Here’s to a safe and productive school year

(Pictured L-R): UAB Associate Vice President and Chief of Police Anthony Purcell; Deputy Chief Zandral Washington; Captain Valerie Jackson (Office of Professional Standards); Admin Supervisor Jocelyn Larkin; Director of Physical Security Ozzie Taylor; Executive Director of Emergency Management Randy Pewitt; Director of Fiscal Affairs Tina Molette; Crime Prevention Specialist Tonya Webb; Deputy Chief Marvin Atmore; Captain Kenneth Spencer (Patrol Division); Captain James Granade (Hospital Division); Lieutenant Toney Breeding (Hospital Division); Communications Specialist Ashley Silver; and Captain Amy Schreiner (Criminal Investigations Division).

The UAB Police and Public Safety Department is excited to welcome new and returning students to our campus. UAB enrollment grew to more than 21,920 students this past year, marking a third consecutive year of record enrollment. As we continue to grow and learn from each other, it is important that our community is privy to the campus safety resources available that help provide the safest experience for students, employees and visitors to UAB.

The UABPD is here to serve the community through engagement and proactivity. Look for safety and health resources from the UABPD, UAB Transportation Services, UAB Counseling Services and more on our Campus Safety Resources page (uab.edu/police/safety-resources).

You will also have access to a list of helpful training programs including our Rape, Aggression and Defense (RAD) classes and instructions for using the free Rave Guardian app, which enables UAB employees and students to stay in touch with loved ones in the event of an emergency and contact the police. Each of these resources are especially beneficial to those new to campus.

As we step into a new school year, do not hesitate to call on us and take advantage of the services that enhance the quality of life here at UAB.
