

# CURRICULUM VITAE

## WYNTON CHASE HOOVER

---

### PERSONAL INFORMATION

Date: November 7, 2013

Name: Wynton C. Hoover, MD

Citizenship: US

### RANK/TITLE: Associate Professor

Primary Appointment: University of Alabama School of Medicine

Department: Pediatrics

Division: Pulmonary Medicine

Business Address: 1600 7th Avenue S., Lowder 620, Birmingham, Alabama 35233

Research Center: 1600 7th Avenue South, CHT 7th Floor

Phone: 205-638-9583

Fax: 205-975-5983

Email: whoover@peds.uab.edu

### HOSPITAL AND OTHER (NON-ACADEMIC) APPOINTMENTS:

<u>Year</u>	<u>Rank/Title</u>	<u>Institution</u>
2007 – Present	Active Staff	Children's of Alabama
2007 – Present	Active Staff	Children's Rehabilitation Services of Alabama
2003 – 2004	Active Staff	Sacred Heart Women's and Children's Hospital

### PROFESSIONAL CONSULTANTSHIPS:

<u>Year</u>	<u>Rank/Title</u>	<u>Institution</u>
2007 - Present	Consulting Staff	UAB Hospital

### EDUCATION:

<u>Year</u>	<u>Degree</u>	<u>Institution</u>
1996 – 2000	Doctor of Medicine	Louisiana State University School of Medicine New Orleans, LA
1992 – 1996	BS - Biology	Millsaps College Jackson, MS

### POSTDOCTORAL TRAINING:

<u>Year</u>	<u>Degree</u>	<u>Institution</u>
2004 – 2007	Pediatric Pulmonology Fellow	Indiana University Pediatrics Riley Hospital for Children Indianapolis, IN
2003 – 2004	Pediatric Chief Resident	University of Florida Pediatrics Sacred Heart Women's and Children's Hospital Pensacola, FL
2000 – 2003	Pediatric Resident	University of Florida Pediatrics Sacred Heart Women's and Children's Hospital Pensacola, FL

**LICENSURE:**

<u>State</u>	<u>Number</u>	<u>Active Dates</u>
Alabama	MD28038	2007 - present
Indiana	01059088A	2004 - 2007
Florida	ME 85688	2000 - 2004

**BOARD CERTIFICATIONS:**

<u>Licensing Board</u>	<u>Number</u>	<u>Year</u>
American Board of Pediatrics	00849	2008
Sub-Board Pediatric Pulmonology		
American Board of Pediatrics	78381	2003
Pediatrics		

**ACADEMIC APPOINTMENTS:**

<u>Date</u>	<u>Rank/Title</u>	<u>Institution</u>
10/2012-Present	Associate Professor	UAB School of Medicine Department of Pediatrics Division of Pulmonary Medicine Birmingham, Alabama
3/2011-Present	Associate Scientist	Gregory Fleming James CF Research Center UAB School of Medicine Birmingham, Alabama
7/2008-Present	Ad hoc Faculty	UAB Graduate School Birmingham, Alabama
8/2007-9/2012	Assistant Professor	UAB School of Medicine Department of Pediatrics Division of Pulmonary Medicine Birmingham, Alabama
7/2003-6/2004	Instructor	University of Florida School of Medicine Department of Pediatrics Pensacola, Florida

**AWARDS/HONORS:**

	<u>Date</u>
• UAB Department of Pediatrics Excellence in Teaching Award	2012
• UAB Department of Pediatrics Excellence in Teaching Award	2011
• UAB Department of Pediatrics Excellence in Teaching Award	2010
• Best Doctors in America	2011-present
• Riley Hospital for Children Red Shoe Award	2006
◦ Outstanding Accomplishment in Patient Centered Care	
• NIH T-32 – Indiana University Pediatric Scientist Training Program	2005
• University of Florida - Pensacola Pediatric Faculty Teaching Award	2004
• Outstanding Senior Pediatric Resident	2003
• Outstanding First Year Pediatric Resident	2001

