Bachelor of Science in Nursing
Spring 2024 Cohort
BSN Student Checklist – SPRING 2024

**BSN Program Admission**

- Complete and sign the BSN Acceptance Form by **November 3, 2023, at noon CST.**
- Download and read the Spring 2024 BSN Admission Packet from the School of Nursing website.

**Required Events**

- Create your ATI testing account and prepare for the TEAS assessment that will be administered during the BSN Information Session on **Tuesday, November 7, 2023, at 8:00 am CST.**
- Participate in the Spring 2024 **BSN Information Session**, **Tuesday, November 7, 2023, 8:00 am to 3:30 pm CST.** *This is a required event.* Lunch will be provided. Requests for a participation exception must be emailed to Dr. Jennie Alspach (TEAS, 8:00 am - noon) or Ms. Crimsynn Dover (informational meeting, 1:00 pm - 3:30 pm) by **October 31, 2023.**
- Participate in the **mandatory** BSN Orientation on **January 3-4, 2024, 8:00 am to 4:00 pm CST.** Additional information about orientation will be provided as soon as it is available.

**Trainings & Medical Clearance**

- Begin locating your immunization records immediately. This online packet explains the immunization records required to comply with Level 3 immunizations for clinical students (including the required health history form and immunization form). All immunization records must be uploaded into the UAB Student Health and Wellness patient portal.
- Complete a School of Nursing acceptable CPR Certification by **January 5, 2024.**
- Complete the Background Check and Drug Screen when instructed to do so by email.
- Complete your OSHA training when instructed to do so in this packet.
- Complete your HIPAA training when instructed to do so in this packet.

**Equipment & Uniforms**

- Order uniforms from Read’s Uniforms. Your assigned date to try on uniforms is included in this packet.
- Order additional required equipment (Stethoscope, Lab Kit).

**Holds & Registration**

- Resolve all financial, administrative, or academic holds. You cannot register for spring nursing classes until all your holds have been resolved.
- Register for Spring 2024 courses. The included Program of Study lists the classes you will register for each semester of nursing school. You do not need to worry about class times. These are not visible online. Your directors will provide times to you before each term. You will register yourself in nursing courses for spring semester after you participate in the BSN Information Session and resolve all School of Nursing holds on your account. A registration guide is included in this packet.
- Send final official transcripts to the UAB Office of Admissions by **Friday, January 5, 2024.** *Please do not send official transcripts to the School of Nursing.* If you expect any delay in the arrival of your transcripts, contact Crimsynn Dover at cdover@uab.edu.

**Miscellaneous**

- Transfer students new to UAB this semester (without a bachelor’s degree) must complete a UAB Transfer Orientation. [https://www.uab.edu/admissions/orientation/transfer-non-traditional](https://www.uab.edu/admissions/orientation/transfer-non-traditional)
- Use the included additional resources guide to get student parking, your UAB One Card, on-campus or off-campus housing, and inquire about financial aid and scholarships.
- Complete the Approved School Activity Form if applicable (for school-sponsored events - band, athletics, etc.).

Welcome to the UAB School of Nursing (SON)!

We look forward to seeing you in-person on campus in NB 1052 on November 7 at 8:00 am for the TEAS assessment. The ATI TEAS, or Test of Essential Academic Skills, is a standardized test designed to assess a student's preparedness for entering the health science field. Questions are designed to test the basic academic skills you will need to perform successfully in the areas of Reading, Math, Science, and English and Language Usage.

Your result from the TEAS is not used as admissions criteria, nor does it impact your standing in the nursing program. The SON uses the TEAS data to support your academic success. There will be a required self-paced remediation program to complete before the first day of class. You will work through five modules one by one, asynchronously alongside an ATI Educator for up to 6 weeks. The ATI Educator will assess your knowledge and provide a personalized study plan. Once you have completed all modules, you will be ready to launch into your nursing academic journey. You will receive a separate email with details regarding the remediation after the November 7 assessment.

The ATI TEAS assessment comprises 170 questions that are formatted as multiple-choice items with four answer options and alternate-type items. You will have 3.5 hours to complete the assessment. In preparation for the assessment, you must set up your ATI account with the UAB School of Nursing. Instructions are included below. Make sure that you are using Google Chrome or Firefox as your browser. Please see the additional details when creating your account:

• Email address: Use your "uab.edu" email address
• Institution: UAB SON Birmingham
• Expected Graduation Date: 08/01/2025
• Leave Student ID, Credentials & Non-degree seeking blank

We encourage you to use the free assessment preparation resources to get the best snapshot of your academic skills. Use the following link (https://atitesting.com/teas/teas-prep/free-teas-practice-test) to access a free TEAS practice test. Print your practice test results and bring them as your "ticket" into the proctored in-person assessment on November 7. There is also a mobile app available with 80 additional practice questions (free version) https://atitesting.com/teas/teas-prep/ati-teas-mobile-app.

Please contact Dr. Alspach at jalspach@uab.edu if you have any questions or concerns. If you have previously taken the TEAS assessment within 12 months, then you may forward the assessment results, not the transcript, to Dr. Bumpus at jgriff@uab.edu. Students with evidence of TEAS completion within 12 months will not be required to retake the TEAS assessment.

Sincerely,

The SON Student Success Champion Program

Dr. Jennie Alspach, Director

Mrs. Rachael Bruce, Coordinator

Dr. Jessica Bumpus, Coordinator

Dr. Laketa Huddleston-Pettiway, Coordinator
**HOW TO CREATE A NEW ACCOUNT**

If you are not a current user on www.atitesting.com, you must create a new account to access the student portal or to make a purchase from ATI's online store. Follow the steps below to create a new account.

1. From the atitesting.com home page, click **Create Account**.

   The Sign In Info page displays.

2. On the Sign In Info page, enter the account information that you will use to sign in to your account or to recover your account.

   You must enter valid information into all the fields on this screen before you can proceed.

   If your entry is not accepted, an error message similar to the one pictured below will display.

   ![Username required error message](image)

   Reenter your information. When your entry is accepted, the message will disappear.

3. After you have entered all your account information, click **Continue** to go to the Security Questions page.

4. On the Security Questions page, select three different security questions, one from each list and enter your answer for each. Be sure to record your questions and answers for your future reference, in case you need to recover your account or you cannot remember your password.

