1. Your Acceptance Form and FERPA form will be delivered via DocuSign to your admission application email address. This will arrive shortly after your Admission Offer email. Sign and return the Acceptance Form via DocuSign. There is no need to scan via email or fax this document back to us.

**Note:** Confirm the Specialty track is acceptable and the current state of residence address is correct. The offer is only for the specialty listed. If you do not wish to accept this specialty, you may reactivate or submit a new application to the program.

Download the Fall 2020 MSN Admission packet at the web link below for important enrollment documents:
https://www.uab.edu/nursing/home/student-resources

2. Read Post Licensure Core Performance Standards (Attachment A).

**Deadline for items 3 – 6 is June 30, 2020**

3. Your Program of Study will be sent to you in the weeks following your emailed admission offer. The form will be delivered via DocuSign to your admission application email address. Sign and return the Program of Study via DocuSign. There is no need to scan via email or fax this document back to us. Additionally, review instructions for returning your program of study and request to transfer or waive courses, if applicable (Program of Study Instructions; Attachment B).

4. Create Blazer ID and a @uab.edu email account (BlazerID Instructions; Attachment C).

5. Begin taking steps to gain medical clearance. Please review Medical Clearance Documents (Attachments D and E) then visit the UAB Student Health webpage at: https://www.uab.edu/students/health/.

6. Attend a mandatory New Student Orientation in a virtual format. Specific Specialty Track orientation session dates are scheduled for June 16, 2020, June 29, 2020 or June 30, 2020 (your assigned date is noted in your offer email).

**Deadline for items 7 – 8 is July 15, 2020**

7. Check your email for background check email, and complete within ten business days of email arrival from Employment Screening Services, ESS (results@es2.com). **

8. Once you have ordered and paid for your background check, you will receive an email from LabCorp (OTSWEBAPP@Labcorps.com) to complete your drug screen. **

**Deadline is 10 business days from original background check email**

The background check and drug screening deadline are subject to change. Due to the current limited access to Labcorps drug screening testing sites, you may receive guidance to complete the background portion and defer the urine drug screening until Labcorps drug screening sites resume normal operation. Please plan to complete the background check and drug screening, and we will continue to evaluate as the deadlines approach.

**Deadline for items 9 – 12 is August 23, 2020**

9. Register for classes as listed on Program of Study using the Registration Instructions (Registration Instructions; Attachment F).

11. Complete HIPAA (HIPAA Instructions; Attachment G), OSHA (Bloodborne Pathogens Course; Attachment H).

12. Review insurance requirements at: https://www.uab.edu/students/health/insurance-waivers.

13. Check the Academic Calendar for important dates (Attachment I).

14. Log on to Canvas - First Day of Class – August 24, 2020!
Nursing education requires the acquisition of academic knowledge, clinical and specialized communication skills as well as professional attitudes and behaviors. All pre-licensure degrees certify that the student has acquired the broad base of knowledge and skills required for entry into professional nursing practice. This foundational education includes both academic and professional nursing courses that provide a base for clinical competence and informed judgements about health and patient care in a variety of settings. Since the treatment of patients is an essential part of the educational program, the University of Alabama at Birmingham School of Nursing (UABSON) must act to protect the health and safety of patients.

Candidates for any pre-licensure degree must have skills and abilities in ten core performance standards with or without reasonable accommodations. These ten standards include, but are not limited to, the following skills and abilities (bulleted examples included, not all-inclusive):

1. **Critical Thinking**: Critical thinking ability sufficient for clinical judgment.
   - Identifies safety issues in clinical situations
   - Identifies cause/effect relationships in clinical situations, develops, evaluates, and revises nursing plan of care as appropriate
   - Has the ability to make safe judgments when planning and implementing all psychomotor nursing prescriptions
   - Manages multiple priorities in stressful situations
   - Responds instantly to emergency situations
   - Exhibits arithmetic competence that would allow the student to read, understand and perform accurate calculations for computing medication dosages and intravenous flow rates
   - Analyze theories for application to advanced nursing practice
   - Identify cause/effect relationships in clinical judgement in clinical situations, develop clinical notes, employ diagnostic reasoning
   - Synthesize reading assignments, able to write course assignments