**PROFESSIONAL SOCIETIES:**

	<u>Date</u>
• American Thoracic Society	2006-present
• American College of Chest Physicians	2004-2008
• American Academy of Pediatrics - FAAP	2000-present

**COUNCILS AND COMMITTEES:**

	<u>Date</u>
• UAB Pediatric Residency Clinical Competency Committee	2013-present
• CF Foundation Clinical Practice for Pulmonary Therapies Committee	2009-present
• UAB Pediatric CF Center Family Advisory Committee	2009-present
• Residency Interview Committee, UAB Pediatric Residency	2008-present

- UAB Pediatric Residency Curriculum Committee, UAB 2008-present
- PICU Quality Assurance Committee, Sacred Heart Hospital 2003-2004
- PICU Care Committee, Sacred Heart Hospital 2002-2004
- Graduate Medical Education Committee, Sacred Heart Hospital 2001-2004

**UNIVERSITY ACTIVITIES:****ADMINISTRATIVE:**

- |  | <u><b>Date</b></u> |
|--|--------------------|
| • Medical Faculty, UAB Pediatric Pulmonary Center                | 2013-present       |
| • Director, UAB Pediatric Pulmonary Center                       | 2011-2013          |
| • Associate Faculty, UAB Pediatric Pulmonary Center              | 2009-2010          |
| • Director, UAB Pediatric Pulmonary Fellowship                   | 2009-present       |
| • Medical Director, Children's of Alabama Pulmonary Function Lab | 2009-present       |
| • Director, Children's of Alabama Infant Pulmonary Function Lab  | 2008-present       |
| • Investigator, UAB CFF Therapeutic Development Network          | 2008-present       |
| • Associate Director, UAB Pediatric CF Care Center               | 2007-present       |

**CLINICAL ACTIVITIES:**

- |  | <u><b>Date</b></u> |
|--|--------------------|
| • Nurse Practitioner Collaborative Practice, Kimberly Bell, RN, CPNP         | 2009-present       |
| • Nurse Practitioner Collaborative Practice, Brandi Olvey, RN, CPNP          | 2009-present       |
| • Attending Physician, Infant Pulmonary Function Testing (1 half-day/week)   | 2008-present       |
| • Attending Physician, Pediatric CF Clinic (2 half-days/week)                | 2007-present       |
| • Attending Physician, Pulmonary Inpatient NP Service (two months/year)      | 2007-present       |
| • Attending Physician, Pulmonary Care Clinic (1-2 half-day/week)             | 2007-present       |
| • Attending Physician, Pulmonary Inpatient/Consult Service (8-10 weeks/year) | 2007-present       |
| • Associate Director, UAB Pediatric CF Center, Clinical Protocol Development | 2007-present       |
| o Treatment of multidrug resistant <i>M. abscessus</i> , FDA IND #11-0585    | 2010               |
| o CF Related Diabetes – 2009, updated 2011                                   |                    |
| o Non-tuberculous Mycobacterial Infection in CF – 2009, updated - 2011       |                    |
| o Pseudomonas Eradication – 2008, updated - 2009, updated – 2010, 2013       |                    |
| o Distal Intestinal Obstruction Syndrome – 2009, 2013                        |                    |
| o Early Screening and Detection of Lung Disease via Infant PFTs - 2008       |                    |

**OTHER ACTIVITIES:**

- |   | <u><b>Date</b></u> |
|---|--------------------|
| • Sub-Specialty Physician Council Member, AAP – Alabama Chapter             | 2013-present       |
| • Department of Pediatrics Strategic Planning Committee – Education         | 2012               |
| • Academic Medicine Panel, UAB Pediatric Career Day                         | 2010 & 2012        |
| • UAB Pediatric ACGME Site Visit, Key Clinical Faculty - Pulmonary Medicine | 2010               |
| • Residency Recruitment Sub-committee                                       | 2009-present       |
| • Resident Mentor, UAB Pediatric Residency Program                          | 2009-present       |
| • Graduate Student Mentor, UAB Nutrition Sciences                           | 2008-present       |
| • Undergraduate Student Mentor, UAB Summer Enrichment Program               | 2008               |