   Click **Continue** to enter your personal information.
On the Personal Info page, enter your contact information. The following fields are required:
- First Name
- Last Name
- Address 1
- City
- Country
- State/Province
- ZIP/Postal Code
- Mobile Phone

Click **Continue** to enter your Institution information.

On the Institution Info page, select an Institution from the list and if you are seeking a degree, enter a date in **Expected Graduation Date**. All other fields are optional.

Click **Continue** to enter your Demographic Info.

On the Demographic Info page, enter your **Gender**, **Birth Date**, **Race**, and **Primary Language** information. Only **Birth Date** is required.

Click **Continue** to go to Subscription, Updates & Notes.
On the Subscription, Updates & Notes page, read the Subscription, Updates & Notes information.

If you agree to allow ATI to share your information under the terms presented on this screen, select the **Yes, I consent** check box.

Click **Continue** to go to User Terms and Conditions.

On the User Terms and Conditions page, read the information under User Terms and Conditions.

Then select the **Yes, I Agree** check box to acknowledge that you have read the ATI User Terms and Conditions and agree to be bound by them.

Click **Previous** if you want to change any of the information you have entered for your new account.

Click **Register** when you are finished creating your account.

The Welcome to ATI window displays.

- Click **Get oriented to ATI as a student** to view orientation videos.
- Click **Sign In** to go directly to the student portal. (Skip the next step.)
How to Create a New Account

A number of videos are available to help you get started. Click the Red Arrow icon to display titles to introduce you to ATI.

Click the video window to start a video. When you are finished viewing the videos, click Sign In.

Note: All the introductory videos, as well as other resources, are available on the HELP tab on the student portal.

Enter your Username and password and then click Sign In.

The Home page for the Student portal displays and your new Username displays in the upper right corner.
Before you register in nursing courses for spring semester, you must upload a number of medical records in the UAB Student Health and Wellness Patient Portal. Students can access the Patient Portal from the right-side navigation on their BlazerNet homepage.

Please begin locating your medical records immediately to help determine if you need to initiate immunizations to comply with our program requirements. Some immunizations take time to complete. Any instance of an incomplete immunization prior to school starting may prohibit you from attending clinicals.

BSN students are required to satisfy the Level 3 Immunization requirements for clinical students. [https://www.uab.edu/students/health/medical-clearance/immunizations/level-3](https://www.uab.edu/students/health/medical-clearance/immunizations/level-3)

All immunization records and forms must be uploaded in the Patient Portal on the UAB Student Health and Wellness website. If you have questions about what documentation is required, please submit your questions to the UAB Student Health and Wellness Office while you are logged into their Patient Portal.

The following four pages include the Student Health and Wellness Health History Form and the Student Health and Wellness Immunization Form for clinical students that must be completed by your health care provider during your physical.

The UAB School of Nursing requires all students admitted to the BSN program for Spring 2024 to be CPR certified by **January 5, 2024**.

**The only CPR certification that will be accepted is the AMERICAN HEART ASSOCIATION Heartcode®BLS Online.**

We recommend you earn your CPR certification as soon as possible, but we realize that due to COVID-19, options for completing the CPR class can be somewhat limited. We encourage you to check and see if the American Heart Association is offering BLS for Health Care Providers in your area. As more businesses and organizations reopen, we expect that the CPR offerings will become more available.

If you choose to take an online American Heart Association BLS for Healthcare Providers CPR Course, you must complete both components that make up certification: the online portion and the hands-on skills portion.

**Part 1: How to register for the online course**

1. Go to [https://shopcpr.heart.org/heartcode-bls](https://shopcpr.heart.org/heartcode-bls).
2. This screen shows **Heartcode®BLS ONLINE** (Price: $34)
3. Under “Audience” the description reads: 
   “This course is designed for healthcare professionals and other personnel who need to know how to perform CPR and other basic cardiovascular life support skills in a wide variety of in hospital and pre-hospital settings”
4. Please enter an ACCURATE EMAIL.
5. The system will guide you through the registration process and through completing the online course to receive your certificate.

**Part 2: How to register for the hands-on skills session**

**TURN TO PAGE 14 TO REGISTER FOR UAB SCHOOL OF NURSING’S SKILLS SESSION**

**or follow the instructions below to find an in-person skills session near you**

A separate psychomotor skills assessment using voice assisted manikins with real-time audio and visual feedback OR a skills assessment with an AHA Instructor is required to earn a valid AHA BLS Provider eCard that is valid for two years.

6. Go to [https://atlas.heart.org/home](https://atlas.heart.org/home).
7. Enter your location (or zip code) in the search box “Provide your Location” and click “Find a Class”. This will show a list of courses.
8. To filter to the correct BLS Provider training that pairs with your online learning session (part 1):
   a. Click the checkbox beside “BLS” under “Courses” to the left.
i. Click the drop down arrow beside BLS and make sure only BLS Provider is checked.

b. Click “Blended Learning” under “Class Format”. (THIS IS IMPORTANT)

c. *Distance and Class Date at the top of the screen may need to be adjusted to find an available class.

d. You can enroll from this screen. Location contact information is provided if you have questions.

Upon completion of the exam and skills check off, you will receive a BLS card sent to the email address you provided. **This proof of CPR certification (electronic card example below) must be emailed to Ms. Pat Little, at plittle2@uab.edu, by January 5, 2024.**

Please save your electronic card (eCard) so you will always have it available.

If you took an AHA class, you can look up your e-card at the link below: [https://ecards.heart.org/student/myecards?pid=ahaecard.employerStudentSearch](https://ecards.heart.org/student/myecards?pid=ahaecard.employerStudentSearch)
Welcome to HeartCode® BLS!

The HeartCode® BLS Course has two components: An online portion and an instructor-led classroom portion. You must complete the online portion first.

1. 1st complete an AHA sponsored online module ($34.00) includes an exam.
2. 2nd perform your skills checkoff ($35) at the UAB School of Nursing.

Skills session will be held at the School of Nursing **December 5th 9a-10a, 1p-2p** **December 7th 9 -10a, 1-2p**

IT IS IMPORTANT THAT YOU READ CAREFULLY AND FOLLOW THE INSTRUCTIONS!

