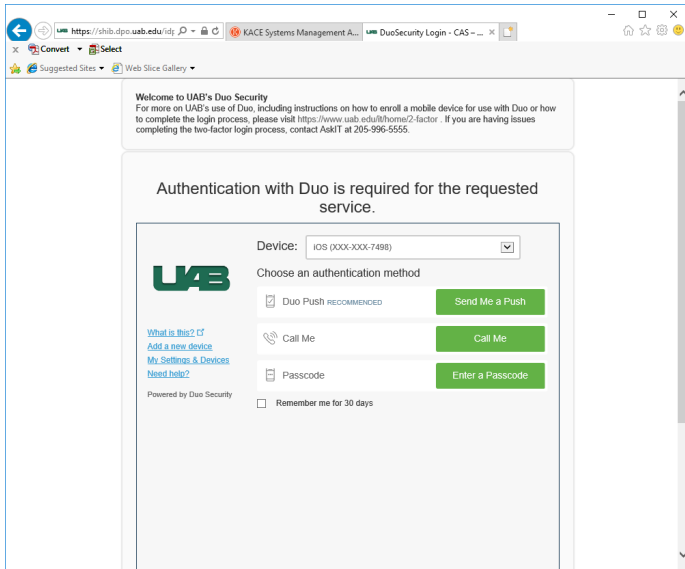

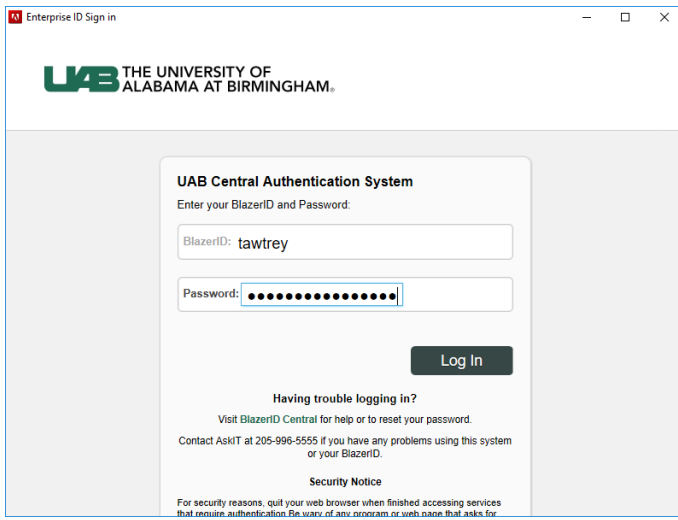

## Click Enterprise ID, Company or school account

You will be redirected to the BlazerID login page. Provide your BlazerID/password and then you will be taken to the Duo authentication process.

Successful Duo authentication should result in successful Adobe sign in.