**OTHER CERTIFICATIONS AND TRAINING:**

- |  | <u><b>Date</b></u> |
|--|--------------------|
| • Pediatric Advanced Life Support  | 5/2012             |
| • Basic Life Support   | 8/2011             |
| • nSpire Health, Infant Pulmonary Lab Training<br>University of Michigan School of Medicine, Ann Arbor, MI | 9/22-27/2008       |
| • Pediatric Flexible Bronchoscopy,<br>Cincinnati Children's Hospital, Cincinnati, OH                       | 12/5-9/2004        |
| • Biostatistics for Physicians: A Short Course<br>Indiana University School of Medicine, Indianapolis, IN  | 10/5-7/2004        |

- Pediatric Chief Resident Teaching Conference 9/18–20/2002  
Baylor College of Medicine, Dallas, TX

**TEACHING EXPERIENCE:****Teaching Lectures:**

7/2003-6/2004	Pediatric Resident Lectures as Chief Resident: RSV Bronchiolitis, Pediatric Airway Review, Pediatric Board Review – Series of Lectures, Pediatric DVT, Acute Management of Asthma, Status Asthmaticus and Pediatric Croup
11/2004	Acute Management of Pediatric Asthma, Resident and Medical Student Lecture, Riley Children's Hospital - Indianapolis, IN
12/2004	Aerosolized Medication Delivery via MDI/VHC and Nebulizers in Children, Pulmonary and ER Dept. Conferences, Riley Hospital for Children
10/2005	Cystic Fibrosis and Ion Transport Deficits: A Clinical Perspective, Guest Lecturer to Class on Ion Transport Defects – IUPUI, Indianapolis, IN
8/2007	Eradication of <i>Pseudomonas aeruginosa</i> in Cystic Fibrosis, UAB Pediatric Pulmonary Conference, Birmingham, AL
9/2007	Eradication of <i>Pseudomonas aeruginosa</i> in Cystic Fibrosis - A Protocol Based Approach in the Asymptomatic Child, UAB Pediatric CF Update Conference, Birmingham, AL
2008-present	Assessment and Management of Status Asthmaticus, UAB Department of Pediatrics Resident Conference, Birmingham, AL
9/2008	Diagnostic Testing in Cystic Fibrosis, UAB Pediatric Center Provider Education Day, Children's Hospital of Alabama, Birmingham, AL
9/2008	Infant Pulmonary Function Testing - Initiation of UAB Infant Lab, Pediatric Pulmonary Conference, Birmingham, AL
5/2009	Early Detection of Pulmonary Function in Infants with CF, UAB Pediatric CF Update Conference, Birmingham, AL
5/2009	Non-allergic Complications of Aspergillosis in Cystic Fibrosis, Mississippi River Valley Regional Pediatric Pulmonary Teleconference, Birmingham, AL
2009-present	Medical Complications of Cystic Fibrosis, UAB Department of Pediatrics Resident Conference, Birmingham, AL
2/2011	MRSA: Looking Forward, UAB Pediatric CF Center Provider Education Day, Children's Hospital of Alabama, Birmingham, AL
2/2012	Case Presentation: Endobronchial Pulmonary Aspergillosis and Subglottic Aspergilloma in Cystic Fibrosis, Mississippi River Valley Regional Pediatric Pulmonary Teleconference, Birmingham, AL
5/2012	Eradication of Bacterial Pathogens in Cystic Fibrosis, UAB Pediatric CF Update Conference, Birmingham, AL
2012-present	Cystic Fibrosis: A clinical perspective, Expert Guest Lecturer to Undergraduate Psychology Class at UAB, Birmingham AL