Part 1: Registering for the BLS Online course:

1. Follow the instructions on the CPR Certification form (page 12 of this packet).

Part 2: How to register for the BLS Hands-on session/Skills checkoff held at the UAB SON.

2. Select one of the sessions to register for. Cost is $35 and space is limited. PLEASE NOTE THE DATE and TIME you selected!
3. You will receive an email confirmation within 48 hours or so with further instructions and if you do not receive this confirmation, please email ahason@uab.edu
4. You MUST present your online course completion certificate PRIOR to skills checkoff. If you do not have your certificate of completion, you will not be able to complete the skills practice and testing of the course. This is required by AHA and there are no exceptions.
5. Allow at least 1.5 hours for the checkoff session.

AFTER COMPLETION OF PARTS 1 and 2:

1. You will receive your BLS card within 72 hours to the email address you provided, **If you are a nursing student, you must SEND A COPY to Pat Little plittle2@uab.edu**, within the Office of Student Success for your student records. You are responsible for making sure this is completed. Everyone must check their email for the eCard including spam and junk email.
2. Please save your Electronic Card (eCard) so you will always have it available. Replacement cards are $20. Email ahason@uab.edu for a replacement card.

Plan to wear loose, comfortable clothing. You will be practicing skills that require working on your hands and knees, bending, standing, and lifting. The instructor will work to accommodate your needs within the stated course completion requirements. Please contact ahason@uab.edu for questions or problems.

***No refunds will be offered, only makeups for extenuating circumstances.***
All BSN students in the School of Nursing are required to consent to and pay for a criminal background check and urine drug screening at least once per year.

You will receive an email (sent to your UAB.EDU email address) requesting you to complete a background check. The email will come from UABSchoolofNursingBSNBasic@screening.services, Global HR Research. The cost of the background check is $92.

Approximately 24 hours after you order and pay for your background check, you will receive an email from OTSWEBAPP@Labcorps.com, LabCorp. This email will contain your registration number to complete your drug screening.

The deadline to complete both the background check and the drug screening is 10 business days from the date of the first background check email you are sent, unless you are notified of a change in the deadline. It is recommended that you order and pay for your background check within 3 days of receiving the email from UABSchoolofNursingBSNBasic@screening.services.

Please remember your UAB email account is one of the official forms of communication for UAB. If your UAB email account is forwarded to another email account, please be aware that important emails may be filtered into your junk, spam, or other folder. You are responsible for checking your UAB email. Any correspondence missed because you forwarded your UAB email to a different email account (Yahoo, Gmail, etc.) will not excuse you from complying with these requirements.

During this process, either company may attempt to reach out to you by phone. Please answer all calls until this process is complete, as the testing centers may need additional information from you.

Please Note: Missing these important deadlines may jeopardize your seat in the program. The School of Nursing may rescind your admission offer for BSN study if you fail to comply with these requirements. Please be diligent and complete the background check and drug screening requirements in a timely fashion.

Staffing and supply shortages have increased the wait time on the return of your background check/drug screen results to UAB Nursing Student Success. The hold on your account will be removed as soon as we have clearance from GHRR. Please know that there is a seat available for you to register in your spring classes. We request your continued patience and understanding in this process.

BSN Uniform Information

**Uniforms**

All new BSN students must order their official uniforms from Read’s Uniforms in Birmingham, Alabama. New BSN students will be assigned a date to visit their store in Birmingham to be fitted for uniforms. Their address is **608 23rd Street South, Birmingham, AL 35233**. The uniforms take at least 4-6 weeks to arrive because they must be embroidered.

Your fitting date is on the next page. You can visit the store at any time on your date. **Local students are expected to visit the store on their assigned date or one of the make-up dates.** Students not in Birmingham may follow the recommendations from Read’s Uniforms.

You must purchase at least the following items from Read’s Uniforms:

- 2 sets of scrubs
- 1 lab coat
- 1 polo shirt

Approximate cost for the required uniform components is around $250, depending on sizes and items you purchase. The approximate cost includes two sets of scrubs, one lab coat, one polo shirt, embroidery, and taxes. If additional items are purchased additional charges will apply.

Some students decide to order a scrub jacket to wear over their scrubs for warmth. The purchase of a scrub jacket is not required. However, if you purchase a scrub jacket, it must be appropriately embroidered the same as the scrub tops and the lab coat.

**The uniform tops, the lab coat, the polo shirt and scrub jacket (if ordered) MUST HAVE THE PROPER EMBROIDERY. Read’s Uniforms will know how the embroidery should be handled.**

All students beginning nursing courses in Spring 2024 must have their uniforms by the first day of spring semester, January 8, 2024. If you have additional questions, please contact Read’s Uniforms for assistance by calling 205-252-8654. Read’s will notify you when your uniforms are ready for pick-up at their store location at 608 23rd Street South in Birmingham.

**Shoes**

Students must have shoes for clinicals that meet the UAB SON dress code. Leather or vinyl shoes (black, white or brown) are required for the uniform (scrubs) and the alternative uniform (polo). Additional information concerning dress code will be provided at your information session. Please direct questions regarding the required uniform or shoes to Dr. Dana Mitchell (dcmitchell@uab.edu).
Congratulations on being accepted to UAB nursing school!

We look forward to working with you and getting you your scrubs. All uniforms must be purchased from Read’s Uniforms due to embroidering copyright.

**Local Students:**
We will have a room open in our store just for UAB students. You will try on the scrubs, lab coat, and polo and we will make sure everything fits appropriately based on the UAB Instructor’s guidelines. You will order and pay for your scrubs that day. (Cash, Check, or Credit Card)

Please come to our store on your assigned date based on your last name.

A - C – Monday, Nov. 13
D - G – Tuesday, Nov. 14
H - K – Wednesday, Nov. 15
L – Q — Thursday, Nov. 16
R - Z – Friday, Nov. 17

Read’s Uniforms (LeJoy Uniforms is written on the side of the building)
608 23rd Street South
Birmingham, Al. 35233

Open from 8:30am – 5:00pm

*If you cannot make it on your assigned day, we will be open Monday, November 20 and Tuesday, November 21 for make-up try on days.

