

**Department of Pathology  
Division of Neuropathology  
University of Alabama at Birmingham**

**Director**

The Department of Pathology at the University of Alabama at Birmingham (UAB) is pleased to announce the recruitment for Director of the Division of Neuropathology, one of six Divisions in the UAB Department of Pathology. We are inviting applications from qualified candidates at the rank of Associate Professor/Full Professor for a full-time, tenure earning/tenured position through the Department of Pathology, School of Medicine. The candidate should have an M.D. (or M.D., Ph.D.), Board Certification in Anatomic Pathology and Neuropathology, and be eligible for a license to practice medicine in Alabama. The successful candidate should have a national reputation in academic neuropathology and a track record of a competitive basic, translational, and/or clinically focused research program. Prior administrative experience will be favorably considered.

The Neuropathology Division includes several faculty members with a diverse skill set and operational expertise. The Director is responsible for oversight of both clinical and research activities in the Division and reports directly to the Chair of the Department. Divisional faculty are noted for multidisciplinary academic productivity, teaching excellence, and national leadership. The Division supervises approximately 800 surgical specimens and 200 autopsy brains per year and has an ACGME-accredited fellowship. Research in the Division is diverse but particularly strong in translational investigations and neuro-oncology. The new Division Director will have an opportunity to recruit additional faculty in support of our research and clinical missions.

Interested candidates should submit a cover letter and application packet including curriculum vitae, research interest/expertise, and the names of three references to the Chair of the Search Committee, Gene P. Siegal, M.D., Ph.D., Professor and Executive Vice Chair, Department of Pathology, by e-mail to: [PATH-NPDirector@mail.ad.uab.edu](mailto:PATH-NPDirector@mail.ad.uab.edu). Evaluation of applications will occur as they are received and will continue until the position is filled. A pre-employment background investigation is performed on candidates selected for employment. Physicians and other clinical faculty candidates who will be employed by the University of Alabama Health Services Foundation (UAHSF) or other UAB Medicine entities, must successfully complete a pre-employment drug and nicotine screen to be hired. UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of ethnicity, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans.