**Major Presentations:**

8/2006	Attenuation of Airway Responsiveness in Pak-1 KO Mice, Young Investigators Forum in Respiratory and Critical Care Medicine 2006 - Hyatt Harborside - Boston, MA
3/2006	Attenuation of Airway Responsiveness in Pak-1 KO Mice, Midwest Society of Pediatric Research 2006 - Indianapolis, IN
5/2007	Genetic Deletion of Pak1 Attenuated Airway Responsiveness and Inflammation in Allergen Sensitized Mice, Oral Thematic Session Poster Presentation ATS 2007 - San Francisco, CA
10/2009	Reorganization of the Annual Visit Improves Clinical Efficiency and Satisfaction of Team, Patients and Families, North American Cystic Fibrosis Conference, Minneapolis, MN

- 10/2010 Comprehensive Pulmonary Care, Workshop Session Co-Moderator, North America Cystic Fibrosis Conference, Baltimore, MD
- 5/2013 Coughing and Kids: When it is Not Just Asthma. Alabama Department of Health: Satellite Broadcast and Live Webcast. Montgomery, AL

**MENTORING:****Pediatric Residents:**

- Tom Ireland, MD (Pediatrics), 2010-2012
- Brett Turner, MD (Pediatrics), 2011-2013; Sponsor - Awarded 2011 NACFC Pediatric Resident Roundtable Travel Grant
- Joanna Kaczmarek (Pediatrics), 2012-2013

**Pediatric Pulmonary Fellows:**

- Patrick Maeng, MD (Pediatric Pulmonology), 2009-2011; Sponsor, Pediatric Fellows Grand Rounds NACFC 2009 – Guinea Pig (*Cavia porcellus*) as a Vector of Fungal Disease in CF; Accepted position in Private Practice – Fort Myers, FL
- William Sasser, MD (Pediatric Critical Care), 2010-13; Sponsor, Pediatric Fellows Grand Rounds NACFC 2010 – Positive sweat chloride in an eight year old leading to newly diagnosed endocrinopathy and gastric cancer; Appointed as Faculty at UAB
- Grace Houser, MD (Pediatric Pulmonology), 2010-2013; Awarded Dixon Fellowship; Appointed as Faculty at University of Colorado
- Ammar Saadoon, MD (Pediatric Pulmonology), 2012-present
- Jessica Brown, DO (Pediatric Pulmonology), 2012-present
- Kimberly Hartzell, MD (Pediatric Pulmonology), 2012-present
- Brett Turner, MD (Pediatric Pulmonology), 2013-present
- Matt Kreth, MD (Pediatric Pulmonology), 2013-present

**Ph.D. Candidate:**

- Heather Sutphen, RD UAB, Doctoral Candidate in Nutrition Sciences (PhD Dissertation Committee Member and Clinical Research Advisor) June 2011-2012; Prevention of *Pseudomonas aeruginosa* infection with probiotic supplementation in infants diagnosed with Cystic Fibrosis through newborn screening.

**Graduate Students:****McWhorter School of Pharmacy, Samford University**

- Andrea Gerwin, PharmD, 2009; NACFC Poster Presentation, "*Pseudomonas aeruginosa* eradication in cystic fibrosis: A retrospective review."
- Melissa Merriss, PharmD, 2010; NACFC Poster Presentation, "*Burkholderia cepacia* eradication in cystic fibrosis patients: A retrospective review."

**UAB Pediatric Pulmonary Center**

- Julianna Bailey, RD, 2010-2011; Thesis Committee Member; NACFC Poster Presentation, "Predictors of Vitamin D Insufficiency in Pediatric Patients with Cystic Fibrosis."

**MAJOR RESEARCH INTERESTS**

*My clinical research objectives are focused on cystic fibrosis disease outcome measurement and improvement specifically related to early detection and prevention of respiratory infection, treatment of difficult or resistant lung infections and the design and implementation of clinical initiatives intended to improve the quality and value of clinical care, which ultimately results in longer survival.*

**CURRENT RESEARCH SUPPORT:**

GU-US-205-170 (Hoover)	12/26/2012 – 12/25/2013	0.6 CM (5%)
Gilead Pharmaceuticals		\$48,731

Title: CAT – A Phase 3 Randomized, Double-Blind, Placebo-Controlled, Multicenter Study of Aztreonam Inhalation Solution in Continuous Alternating Therapy Regimen of Inhaled Antibiotics for The Treatment of Chronic Pulmonary *Pseudomonas aeruginosa* Infection in Subjects with Cystic Fibrosis.

