

# Did You Know?

By properly acknowledging the support associated with the [Rheumatic Diseases Core Center \(RDCC\)](#) and the [Center for AIDS Research \(CFAR\)](#) in your publications, you are helping the [Comprehensive Flow Cytometry Core \(CFCC\)](#) to provide the best support to your work.

## How to properly cite the core in your publications?

1. Please include the proper grant support including the grant # associated with the below two grants:

**NIH P30 AR048311 (RDCC, PI: John D. Mountz, MD, PhD)**

**NIH P30 AI27667 (CFAR, PI: Michael S. Saag, MD)**

2. Please include the two NIH grant numbers when you submit your accepted/published manuscript to NIHMS.