2. **Interpersonal**: Interpersonal abilities sufficient to interact with individuals and groups from diverse backgrounds
   - Establishes appropriate rapport with clients and colleagues
   - Has the ability to work in groups on course activities
   - Maintains therapeutic relationships with clients and colleagues
   - Respects cultural diversity and rights of others
   - Works effectively in small groups as a team member and as a team leader
   - Practices verbal and non-verbal therapeutic communication
   - Recognizes and attempts to resolve adverse events for both clients and colleagues

3. **Communication**: Communication abilities (hearing, speaking, reading, and writing) sufficient for interaction with others in verbal, written, assisted, and electronic form.
   - Writes and speaks English effectively so as to be understood by the general public
   - Has the ability to complete written assignments, participate in classroom discussion/activities, and complete group projects
   - Has the ability to focus in class without making disruptive interruptions
   - Communicates therapeutically with clients, families, and groups in a variety of settings
   - Documents client data and nursing care completely and accurately
   - Provides health teaching information for clients, families, and/or groups based on assessed needs, available resources, age, lifestyle, and cultural considerations
   - Has the ability to use a variety of computer programs and platforms
   - Must be able to give and receive constructive feedback, process feedback, and utilize it to conform behavior to expected professional standards
   - Explain treatment and diagnostic procedures in verbal and written form, initiate health teaching, document and interpret patient/client responses to acute and chronic illness

4. **Physical Mobility**: Physical abilities sufficient to move from room to room and maneuver in small spaces.
   - Able to attend and participate in class
   - Has the ability to push, pull and/or lift a minimum of 30 lbs. of weight
   - Has mobility and stamina sufficient to function for up to a 12-hour clinical experience in various settings
   - Lifts, moves, positions, and transports clients without causing harm to client or self
   - Has the ability to move around client's room, work spaces and treatment areas, in all clinical settings
• Has the ability to stoop, bend, squat, and reach overhead as required to deliver care safely in emergent and non-emergent situations
• Performs cardiopulmonary resuscitation according to recommended procedures and professional standards

5. **Gross and Fine Motor Skills:** Gross and fine motor abilities sufficient to provide safe and effective nursing care
   • Performs physical activities necessary to accomplish nursing skills, including but not limited to: putting on sterile gloves, donning mask and gown, operating a manual and electronic blood pressure cuff, using sterile technique and performing essential client care
   • Performs correct hand washing technique
   • Provides or assists with activities of daily living
   • Administers all routes of medications to maintain client safety
   • Has the ability to use computers and other electronic devices
   • Performs electronic keyboarding/documentation and/or extensive writing
   • Calibrates and uses equipment correctly (e.g. syringes, vials, ampoules, medication packages)
   • Has the gross and fine motor ability to grasp small objects (e.g. IV tubing, syringe, dropper)
   • Utilize instruments specific to the clinical specialty
   • Perform physical and developmental assessment maneuvers

6. **Auditory:** Auditory ability sufficient to monitor and assess health needs
   • Has the auditory ability to participate in class lectures and contribute to discussions
   • Hears verbal exchanges among health care personnel and clients
   • Has the auditory ability to monitor alarms, emergency signals, and cries for help
   • Has the auditory ability to hear and distinguish changes in tone and pitch for example when listening to a client’s respiration, cardiac, and abdominal auditory characteristics when using a stethoscope