**Out of Town Students:**
We want to try to make sure you have scrubs you can try on before they are monogrammed. With that being said, please email bham.manager@readsuniforms.net with your name, phone number, and zip code of where you live. Students living within 60 miles of Birmingham, will be asked to still come into the store. We will email you back with a local store that should carry the items you will need and instructions with how to proceed with what styles to try on and how to call back and order.

*Orders placed after Monday, November 30, are not guaranteed to be ready before the beginning of the semester.

Thank you!

facility with anyone.

4. Do not identify patients by name or post or publish information that may lead to the identification of a patient. This includes any information about the patient: name, age, gender, diagnosis, room number, admission date, discharge date, date of birth, or death, date of care or anything else.

5. Never refer to patients in a disrespectful/negative manner, even if the patient is not identified.

6. Do not take photos or videos of patients on personal devices, including cell phones.

7. Maintain professional boundaries in the use of electronic media. As with in-person relationships, the nurse has the obligation to establish, communicate and enforce professional boundaries with patients in the online environment. Use caution when having online social contact with patients or former patients. Online contact with patients or former patients blurs the distinction between a professional and personal relationship. Patient initiated contact requires the student to reinforce professional boundaries. Students are encouraged to seek guidance from faculty to manage this type of concern.

8. Do not post any information with reference to your clinical experiences, clinical agencies, and/or clinical issues. Do not make disparaging remarks about the institutions or people you encounter at UAB and other clinical partners.

9. Promptly report any identified breach of confidentiality or privacy to your instructor and lead teacher.

10. Be aware of and comply with facility policies regarding use of employer-owned computers, cameras, and other electronic devices and use of personal devices in the workplace.

7.6g Prelicensure Student Dress Code Policy

Policy

Professional attire and appearance are an expectation of University of Alabama at Birmingham School of Nursing (UABSON) students. The pre-licensure dress code policies are in effect for all students unless they conflict with the policies of the individual agency where students are assigned; then the individual agency policies supersede those of UABSON. Students who violate this policy are subject to disciplinary action.
UAB School of Nursing (UABSON) Approved Prelicensure Uniform:

1. The UABSON prelicensure nursing uniform consists of SON-approved green pants and top, white, brown, or black pantyhose/stockings or white, brown, or black socks (crew-style or higher), clean, white, solid dark brown, or solid black, low heeled, closed-toe, closed-heel, non-slip, soft-sole, nonpermeable, leather or vinyl shoes, and UAB student photo identification name badge. If a dress or skirt option is selected, the length must be below the knee and worn with white, brown, or black pantyhose/stockings.

2. For warmth, a short or long sleeve, at or above the wrist, solid white shirt (crew or V-neck) may be worn under the uniform top. Students may wear a short, green scrub jacket. The jacket must be the same color as the uniform and have the UABSON brand.

3. Lab coats are to be worn over the uniform while walking to and from the clinical unit.

4. The UABSON alternative uniform consists of SON-approved green polo shirt, with UAB student photo identification name badge, and navy or khaki full-length pants covering the ankle. Clean, white, solid dark brown, or solid black, low heeled, closed-toe, closed-heel, non-slip, soft-sole, nonpermeable, leather or vinyl shoes must be worn with the alternative uniform. Solid white, brown, or black colored socks (crew-style or higher) must be worn.

5. Shoes must be impermeable to liquids. Crocs or similar shoes that have holes in the top are not permitted. Open-toed sandals, thongs, clogs, boots, canvas sneakers or mesh-covered shoes are not permitted.

6. The UABSON brand must be embroidered on the green uniform top and approved polo shirt. If student chooses to wear a green scrub jacket it must also be embroidered with the UABSON brand.

7. The UABSON brand and student name must be embroidered on the lab coat.

General Grooming:

1. All attire for any clinical/ lab experience must be clean and wrinkle free. Shoes should be clean and in good repair.

2. Hair must be neatly groomed and clean. All hair must be pulled back away from the face. Hair must be worn above the collar. If hair is longer than collarbone length, it must be completely secured with an inconspicuous clip or hair tie. Hair should not obstruct face or interfere with patient care. Hair that is secured (e.g. lengthy ponytail) should be fully secured so that it does not come into contact with patient, unit work areas, medications, food, or patient equipment. Headbands can be worn and must be solid black, solid white, solid grey, or solid brown in color and no wider than two inches. No other head wear
permitted. No extreme or unnatural colors (such as, but not limited to, red, blue, green, purple) will be permitted. Exposed facial hair greater than ¼ inch that interferes with proper fit of facial mask, or interferes with patient care, is prohibited. Religious head wear or facial hair is permitted.

3. Fingernails must be clean, neatly trimmed, and should not extend beyond ¼ inch from the tips of the fingers. No nail polish, artificial or gel nails/tips, or glued decorations may be worn.

4. Jewelry: Maximum of two earrings in each ear (stud diameter not past the ear lobe and not greater than ¼ inch in diameter or hoop earrings that maintain complete contact with the ear lobe are permitted). Earrings should be of a plain design without bright colors (e.g. plain silver stud or hoop). Earrings are only allowed in the helix cartilage or lobe of the ear. Dangling earrings and ear stretching items are not permitted. Facial jewelry other than earrings are prohibited but can use skin-colored/clear plugs or retainer in place of jewelry to camouflage piercing. A second-hand wristwatch, approved by UABSON, is required for all clinical activities. No wearable smart technology is allowed in clinical or lab. One plain band on one finger may be worn during clinical. The Sigma Theta Tau membership pin, UABSON Lamp of Learning pin, clip on Fitbit/pedometer, and/or medic-alert jewelry may be worn or pinned to your uniform. No other visible jewelry may be worn in the lab/clinical setting (e.g. bracelets, wrist Fitbits, and necklaces).

5. Visible tattoos should be covered, if possible, at all times in the clinical and lab settings.

6. Personal hygiene (such as bathing/showering and dental/oral hygiene) should be maintained to avoid odors that interfere with patient care. Strong odors of any kind are not permitted including perfume, cologne, after-shave, scented lotion, food, and smoke. Make-up, if worn, must be applied in moderation to promote a professional appearance.

