LEADERSHIP PRACTICES FOR QUALITY AND SAFETY
For early and mid-career nurse leaders

April 30-May 1, 2015
8:30 a.m. - 4:30 p.m.

UAB National Alumni Society House
1301 10th Avenue South
Birmingham, Alabama 35294

Sponsored by:
UAB School of Nursing Office of Professional Development
PROGRAM OBJECTIVES
At the end of this two-day workshop, participants should be able to:

- Explore the role of leadership in quality improvement and safety;
- Discuss exemplars in quality and safety leadership;
- Outline strategies to create a practice environment plan conducive to quality improvement and safety;
- Describe the characteristics of effective collaborative interprofessional teams;
- Identify measures and metrics to evaluate quality and safety.

WHO SHOULD ATTEND
Nursing directors, nurse managers, charge nurses, clinical nurse leaders, nurse educators, and quality and safety managers who desire to grow in their knowledge of effective quality and safety leadership practices.