7. **Visual:** Visual ability sufficient for observation and assessment
   • Has the visual ability to observe audio-visual aids and client, peer, and faculty responses.
   • Has the visual ability to read medical documents; see small calibrations on sphygmomanometers, syringes, and thermometers; observe patient responses to interventions or health problems; and detect color changes
   • Performs nursing skills such as inserting urinary catheters and IV devices, counting respirations, and preparing or administering medications
   • Has the visual ability to discriminate colors, changes in color, size, and contour of body part
   • Has the visual ability to identify, prepare, and administer medications accurately and safely by all routes
   • Has the visual ability to observe patient responses
   • Has the visual ability to assess client visual acuity
   • Has the visual ability to inspect skin and body structures

8. **Tactile:** Tactile ability sufficient for physical assessment
   • Performs palpation functions correctly for physical examination and therapeutic interventions such as pulses, temperature, texture, firmness, softness, and physical landmarks

9. **Emotional Stability:** Emotional stability sufficient to tolerate rapid and changing conditions and environmental stress
   • Establishes therapeutic interpersonal boundaries
   • Provides clients with emotional support and respect differences in patients, families and other students
   • Complete all responsibilities in the assessment and implementation of nursing care for patients in a timely, safe and effective manner
   • Adapts to stressful situations and changing environments while maintaining professional conduct and standards
   • Have adequate environmental awareness and emotional stability to remain calm and function effectively in multiple, complex settings that may be stressful, noisy and may be potential harmful
   • Take responsibility for their own actions
   • Poses no threat to self or others
   • Performs potentially stressful tasks concurrently

10. **Professional Behavior:** Behave in a respectful, ethical and professional manner with others
    • Interacts respectfully with peers, faculty, superiors, clients, and families
    • Strives to provide quality client care
    • Applies knowledge and clinical reasoning
• Reflects on own behavior and clinical performance with clients; engages in self-evaluations
• Has the ability to interact with peers and colleagues appropriately
• Has the ability to collaborate with clients, families, and others in nursing situations
• Integrates ethical behavior in nursing practice
• Performs activities safely, so as to not injure or harm others or self
• Recognizes that all students represent the nursing profession and must behave accordingly
• Respects and adheres to the policies and procedures of the School of Nursing and clinical agencies

Application for Accommodation Prior to Matriculation:

The UAB School of Nursing will provide reasonable accommodations to qualified individuals with approved accommodation(s). In order to request accommodations, students must contact the UAB Office of Disability Support Services and follow the registration process. UABSON faculty collaborate with Disability Support Services within the scope of the core performance standards to establish reasonable accommodations. Throughout a student's career, the UABSON will work with the student and DSS to make ensure accommodations are reasonably facilitated and maintains safety for the student and patient.

Application for Accommodation After Matriculation:

Students seeking accommodations will be referred to the UAB Office of Disability Services. Personnel in the Disability Office will follow established protocol to determine if the student is eligible for accommodations. Any financial cost for documentation, assessment or evaluation will be the sole responsibility of the student. The Office of Disability Support Services will review the results of evaluations to determine whether a condition exists, and whether accommodations are necessary. If they determine that accommodations are necessary to allow a nursing student to meet the Pre-licensure Core Performance Standards then they will educate students on the process of forwarding those recommendations to the appropriate faculty. The appropriate faculty will work with the student and DSS to determine if there are reasonable accommodations. If reasonable accommodations cannot be made, the student will be informed. If the student is unable to meet the Pre-licensure Core Performance Standards. A nursing student who is dismissed based on inability to meet the Pre-licensure Core Performance Standards of the UABSON will have the right of appeal through the established grievance process used in UABSON Student Handbook. If the accommodation is approved, the UABSON will work to make sure that the accommodation is reasonably facilitated from that point forward. Retroactive accommodations will not be allowed.
INSTRUCTIONS FOR RETURNING THE PROGRAM OF STUDY

The Program of Study (POS) is your agreement between you and the School of Nursing. Program of studies have been developed ahead of time to help ensure there is space available in each course and to provide a seamless flow through the coursework. If changes are necessary in your POS due to previously completed nursing graduate coursework, you **MUST** gain approval. The initial POS approval will be issued through the Office of Student Success in your initial offer letter packet. You can reach Mr. John Updegraff via email at jupde22@uab.edu with questions.