7. Undergarments may not be visible and must always provide appropriate coverage.

Identification:

1. The UABSON approved uniform includes the UABSON brand embroidered on the green uniform top and approved polo shirt.

2. The UAB student photo identification name badge is required for all clinical and lab experiences. This name badge must be always visible and secured with a badge clip to the uniform and not with a lanyard. There should be nothing covering the picture or name. The picture and name should be always facing out. The name badge should be worn at shoulder level on the uniform top or approved polo shirt.
3. The uniform is to be worn only for approved school-related activities. UABSON uniforms cannot be worn for external employment or shadowing in any healthcare setting.

**Hospital Clinical and Lab Experiences:**

Refer to #1 under UAB School of Nursing (UABSON) Approved Uniform. Additionally:

1. The uniform and lab coat should be clean and wrinkle free.

2. Shoes must be impermeable to liquids. Crocs or similar shoes that have holes in the top are not permitted. Open-toed sandals, thongs, clogs, boots, canvas sneakers or mesh-covered shoes are not permitted.

3. Refer to general grooming and identification requirements.

4. The SON approved white lab coat with the UABSON brand and the student’s name must be worn to and from all clinical experiences or as directed by course faculty.

5. Alternative dress may be worn as directed by course/lab faculty.

**Professional Dress during Non-Hospital Based Experiences:**

1. The UABSON alternative uniform is considered professional dress for all non-hospital-based experiences unless otherwise directed by course faculty. Refer to #4 under UAB School of Nursing (UABSON) Approved Uniform.

2. Refer to general grooming and identification requirements.

**Additional Information:**

1. It is the responsibility of the faculty to enforce the dress code.

2. Students who fail to comply with the dress code may be dismissed from the clinical site and receive a professionalism domain violation or a failing grade for the clinical. The incident will be documented in the student’s clinical evaluation.

3. Students with special uniform needs related to cultural or religious requirements should seek guidance from the program director before purchasing uniforms. Accommodations may be made for the students cultural or religious obligations.
Welcome to nursing school! We look forward to seeing you in the UAB School of Nursing Competency Labs. Below, you will find important information about the supplies you will be using in lab and clinical experiences.

**Latex Allergies**

Students with latex allergies are responsible for providing physician documentation of the allergy 4 weeks prior to the semester start. Documentation should be sent to [SONsimulation@uab.edu](mailto:SONsimulation@uab.edu). If you do not contact us at least 4 weeks prior to semester start, we may not have the appropriate supplies for you.

Email: [SONsimulation@uab.edu](mailto:SONsimulation@uab.edu)

**Questions?**

Send any questions to [SONsimulation@uab.edu](mailto:SONsimulation@uab.edu)

**Skills Supplies Packages**

A skills supplies package is required for coursework.

This purchase includes much more than the initial contents. Additional components, including medication administration supplies, advanced lab equipment, and other items will be distributed throughout subsequent semesters. A list of these supplies will be provided when you receive the skills supplies package.

**COST:**

The cost of a skills supplies package is $225. Payment will be made online by using the provided link.

Skills packages must be purchased new.

![The link to purchase will open Friday, December 1, 2023, and will close on Monday, January 15, 2024, at 7:00AM.](https://tinyurl.com/CompetencyPack)

**Stethoscopes**

Students are required to have a dual head stethoscope with a diaphragm on one side and a bell on the other side. **Stethoscopes are not included in the skills supplies package and must be purchased separately.**

If you already have a dual head stethoscope that you can hear well with you do not need to purchase a new one.

Students may purchase a stethoscope through Redding Medical, a School of Nursing partner. Ordered stethoscopes are delivered to the School of Nursing and distributed to students in the first week of lab. **Students are not obligated to purchase from this company.**

See the attached information sheet.

---

Stethoscopes MUST be ordered from Redding Medical by December 15, 2023

Registration Instructions

UAB uses BlazerNet to make registering for courses easy. Use the following instructions to register for your upcoming classes.

1) Sign in to your BlazerNet student portal.  [www.uab.edu/blazernet](http://www.uab.edu/blazernet)
2) Click on the Registration button on the top banner.

   a. The Time Ticket section tells you when you are allowed to register for classes for the upcoming semester.
   b. The upcoming term(s) will be listed with any holds or other issues that may prevent registration.

3) Click Look Up Classes. Choose the correct term and click Submit. Click Advanced Search.

4) Choose NUR-Nursing from the scrolling Subject list. Click Advanced Class Search. This will list all courses offered in the School of Nursing that you need for the BSN program.

5) You will scroll through the list, clicking the left side checkbox for one section of each course on your Program of Study for that term.
   a. For example, your first semester (Spring 2024) requires you enroll in
      i. NUR 310, Concepts of Professional Nursing
      ii. NUR 311L Nursing Skills Development I
      iii. NUR 312L, Health Assessment Across the Lifespan
      iv. NUR 313L, Concepts of Professional Nursing Practicum
      v. NUR 315, Population Focused Health Care
vi. NUR 318, Pathophysiology
   b. You will choose one section (one checkbox) for each of these courses to complete your Fall 2023 schedule.
   c. If there is a “0” in the “Rem” (i.e., remaining seats) column, you will not be able to enroll in that section and should choose another section of the same course for registration.

6) Once you have chosen the checkboxes for all courses on your Program of Study upcoming semester, you will click **Register** at the bottom of the screen. Read the **Registration Message** and click **Continue** if you agree.

7) This will redirect you to your enrollment screen – “Register, Add or Drop Classes”.
   a. Registration errors may appear and will list the reason for the error (full course, etc.). Please read those error messages carefully to complete your enrollment.
   b. If no errors appear and you see all classes on your Program of Study listed as **Web Registered** under **Status**, your enrollment is **COMPLETE!**
Please review these links to further assist with your transition to UAB and the School of Nursing.

As an institution, one goal that UAB has is to ensure that students have access to the best health care available. With this in mind, there are a few updates that we have regarding Student Health Insurance at UAB.

Effective fall 2018, UAB’s Student Health Insurance Plan (SHIP) is provided by United HealthCare. This product offers the best available protection at a very competitive price. The plan includes preventive services and unlimited lifetime maximums for medical and prescription coverage. This plan provides access to a national network of preferred providers in all 50 states which allows students to have the same level of protection wherever their studies or life might take them as students of UAB. Below is a summary of the product:

- **Annual Premium:** $3244.00
- **Deductible:** $500
- **Maximum Out of Pocket:** $6000 for individual

UAB is happy to present this new product and looks forward to this partnership with United HealthCare to provide the best possible coverage available.

