Scholars Since
2010*

*One of 16
WHOCCs in the
Americas Region
focusing on Nursing
& Midwifery*

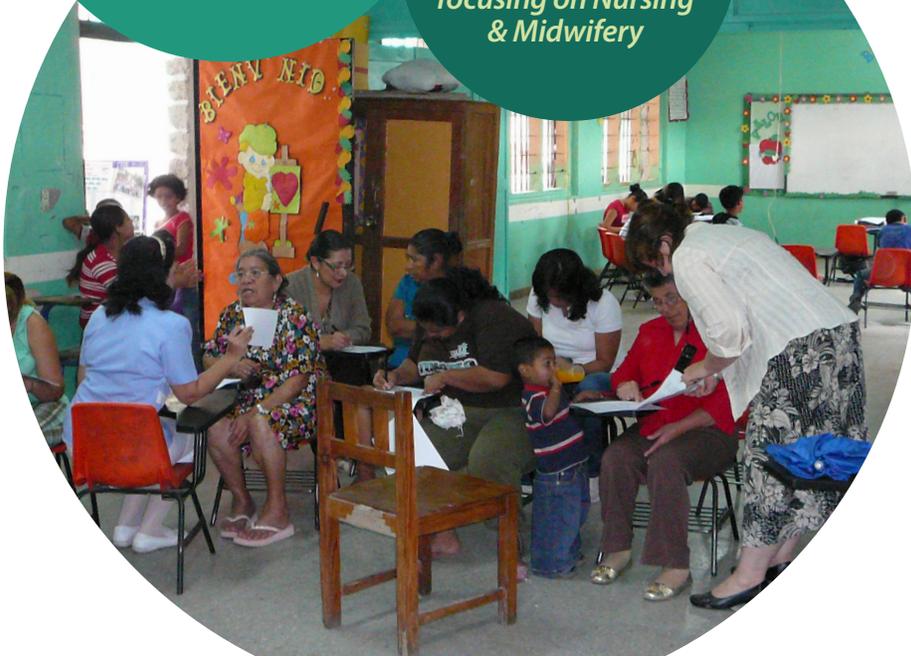

OUR WHOCC TERMS OF REFERENCE FOR 2019-2023

Support PAHO/WHO's efforts to strengthen the quality of nursing education and practice based on Universal Access to Health, Universal Health Coverage and Primary Health Care.

Support PAHO/WHO's efforts to enhance the use and dissemination of knowledge resources that build capacity and leadership for nurse and midwife educators.

OUR WHOCC ACTIVITIES FOR 2019-2023

- Academic-service nursing partnerships
- Educational Quality Improvement Toolkit (training and piloting)
- Quality Improvement online course (piloting, evaluation, launching)
- Capacity building of APNs in managing diabetes and cancer
- Enhancing mentoring for international visiting scholars
- Interprofessional education in caring for vulnerable populations

Teaching

GLOBAL HEALTH IS...

"An area for practice, teaching, research, or service that transcends boundaries with the intent of improving health, achieving equity and social justice for all people in support of the United Nations' 2030 Agenda for sustainable development goals."

Definition adopted by the UAB School of Nursing

Research

Service

WHERE WE WORK

Doreen C. Harper, PhD, RN, FAAN, with Dr. Arwa Oweis, DNSc, RN, WHO Eastern Mediterranean Regional Advisor for Nursing & Midwifery and UAB Alumna - 70th Anniversary Visionary Leader.