Please complete the following steps:

1. Please sign and return the POS **via DocuSign**.

   *Please continue below only if you have taken graduate level nursing courses before.*

2. If you **HAVE** taken graduate level nursing courses and wish to have them considered for transfer (up to 12 hours of equivalent UAB School of Nursing coursework may transfer — that has not been used towards an awarded degree, and you received a grade of a B or better) or waiver into the program you must:

   o Complete and submit one of the following forms located on the School of Nursing website, www.uab.edu/nursing, under “Nursing Quicklinks” then “Student Resources” and then “Student Forms” under the MSN section. (https://www.uab.edu/nursing/home/student-resources/student-forms)

   A. “Request for Approval and Transfer of Graduate Level Coursework” (one form per course and also include a course syllabi for non-UABSON courses)

   **OR**

   B. “Request for Non-degree Credit to be Accepted as Graduate Credit” (used for UAB graduate nursing non-degree credit courses only)

   o It can take up to 2-4 weeks for complete course requests to be considered for a transfer/waiver decision and any subsequent POS revisions to be done, if approved.

**NOTE:** Your POS Hold will be lifted prior to orientation after you have a signed POS submitted back to the UAB School of Nursing.
BlazerID Instructions

How do I get a BlazerID?

To setup your BlazerID, please visit BlazerID Central at www.uab.edu/blazerid, and follow the appropriate instructions.

Before trying to register a BlazerID, you need to stop for a moment and carefully consider your choices for both your BlazerID and password. The following guidelines should assist you in successfully selecting and registering them with a minimum of hassle. The system rejects all registration attempts not complying with any guideline below that includes the words "must" or "must not".

For the BlazerID:

• Must be a combination of at least three and no more than eight lowercase letters or numbers (no punctuation allowed) and must begin with a letter. Capital/uppercase letters must not be included.
• Must be unique in the UAB Campus Directory — no one else can already have it. If in doubt, go to www.uab.edu/directory and look it up using the lower left search box. This is not fool-proof (the owner may be unlisted) but it will help narrow your choices.
• Should not contain obscene or grossly unprofessional wording. Once you have set a BlazerID, it can NEVER BE CHANGED, even if you are just a student now and later decide to hire on at UAB as an employee. This is also a consideration if you ever plan to put your @uab.edu address on a resume, business card, letterhead, Web site, database, etc.
• Should be something you will always be comfortable using as a login name, no matter what UAB service may now or eventually require it. Again, once your BlazerID is registered, it can NEVER BE CHANGED.
• Unless you expect to remain at your current marital status for the rest of your UAB experience, you should be cautious about using your last name or any part of it for your BlazerID. Even if you get married or (hopefully not!) divorced, your BlazerID can NEVER BE CHANGED.

For the password:

• Must be a combination of at least 8 but no more than 16 letters and numbers. Punctuation can also be included, except for blanks, equal signs (=), and quotation marks (" or "). At least one number or punctuation (i.e., something other than a letter) must be part of the combination.
• Unlike the BlazerID, the system allows both capital/upper and lowercase letters but the capitalization is important; it must be entered exactly the same way each time you login or the system will not recognize it.
• Must not be derived from a single dictionary word or your BlazerID.
• Must not be derived from your phone number, social security number, or date of birth.
• Should not be derived from your family members' or pets' names.

How do I set up a new UAB Email account?

To setup a new email account, please visit www.uab.edu/blazerid, select “Get a UAB E-mail Account” from the links on the left side of the page, log in, and follow the appropriate instructions.
Medical Clearance/Immunization Requirements

Due to the limited access to primary care providers due to COVID-19, UAB Student Health Office has deferred the medical clearance requirements until further notice. If you have completed any portion of the medical clearance requirements, we recommend you submit those requirements and plan to complete any missing portions once primary care providers become available. Medical clearance compliance will be required prior to starting into your clinical experiences. UAB Student Health will notify you once medical clearance requirements will be required.

