

COVID-19 Exposure Plan

07.12.2020

Known or Suspected COVID Exposure or (+) test in HPB, CBSE, Volker or Shelby:

Student or Employee should IMMEDIATELY notify:

1. UAB Healthcheck, AND
2. Internal person(s) responsible for your assignment

STUDENTS: Dr. Steele and Oechslin (internal student) or Dr. Elder (external student); Dr. Varghese (grad student)

STAFF: Immediate Supervisor or HR (Roland Harris)

FACULTY: Department Chair (Dr. Gordon) or HR (Roland Harris)

RESIDENTS: Resident Supervisor and Dr. Pate or HR (Roland Harris)

If you have already completed the daily Healthcheck, call Employee Health (faculty/staff/resident) or Student Health (students) directly

Student/Employee awaits guidance from Student/Employee Health regarding testing/isolation

Responsible person or delegate notifies appropriate persons potentially exposed (see next pages) to initiate Healthcheck process

Responsible person or delegate notifies Chris Boutwell (building) or Melendi Morton (clinic) regarding space disinfection

Student Affairs and Faculty Mentors stay in touch with students

HR, Supervisor or Department Chair stay in touch with employees

Information presented is absent of names and sensitive to identifying features where possible

Responsible person or delegate makes arrangements for person exposed to be absent for potential isolation or illness

Employee Health: 205-934-3675