The main purpose of this study is to evaluate the efficacy of adding inhaled aztreonam to alternate month inhaled tobramycin to improve health and reduce pulmonary exacerbations in individuals with CF and chronic *Pseudomonas* infection.

T1109-060-032 (Hoover) 2/1/2011 – 1/31/2013 0.6 CM (5%)

Cystic Fibrosis Foundation – Seattle Children's Hospital \$24,703

Title: Baby Observational and Nutritional Study (BONUS-IP-11)

The main purpose of this study is to define growth in infants with CF in the first year of life with research quality precision and understand factors that interfere with good growth..

T72MC00001-2002 (Hoover) 7/01/2010 – 6/30/2015 2.4 CM (20%)

Human Resources and Service Administration \$370,233.00

Title: Pediatric Pulmonary Center (PPC)

The main goals of this project are to provide infrastructure and training support to graduate level trainees in the field of medicine, nursing, nutrition science and social services in the practice of pediatric pulmonary medicine. A specific aim is the development of leadership and education skills.

Role: PI

T1102080047 (Hoover) 9/01/2011 – 8/31/2013 0.6 CM (5%)

Cystic Fibrosis Foundation – University of North Carolina \$56,000

Title: Early MRSA therapy in CF - culture based vs. observant therapy (STAR-Too)

The goal of this multi-center observational study is to prospectively evaluate the treatment and outcome of individuals with CF acutely infected with MRSA randomized to an outpatient eradication protocol or usual therapy.

Role: Site PI

CFF C001-13 (Gutierrez) 07/01/13 – 06/30/14 1.8 CM (15%)

Cystic Fibrosis Foundation \$133,730

Title: *Cystic Fibrosis Foundation for Care, Teaching, and Research*

The main goals of this project are to provide funding and infrastructure for support of care, education and clinical research supporting patients with cystic fibrosis.

Role: Co-Investigator

CLANCY09YO (Rowe) 12/01/02 – 12/31/13 2.4 CM (20%)

Cystic Fibrosis Foundation Therapeutics\* \$144,613

*UAB Cystic Fibrosis Translational Development Center*

The main goals of this project are to provide funding and infrastructure for support of Phase I and Phase II clinical trials in Cystic Fibrosis patients through the Therapeutic Development Network.

Role: Co-Investigator

## COMPLETED RESEARCH SUPPORT:

UNC-CH (Hoover) 9/01/2008 – 5/30/2013

Cystic Fibrosis Foundation – University of North Carolina

Title: Characterization of MRSA Infection and Colonization in CF

The goal of this multi-center observational study is to prospectively evaluate the treatment and outcome of individuals with CF acutely or chronically infected with MRSA.

Role: Site PI

UNC #5-41059 (Hoover) 3/01/2009 – 9/30/2012

Cystic Fibrosis Foundation – University of North Carolina

**Title: Infant Study of Inhaled Saline (ISIS)**

The goal of this Study phase III multi-center study is to evaluate the efficacy and tolerability of inhaled 7% hypertonic saline in infants with CF.

Role: Site PI

Inspire Pharmaceuticals (Clancy) 06/2009-01/2011

Denufosol Tetrasodium Solution for Inhalation for Treatment of Cystic Fibrosis.

This study is a multi-center industry sponsored phase 3 trial investigating the effect of denufosol tetrasodium on respiratory health in patients with cystic fibrosis.

Role: Site Co-PI

NIH T-32 (Hoover) 7/01/2005 – 6/30/2007

Indiana University T-32 Training Program

Title: Attenuation of Inflammation and Airway Responsiveness in Pak1 KO Mice

Provides salary support and training support to fellows pursuing physician scientist training.

Role: PI