To ensure a safe and healthy campus, UAB requires all entering students to satisfy immunization/TB requirements. All requirements must be met prior to enrolling at the university.

Requirements:
- Physical Exam
- MMR (Measles, Mumps, Rubella)
- Tdap – (Tetanus, Diphtheria, Acellular Pertussis)
- Varicella (Chickenpox/Shingles)
- Meningococcal
- Hepatitis B with antibody titer
- Tuberculosis testing (annual 2 step tb skin test)
- Clinical Health History Form
- Flu

Deadline:
- July 15, 2020

Submit Your Documentation:
- Log into BlazerNET at www.uab.edu/BlazerNET using your Blazer ID and password, Click on “Patient Portal” and log in using your Blazer ID and password.
- Click on “Forms”, then click “Add immunization record”

You will have the ability to scan and upload documents for your various clearance requirements. (Must be JPEG, JPG, PNG, GIF or PDF). You may also fax your immunization records to SHW at 205-996-SHOT (7468).

You can access your specific immunization/TB requirements and general information at the following link: http://www.uab.edu/studenthealth/medical-clearance/general-info .

We look forward to serving you during your time at UAB. Feel free to contact us if you have any questions or concerns.

NAME: ______________________________________________ DATE OF BIRTH: (mm/dd/yyyy): ______________

ADDRESS: ___________________________________________________________________ PHONE: _____________________

PROGRAM OF STUDY: ___________________________________________________ BLAZERID: ___________________@UAB.EDU

IMMUNIZATION HISTORY MUST BE COMPLETED AND SIGNED BY A HEALTH CARE PROVIDER

*Copies of your original immunization records are acceptable in place of this form. Please submit completed form or immunization records directly to your UAB SH&W Patient Portal.

1. **MMR** - Measles, Mumps, and Rubella: All students must satisfy this requirement, either by two vaccine doses against each of the three diseases or laboratory evidence of immunity to all three diseases.

   **EITHER**
   
   Two doses of MMR vaccine: Date: _____/_____/_____
   
   OR
   
   Two doses of each vaccine component:
   
   Measles Date: _____/_____/_____
   
   Mumps Date: _____/_____/_____
   
   Rubella Date: _____/_____/_____
   
   OR
   
   Laboratory evidence of immunity to all three diseases:
   
   Measles Date: _____/_____/_____
   
   Mumps Date: _____/_____/_____
   
   Rubella Date: _____/_____/_____

   *If any laboratory titers are non-immune, 2 repeat vaccines are required. Date: _____/_____/_____

2. **Tdap** - Tetanus, Diphtheria, Acellular Pertussis: All students must have had one dose of the adult Tdap given 2006 or later. If the last adult Tdap is greater than 10 years old, a Td booster is required.

   Tdap Date: _____/_____/_____
   
   Td Date: _____/_____/_____

3. **Hepatitis B Series** - All students must have a series of three Hepatitis B vaccinations (initial dose, dose two at 1 month, dose three at 6 months). A post-vaccine surface antibody titer (to demonstrate immunity) is required one month after 3rd vaccine dose.

   Dose 1 Date: _____/_____/_____
   
   Dose 2 Date: _____/_____/_____
   
   Dose 3 Date: _____/_____/_____
   
   Hep B surface antibody titer: Reactive: _____ Non-Reactive: _____
   
   *If Hep B surface antibody is non-reactive, repeat series and post-vaccine surface antibody titer are required.

   Dose 1 Date: _____/_____/_____
   
   Dose 2 Date: _____/_____/_____
   
   Dose 3 Date: _____/_____/_____
   
   Hep B surface antibody titer: Reactive: _____ Non-Reactive: _____
   
   *If repeat Hep B surface antibody is non-reactive, Hep B surface antigen is required to rule out acute or chronic Hep B infection.