**Insurance Waiver**

UAB has also worked to improve the Insurance Waiver process to make this easier for students. If you are an undergraduate student registered for 9+ hours, a graduate student in a program that requires insurance, enrolled in a clinical program, or an international student, you will be automatically enrolled into the SHIP. The cost of the premium for the semester will be added to your student account and you will receive information regarding your benefit.

If you have **private healthcare coverage** that meets the waiver criteria, you can submit an insurance waiver online through the UAB Patient Portal. Once waivers are received and validated, you will not be enrolled in the SHIP and the charge will not be posted or will be removed from your account. **To ensure you are not charged for the coverage if you do not need it, please submit your waiver online by the premiere submission deadline, January 1, 2024.**

Please visit the UAB Student Health and Wellness Insurance and Waivers webpage for more information on the United HealthCare product or guidance on submitting an Insurance Waiver request.

Dear Health Professional Students:

In the interest of maintaining and promoting good oral health and educating health professionals about the dental needs of their patients, the University of Alabama at Birmingham provides a dental healthcare program which is pre-paid through a fee for students enrolled in the Schools of Dentistry, Medicine, Nursing, and Optometry.

Oral disease such as cavities and periodontal disease, as well as other acute dental issues, should be addressed prior to entering your program at UAB, if at all possible. Upon matriculation, you may schedule an initial oral health screening appointment at our campus facility by emailing the program coordinator. It should be noted that any pre-existing conditions found during the initial screening will be your financial responsibility. After pre-existing conditions are treated, the only cost to you for treatment covered within the plan is the modest program fee.

**You may opt out of the service by completing the electronic dental waiver in BlazerNET. You will find the waiver under Links/Forms from the homepage. You must upload proof of dental insurance before submitting the waiver.**

If you choose to utilize the Student Dental Health services, you may email the program coordinator to schedule an appointment.

A more complete explanation of the Student Dental Health Program will be provided to you at the time of your orientation.

We are looking forward to meeting you and to a cooperative and beneficial relationship as we serve your individual dental needs. If you have any further questions and/or would like to schedule an appointment, please feel free to contact our program coordinator Debbie Watford at angela64@uab.edu.

Sincerely,

Charles H

Nursing Honors Course Options

The School of Nursing offers one course per semester designated as honors, so UAB Honors College students have the option to use nursing coursework to fulfill Honors College requirements. Honors College students can earn up to 13 hours of honors credit by enrolling in the nursing honors class sections.

The following courses in the BSN program will have an honors section available:
- Semester I: NUR 310 Concepts of Professional Nursing (3 hours)
- Semester II: NUR 336 Leadership Development (2 hours)
- Semester III: NUR 429L: Concepts of Community and Public Health Nursing (2 hours)
- Semester IV: NUR 393L Concepts of Maternal Child Health Nursing Practicum (3 hours)
- Semester V: NUR 410Q Caring for America’s Heroes (elective) (3 hours)

We request you identify yourself as an Honors College student during the information session so we can project future nursing honors course offerings. We will use the information to communicate with you about the availability of nursing honors courses in the future. Please email your name and contact information to Dr. Katie Parris (parris67@uab.edu), after the information session.

Once you identify yourself as an Honors College student, we will keep your name on a roster and contact you each semester to obtain your plan for enrolling in the upcoming honors nursing sections of the designated courses.

Dr. Parris can address questions you have about the nursing honors courses.
SCHOOL OF NURSING GENERAL POLICIES AND PROCEDURES

Student Honor Code Preamble
The SON, as a unit of UAB, exists to educate its students; to advance, preserve, and disseminate knowledge through research and scholarship; and to advance the interests and the welfare of society as a whole. Students, faculty, and administration represent the three integral parts of the academic community; they share responsibility for the proper functioning of the institution in the pursuit of its educational goals.

As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Free inquiry and free expression are indispensable to the attainment of the goals of the university. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to teach and to learn depends upon appropriate opportunities and conditions in the classroom and throughout the overall campus community. In order to insure these rights and freedoms, both the university as an institution and the members of the academic community are obligated to insure orderly operation by prohibiting actions that interfere with the achievement of goals or violate the rights of others. This obligation is met by initiating disciplinary action when either academic or nonacademic behavior adversely affects the mission of the university.

The SON seeks to nurture the development of a strong sense of integrity and of ethical behavior among its students. The faculty and administration ultimately have responsibility for and authority over academic and disciplinary actions concerning nursing students, subject to the policies of UAB and any applicable civil or criminal statutes.

Statement of Student Honor Code
Student conduct is the practice of personal and professional integrity and thus respects the dignity, rights, and property of self, other students, faculty, staff, clients/patients, and visitors on University property and on non-University property used for nursing students' educational experiences. Student conduct affects the University and the School, the members of the UAB academic community, and the fulfillment of the University and School's mission.

Given the nature of ethical issues in health care, the faculty and administration of the SON believe that it is important to develop the highest ethical standards among students at all levels in the school. The SON expects a higher standard of conduct than the minimum required to avoid disciplinary action. A student honor code is used in the School. Students are informed about the honor code upon admission to the SON. Each student is required to abide by the code.

Student Honor Pledge
The student honor pledge reads as follows:
I pledge that I will not at any time be involved with any acts of academic or nonacademic misconduct while enrolled as a student at the SON, UAB. I have read the Student Honor Code which explains disciplinary procedures that will result from the aforementioned. I will abide by the Student Honor Code as a condition
of admission to the SON. I understand that violation of this code could result in penalties as severe as indefinite suspension or expulsion from the SON.

Definitions from UAB
Abetting: helping another student commit an act of academic dishonesty. Allowing others to copy your quiz answers, or use your work as their own are examples of abetting.

Administration: any person employed by the School or University to perform administrative duties.

Aiding and abetting academic or nonacademic misconduct: intentionally or knowingly helping or attempting to help another student commit an action of academic or nonacademic misconduct.

