

## Strategic Planning Council Minutes

January 25, 2019

11:00am-12:00pm

AB 1070

### CALL TO ORDER

### NEW BUSINESS

I. Metrics Updated Dashboard Concept

Dr. Benoit and Eva Lewis walked the council through a second DRAFT version of the metrics dashboard that had been modified since the Senior Leadership Retreat on 11/16/2018 and solicited feedback from the group. This feedback will be used to improve the proposed dashboard.

All agreed that the dashboard was nearly complete for public consumption once some minor formatting and informational consistencies were addressed.

#### Go Blazers!