   Hep B surface antigen titer: Positive: _____ Negative: _____
   
   **If Hep B surface antigen is positive, visit with SH&W provider is required for additional testing. If negative, student will be considered a non-responder.

4. **Varicella** (chickenpox or shingles): All students must have documented history of Varicella, a positive Varicella antibody titer, or two doses of Varicella vaccines given at least 28 days apart.

   **EITHER**
   
   History of Varicella (chickenpox or shingles): Yes: _____ No: ______
   
   OR
ONLY USE THIS FORM IF YOU CANNOT SUBMIT THE ELECTRONIC HEALTH HISTORY IN THE PATIENT PORTAL.

Please save this form and upload it to your patient portal for your medical clearance.

REGISTRATION

To register for courses, please sign in to BlazerNET (www.uab.edu/blazernet). Access to BlazerNET requires a BlazerID and password. If you do not have a BlazerID, you may obtain one at BlazerID Central or you may view the schedule of classes.

How to Register through BlazerNET

- Once logged in to BlazerNET, click on the "Registration" link on the green ribbon.

To look up the Course Reference Number for your course(s)

- Click on the "Look Up Classes" link to search the available courses for the term. You may search for classes with several different criteria, but the only block that must be utilized is the Subject block.

1. Select Term
   Look Up Classes
   Add, Drop or Withdraw Classes
   Change Class Options
   View at a Glance
   Student Detail Schedule
   Registration Status
   Active Registration
   Registration History
   Enrollment Verification Request
   Banner Self Service Enrollment Verification Request
   Order Text Books
   Schedule Planner - New!!!
   Create the perfect class schedule.
   Schedule Planner Registration Cart

2. Search by Term:
   None
   RELEASE: 8.7.1.2

3. Subject
   R40: Nursing - Occupational Health
   N40: Nursing - Pediatrics
   N50: Psych Mental Health Nursing
   N60: Nursing - Research Methods
   N70: Nursing - Statistical Methods
   N80: Nursing - Teaching
   N90: Nutrition Sciences
   MW: Nursing - Women's Health
   CL: Oral Hygiene

   Once the classes are visible, register for the course(s) by clicking on the empty checkbox to the left of the CRN and clicking on the Register button at the bottom of the screen.
If you already know the CRN for your course(s)

- Click on the “Add/Drop Classes” link in the “Registration Tools” channel.
  
  ![Add/Drop Classes Link](image)

- The Add/Drop worksheet will appear. There will be a row of empty blocks. Type in the 5-digit CRN for your course in any of the blocks. If you are registering for more than one course, tab over to another block and enter in all of the courses at one time. (You do not need to type in the subject or number for the course, only the CRN is required!)

- Click on the **Register** button at the bottom of the screen when complete.

**IMPORTANT NOTE:**

Register for co-requisites in your Clinical Sequence by selecting **BOTH** courses required at the same time. Failure to select both courses at the same time will cause an error and not allow you to register for either course until **BOTH** are selected simultaneously.

If you receive a Registration Error Message when registering, please contact the Office of Student Success in the School of Nursing 205-975-7529

Please see the list below of common registration errors:

- **RAC:** A Registration Access Code (RAC) is required for your account.
- **CORQ:** Course has a corequisite. The CRN of the required corequisite should follow the CORQ error message. Please submit the courses simultaneously.
- **PREQ/TEST SCORE:** Course has a prerequisite or test placement requirement. The CRN or title of the required prerequisite should follow the PREQ error message.
- **CLOSED SECTION:** There are no more seats available in the course.
- **NEED INSTRUCTOR PERMISSION:** Permission of the instructor is required to take this course.
- **LEVEL RESTRICTION:** Your classification level is invalid for this course.
- **HOLDS:** Holds are on your account, which restrict you from registering. Please scroll down until you see a “View Holds” icon. This icon will show your specific holds. Please see the department listed to remove the hold.
HIPAA
American Health Insurance Portability and Accountability Act of 1996

HIPAA works to ensure that all medical records, medical billing and patient records meet certain consistent standards with regards to documentation, handling and privacy.

