NEW BUSINESS

I. Introducing Eva Lewis

Dr. Benoit introduced Eva Lewis, UAB's new Vice Provost for Institutional Effectiveness and Academic Planning. Eva joined the Strategic Planning Council and is helping to spearhead the determination of our planning metrics and the metrics dashboard.

II. Metrics Updated Dashboard Concept

Dr. Benoit and Eva Lewis walked the council through a draft version of the metrics dashboard and solicited feedback from the group. This feedback will be used to improve the proposed dashboard.

III. Targets for each pillar

Finally, Dr. Benoit led the group in a discussion of what reasonable metric targets for each mission pillar might be. These targets were discussed and generated from each of the mission pillar subgroups and based on data points that were reasonable, reliable, repeatable and collected as part of our Institutional Effectiveness and Analysis data gathering processes.