Appeal: a resort to a higher authority for the purpose of obtaining a review of a lower authority's decision, a reversal of the lower authority's judgment, or the granting of a new hearing.

Cheating: use or attempted use of unauthorized materials, information, study aids, the answers of others, or computer-related information.

Client/patient: any person or group of persons receiving nursing care.

Community: clients/patients, their families, and health care providers in clinical settings or students, faculty, staff, and guests of the University and academic community.

Due process: "fundamental fairness" Substantive due process--rules are fair; i.e., rationally related to a legitimate goal of that evidence.

Fabrication: presenting as genuine falsified data, citations, or quotations.

Misrepresentation: falsification, alteration or misstatement of the contents of documents, academic work, or other materials related to academic matters, including representing work substantially done for one class as work done for another without receiving prior approval from the instructor. Misrepresentation also includes misrepresenting schedules, prerequisites, transcripts, or other academic records.

Non-University agency: any agency which has a verbal or written agreement with the SON to provide learning experiences for students.

Plagiarism: claiming as your own the ideas, words, data, computer programs, creative compositions, artwork, etc., done by someone else. Examples include improper citation of referenced works, use of commercially available scholarly papers, failure to cite sources, and copying others' ideas.

School: The SON, at UAB.

Staff: any person employed by the School or the University to provide support services.

Student: any person officially enrolled in courses offered by the SON, whether he or she is classified as a degree-seeking student or a special student. All persons pursuing undergraduate or graduate degrees, whether full time or part time, are considered students.

University: UAB.

Student Honor Code Violations
Allegations of an Honor Code Violation will follow the appropriate steps and procedures for Academic Misconduct and Grievance Procedures.
Standards of Professional Behavior

- **Attentiveness** – The student regularly attends class and other required course-related activities which include, but are not limited to, lab, clinical, seminar. All extended absences are for relevant and serious reasons and approved, where applicable, by the appropriate authority. The student is consistently on time for class-related activities and stays until the end of the activity. The student is alert during the activity and demonstrates attentiveness by taking notes, asking appropriate questions, completing assigned activities.

- **Demeanor** – The student has a positive, open attitude towards peers, teachers and others during the course of nursing studies. The student maintains a professional bearing in interpersonal relations. The student functions in a supportive and constructive fashion in group situations and makes good use of feedback and evaluations.

- **Cooperation** – The student demonstrates his/her ability to work effectively in large and small groups and with other members of the health team, giving and accepting freely in the interchange of information.

- **Maturity** – The student functions as a responsible, ethical, law-abiding adult.

- **Inquisitiveness** – The student demonstrates an interest in his/her courses and curricular subjects, demonstrating individual pursuit of further knowledge.

- **Authority** – A student shows appropriate respect for those placed in authority over him/her both within the University and in society.

- **Responsibility** – The student has nursing school performance as his/her primary commitment. Student to student and student to faculty academic interchanges are carried out in a respectful, reliable and trustworthy manner.

- **Personal Appearance** – The student’s personal hygiene and dress reflect the high standards of a professional nurse.

- **Communication** – The student demonstrates an ability to effectively communicate verbally, nonverbally, and in writing with peers, teachers, patients, and others.

- **Professional Role** – The student conducts self as a professional role model at all times and in compliance with ANA Standards of Practice and the Alabama State Board of Nursing Rules and Regulations regarding professional conduct.

- **Judgment** – The student shows an ability to think critically, reflecting on his/her ability to make intelligent decisions in his/her personal and academic life.

- **Ethics** – The student conducts self in compliance with the ANA Code of Ethics.

- **Moral Standards** – The student respects the rights and privacy of other individuals and does not violate laws of our society.
Pre-licensure Core Performance Standards for Admission and Progression

Nursing education requires the acquisition of academic knowledge, clinical and specialized communication skills as well as professional attitudes and behaviors. All pre-licensure degrees certify that the student has acquired the broad base of knowledge and skills required for entry into professional nursing practice. This foundational education includes both academic and professional nursing courses that provide a base for clinical competence and informed judgements about health and patient care in a variety of settings. Since the treatment of patients is an essential part of the educational program, the University of Alabama at Birmingham School of Nursing (UABSON) must act to protect the health and safety of patients.

Candidates for any pre-licensure degree must have skills and abilities in ten core performance standards with or without reasonable accommodations. These ten standards include, but are not limited to, the following skills and abilities (bulleted examples included, not all-inclusive):

1. **Critical Thinking:** Critical thinking ability sufficient for clinical judgment.

   - Respects cultural diversity and rights of others
   - Works effectively in small groups as a team member and as a team leader
   - Practices verbal and non-verbal therapeutic communication
   - Recognizes and attempts to resolve adverse events for both clients and colleagues

3. **Communication:** Communication abilities (hearing, speaking, reading, and writing) sufficient for interaction with others in verbal, written, assisted, and electronic form.
   - Writes and speaks English effectively so as to be understood by the general public
   - Has the ability to complete written assignments, participate in classroom discussion/activities, and complete group projects
   - Has the ability to focus in class without making disruptive interruptions
   - Communicates therapeutically with clients, families, and groups in a variety of settings
   - Documents client data and nursing care completely and accurately
   - Provides health teaching information for clients, families, and/or groups based on assessed needs, available resources, age, lifestyle, and cultural considerations
   - Has the ability to use a variety of computer programs and platforms
   - Must be able to give and receive constructive feedback, process feedback, and utilize it to conform behavior to expected professional standards
4. **Physical Mobility:** Physical abilities sufficient to move from room to room and maneuver in small spaces.
   - Able to attend and participate in class
   - Has the ability to push, pull and/or lift a minimum of 30 lbs. of weight
   - Has mobility and stamina sufficient to function for up to a 12-hour clinical experience in various settings
   - Lifts, moves, positions, and transports clients without causing harm to client or self
   - Has the ability to move around client’s room, work spaces and treatment areas, in all clinical settings
   - Has the ability to stoop, bend, squat, and reach overhead as required to deliver care safely in emergent and non-emergent situations
   - Performs cardiopulmonary resuscitation according to recommended procedures and professional standards