HIPAA is a one-time training – if you are or were employed with UAB or are a former SON student you have already completed the training and it will not show up in your Assigned Learning, you will need to send a copy of your certificate of completion either via email (sonstudaffrs@uab.edu) or fax to 205-934-5490.

***If you have taken HIPAA training with another healthcare institution, you will need to retake it through UAB’s Campus Learning system in order to complete the requirement and receive credit.

To access the **UAB/UABHS HIPAA Privacy and Security Training Course** click here:
https://www.uab.edu/campuslms

- Click on LOGIN WITH BLAZERID
- Log in using your BlazerID and password
- Type in “**UAB/UABHS HIPAA Privacy and Security Training**” in the search bar
- Select the course and then click ENROLL
- Click on START LEARNING NOW
- Click on DOWNLOAD NOW
- Presentation slides will display
- View all training slides
- When completed, exit by selecting the ‘X’ at the top right of the screen
- Click on HIPAA Post Test
- Click on BEGIN THE TEST
- Click on ‘Start Test’
- Successful completion is considered a score of 75% or better. If unsuccessful, repeat these steps until you have a satisfactory score.
- You can see a certificate in the Campus Learning System by going to “My Activities” located on the homepage; however, https://www.uab.edu/learninglocker is the repository for full training history. Courses completed within the campus learning system will be logged into the Learning Locker within 1 business day.

*The School of Nursing will have access electronically to your training.* Once you complete the training you should expect 2 business days before your hold is removed.

If you are having problems accessing the Campus Learning system email campuslearning@uab.edu. Please include a phone number where you can be reached. This phone should be near your computer so that someone can assist you.
Bloodborne Pathogens Course (OSHA)  
Occupational Safety and Health Administration

To access the “Bloodborne Pathogens Course” (OSHA) training go to (clicking the link enrolls you into the course):

https://uab.docebosaas.com/lms/index.php?r=course/deeplink&course_id=153&hash=ab9c6c7c9c9b386a569fa924e13074b754fec7b4&generated_by=55029.

**Bloodborne Pathogens Course course is REQUIRED ANNUALLY.**

- Click on LOGIN WITH BLAZERID
- Log in using your BlazerID and password
- Click on Bloodborne Pathogens Course
- You will need to click on and go through Course Material, Reality Check, Course Assessment and Course Evaluation
- You can see a certificate in the Campus Learning System by going to “My Activities” located on the homepage; however, https://www.uab.edu/learninglocker is the repository for full training history. Courses completed within the campus learning system will be logged into the Learning Locker within 1 business day

*The School of Nursing will have access electronically to your training.* Once you complete the training you should expect 2 business days before your hold is removed.

*If you are having problems accessing Campus Learning* email campuslearning@uab.edu. Please include a phone number where you can be reached. This phone should be near your computer so that someone can assist you.

Dear Fall 2020 Cohort:

All students need to visit the following website to submit a ONE Card photo prior to coming to campus for the MSN Orientation. To do so, please visit the following website: https://campuscard.uab.edu/bbapps/photosubmit/

You will be required to have a BlazerID to complete this process. This process could potentially allow for us to have all cards printed and ready to distribute when you arrive on campus. For those that fail to submit photos ahead of time, they will still need to get their picture made and their card printed. **UAB employees do not need to submit a new picture or obtain a new ONE Card. Make sure your full name is correct in BlazerNet so that it will show up on your ID correctly.**

**DO**

- Submit current color photo in jpg format
- Use a White/Off-White wall as a solid background
- Center and front view of full face
- Crop just above the top of the head to the collarbone
- Wear prescription glasses if you normally do so
- Limit photo size to .75 MB or 768KB

**DON'T**

- Wear hats, sunglasses or other items that obscure the face
- Submit with glare on glasses or shadows
- Include visible people or objects
- Use inappropriate expressions

**CORRECT SAMPLE:**

![Correct Sample Image]
