Post-MSN Plan for Coursework

INSTRUCTIONS TO DETERMINE YOUR PLAN FOR COURSEWORK

The Post-MSN Plan of Coursework (PFC) is your agreement between you and the School of Nursing. Plans for coursework are developed ahead of time to help ensure there is space available in each course and to provide a seamless flow through the post-masters coursework. Though you have previously completed an MSN in another area of study, a thorough evaluation must be done of your previous graduate nursing core/support coursework to determine if any courses will be required in addition to the advanced practice coursework.

At minimum the post-masters plan for coursework should take 4 semesters to complete; however, this is subject to change. If additional coursework is necessary the length of the plan for coursework could take longer. The approach for this review takes into consideration current standards for post-masters education against the current role of the Nurse Practitioner as required by our certifying bodies (CCNE, AACN, etc). Your specific plan for coursework will be sent to you once this review is completed.

Please complete one of the following steps:

1. We will need a copy of the course syllabi and topical outline from the semester/year for each graduate level nursing core/support courses you have previously taken to determine equivalency for UAB MSN core/support NP coursework. A grade of B or better will be required in each course. Equivalency will need to be verified for the following core/support nursing courses:
   - NUR-737: Interprofessional Leadership and Role Development for Practice (3 semester credit hrs)
   - NUR-606: Translating Evidence into Practice (3 semester credit hrs)
   - NUR-610: Health Care Systems for Advanced Nursing Practice (3 credit hrs)
   - NUR-612: Advanced Pathophysiology (3 semester credit hrs)
   - NUR-613: Pharmacology and Therapeutics (3 semester credit hrs)**
   - NUR-614: Assessment and Diagnostic Reasoning for Adv Prac. Nursing (3 semester credit hrs)

2. Updated official transcripts will need to be sent to the UAB School of Nursing (if applicable) if you were finishing up your previous MSN at the time of application to post-masters study.

3. Complete and submit one of the following forms located on the School of Nursing website, www.uab.edu/nursing, under “Academics” then “Degree Programs” and then “Student Forms” on the right side of the Degree webpage. (www.uab.edu/nursing/home/nursing-quicklinks/catalogs/115-frontdoor/prospective-student/443-current-student-forms)
   - A. “Request for Approval and Transfer of Graduate Level Coursework” (one form per course and also include a course syllabi for non-UABSON courses)
   - OR
   - B. “Request for Non-degree Credit to be Accepted as Graduate Credit” (used for UAB graduate nursing non-degree credit courses only)

Previous coursework assessments can take up to 4 weeks for complete course requests to be considered for equivalency decision for PFC determination. Start this process as soon as possible. Please send all documentation as one packet by email to Mr. John Updegraff at jupde22@uab.edu or by fax to 205-934-5490.

**NUR-613 Pharmacology Additional Requirement

Students must have successfully completed NUR 613 (or any course deemed equivalent) within 2 years of starting advanced specialty coursework OR be a currently practicing as nurse practitioner and provide sufficient evidence that they are prescribing medications in the population of interest (e.g. across the lifespan).

For questions please contact Mr. John Updegraff at jupde22@uab.edu or by phone at 205-975-3370.

ONE CARD

Dear Summer 2021 Cohort:

All students need to visit the following website to submit a ONE Card photo prior to coming to campus for the MSN Orientation. To do so, please visit the following website: https://campuscard.uab.edu/bbapps/photosubmit/

You will be required to have a BlazerID to complete this process. This process could potentially allow for us to have all cards printed and ready to distribute when you arrive on campus. For those that fail to submit photos ahead of time, they will still need to get their picture made and their card printed. **UAB employees do not need to submit a new picture or obtain a new ONE Card. Make sure your full name is correct in BlazerNet so that it will show up on your ID correctly.**

**DO**

- Submit current color photo in jpg format
- Use a White/Off-White wall as a solid background
- Center and front view of full face
- Crop just above the top of the head to the collarbone
- Wear prescription glasses if you normally do so
- Limit photo size to .75 MB or 768KB

**DON'T**

- Wear hats, sunglasses or other items that obscure the face
- Submit with glare on glasses or shadows
- Include visible people or objects
- Use inappropriate expressions