5. **Gross and Fine Motor Skills:** Gross and fine motor abilities sufficient to provide safe and effective nursing care
   - Performs physical activities necessary to accomplish nursing skills, including but not limited to: putting on sterile gloves, donning mask and gown, operating a manual and electronic blood pressure cuff, using sterile technique and performing essential client care
   - Performs correct hand washing technique
   - Provides or assists with activities of daily living
   - Administers all routes of medications to maintain client safety
   - Has the ability to use computers and other electronic devices
   - Performs electronic keyboarding/documentation and/or extensive writing
   - Calibrates and uses equipment correctly (e.g. syringes, vials, ampoules, medication packages)
   - Has the gross and fine motor ability to grasp small objects (e.g. IV tubing, syringe, dropper)

6. **Auditory:** Auditory ability sufficient to monitor and assess health needs
   - Has the auditory ability to participate in class lectures and contribute to discussions
   - Hears verbal exchanges among health care personnel and clients
   - Has the auditory ability to monitor alarms, emergency signals, and cries for help
   - Has the auditory ability to hear and distinguish changes in tone and pitch for example when listening to a client’s respirations, cardiac, and abdominal auditory characteristics when using a stethoscope

7. **Visual:** Visual ability sufficient for observation and assessment
   - Has the visual ability to observe audio-visual aids and client, peer, and faculty responses.
   - Has the visual ability to read medical documents; see small calibrations on sphygmomanometers, syringes, and thermometers; observe patient responses to interventions or health problems; and detect color changes
   - Performs nursing skills such as inserting urinary catheters and IV devices, counting respirations, and preparing or administering medications
   - Has the visual ability to discriminate colors, changes in color, size, and contour of body part
   - Has the visual ability to identify, prepare, and administer medications accurately and safely by all routes

8. **Tactile:** Tactile ability sufficient for physical assessment
   - Performs palpation functions correctly for physical examination and therapeutic interventions such as pulses, temperature, texture, firmness, softness, and physical landmarks

9. **Emotional Stability:** Emotional stability sufficient to tolerate rapid and changing conditions and environmental stress
   - Establishes therapeutic interpersonal boundaries
   - Provides clients with emotional support and respect differences in patients, families and other students
   - Complete all responsibilities in the assessment and implementation of nursing care for patients in a timely, safe and effective manner
   - Adapts to stressful situations and changing environments while maintaining professional conduct and standards
• Have adequate environmental awareness and emotional stability to remain calm and function effectively in multiple, complex settings that may be stressful, noisy and may be potential harmful
• Take responsibility for their own actions
• Poses no threat to self or others
• Performs potentially stressful tasks concurrently

10. **Professional Behavior:** Behave in a respectful, ethical and professional manner with others

• Interacts respectfully with peers, faculty, superiors, clients, and families
• Strives to provide quality client care
• Applies knowledge and clinical reasoning
• Reflects on own behavior and clinical performance with clients; engages in self-evaluations
• Has the ability to interact with peers and colleagues appropriately
• Has the ability to collaborate with clients, families, and others in nursing situations
• Integrates ethical behavior in nursing practice
• Performs activities safely, so as to not injure or harm others or self
• Recognizes that all students represent the nursing profession and must behave accordingly
• Respects and adheres to the policies and procedures of the School of Nursing and clinical agencies

**Application for Accommodation Prior to Matriculation:**

The UAB School of Nursing will provide reasonable accommodations to qualified individuals with approved accommodation(s). In order to request accommodations, students must contact the UAB Office of Disability Support Services and follow the registration process. UABSON faculty collaborate with Disability Support Services (DSS) within the scope of the core performance standards to establish reasonable accommodations. Throughout a student's career, the UABSON will work with the student and DSS to make ensure accommodations are reasonably facilitated and maintains safety for the student and patient.

**Application for Accommodation After Matriculation:**

Students seeking accommodations will be referred to the UAB Office of Disability Support Services. Personnel in the Disability Support Services Office will follow established protocol to determine if the student is eligible for accommodations. Any financial cost for documentation, assessment or evaluation will be the sole responsibility of the student. The Office of Disability Support Services will review the results of the evaluations to determine whether a condition exists, and whether accommodations are necessary. If DSS determines that accommodations are necessary to allow a nursing student to meet the Pre-licensure Core Performance Standards then they will educate students on the process of forwarding those recommendations to the appropriate faculty. The appropriate faculty will work with the student and DSS to determine if there are reasonable accommodations. If reasonable accommodations cannot be made, the student will be informed, if the student is unable to meet the Pre-licensure Core Performance Standards. A nursing student who is dismissed based on inability to meet the Pre-licensure Core Performance Standards of the UABSON will have the right of appeal through the established grievance process used in the UABSON Student Handbook. If the accommodation is approved, the UABSON will work to make sure that the accommodation is reasonably facilitated from that point forward. Retroactive accommodations will not be allowed.

Schedule/Scheduling Conflicts:
Would you like to become a part of an exciting program offered by the Birmingham Veteran’s Affairs Medical Center (BVAMC) and the University of Alabama at Birmingham School of Nursing (UABSON) to learn to care for America’s heroes? If so, the BVAMC and UABSON are accepting applications for the VA Nurse Scholars program for the Spring 2024. The deadline for applications is Friday, December 8, 2023. Interviews for the VA Scholars Program will be scheduled in mid-December. Please see attached application.

As a participant of this program, you will have exciting educational and leadership opportunities that are unique to being a part of this program including:

- Learning to provide nursing care to America’s true heroes – our veterans
- Eligible for employment as a Student Nurse Technician at the BVAMC, if desired, after completion of all first semester courses
- Progressing through nursing school as a group with other VA Nurse Scholars – making friendships that last a lifetime
- Having most clinical experiences, with the exception of pediatrics and obstetrics, at the Birmingham VA Medical Center.
- Experience with state-of-the-art equipment at the UABSON and BVAMC including practice with high fidelity simulation manikins, computerized charting and computerized medication administration.
- Having a VA based faculty member as your advisor and mentor
- Involvement in the VA Quality Scholars program to help improve the quality of health care for veterans
- Upon completion of the VA Nurse Scholars program and graduation from UABSON, participants will be eligible for employment at ANY VA facility, including the BVAMC. The VA system has excellent employee benefits including initial salary recognizing the BSN degree.
