Wheelie! The **UAB** Police Bike

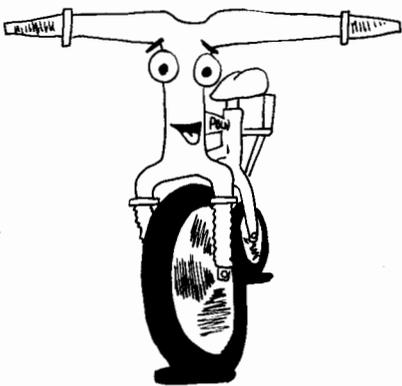

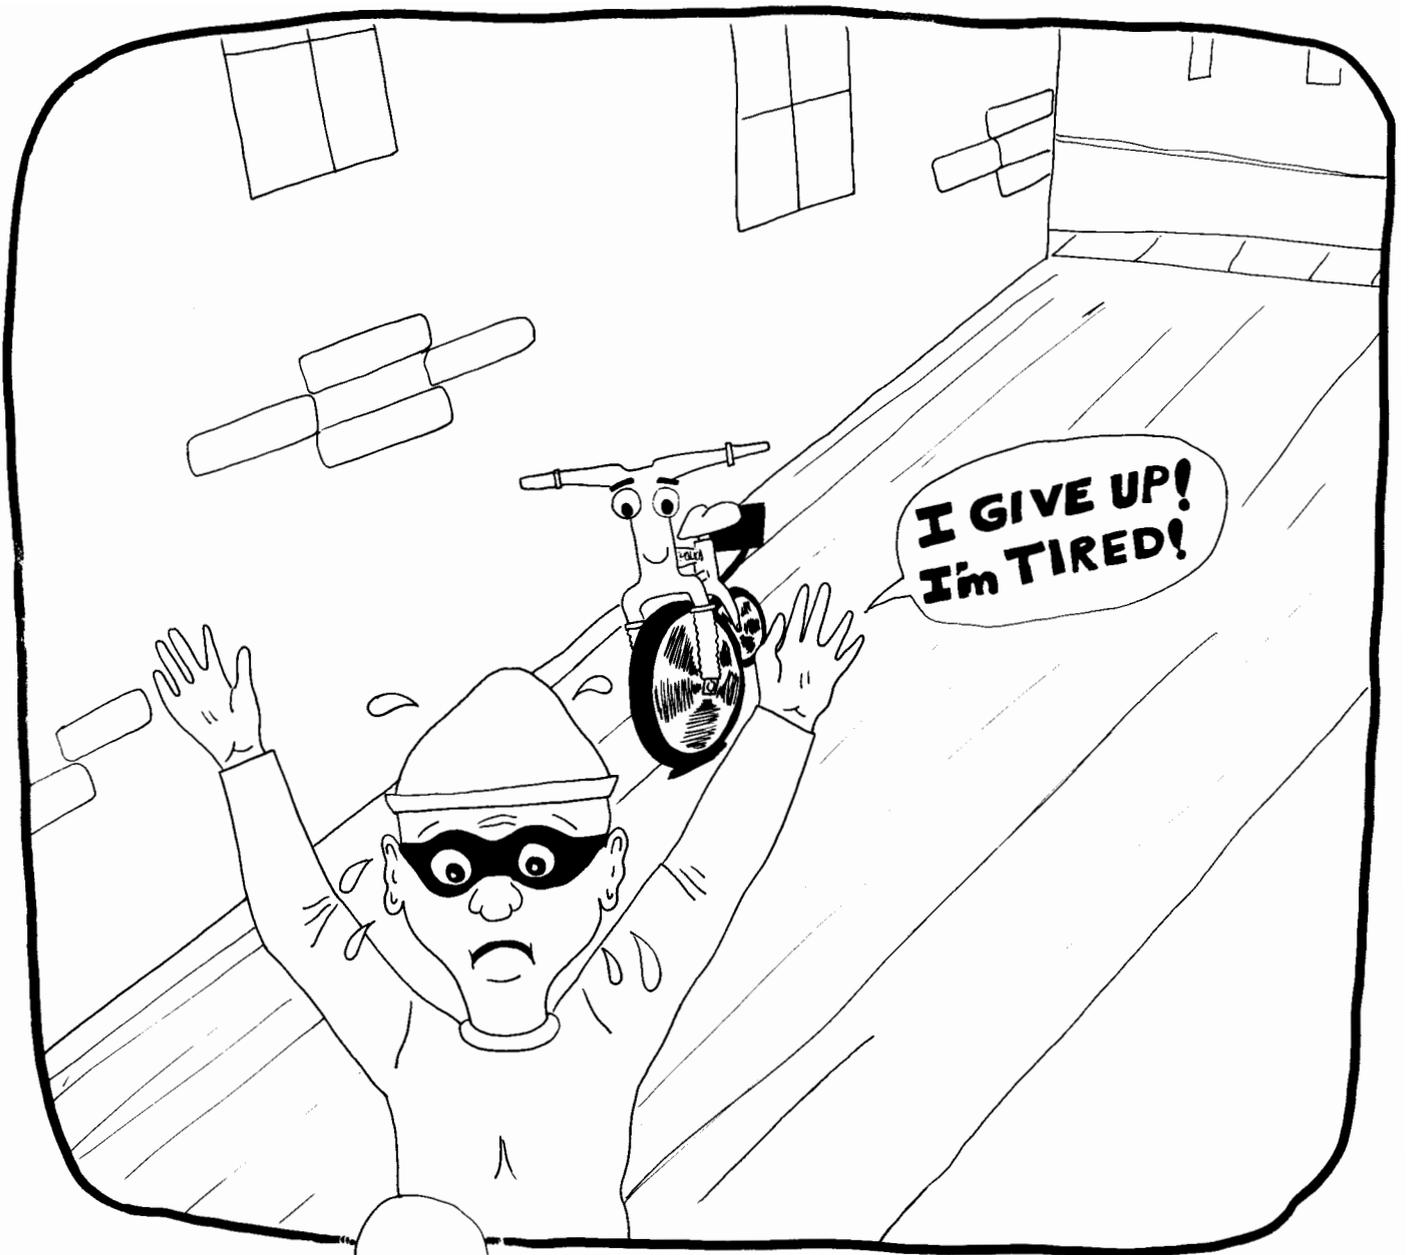

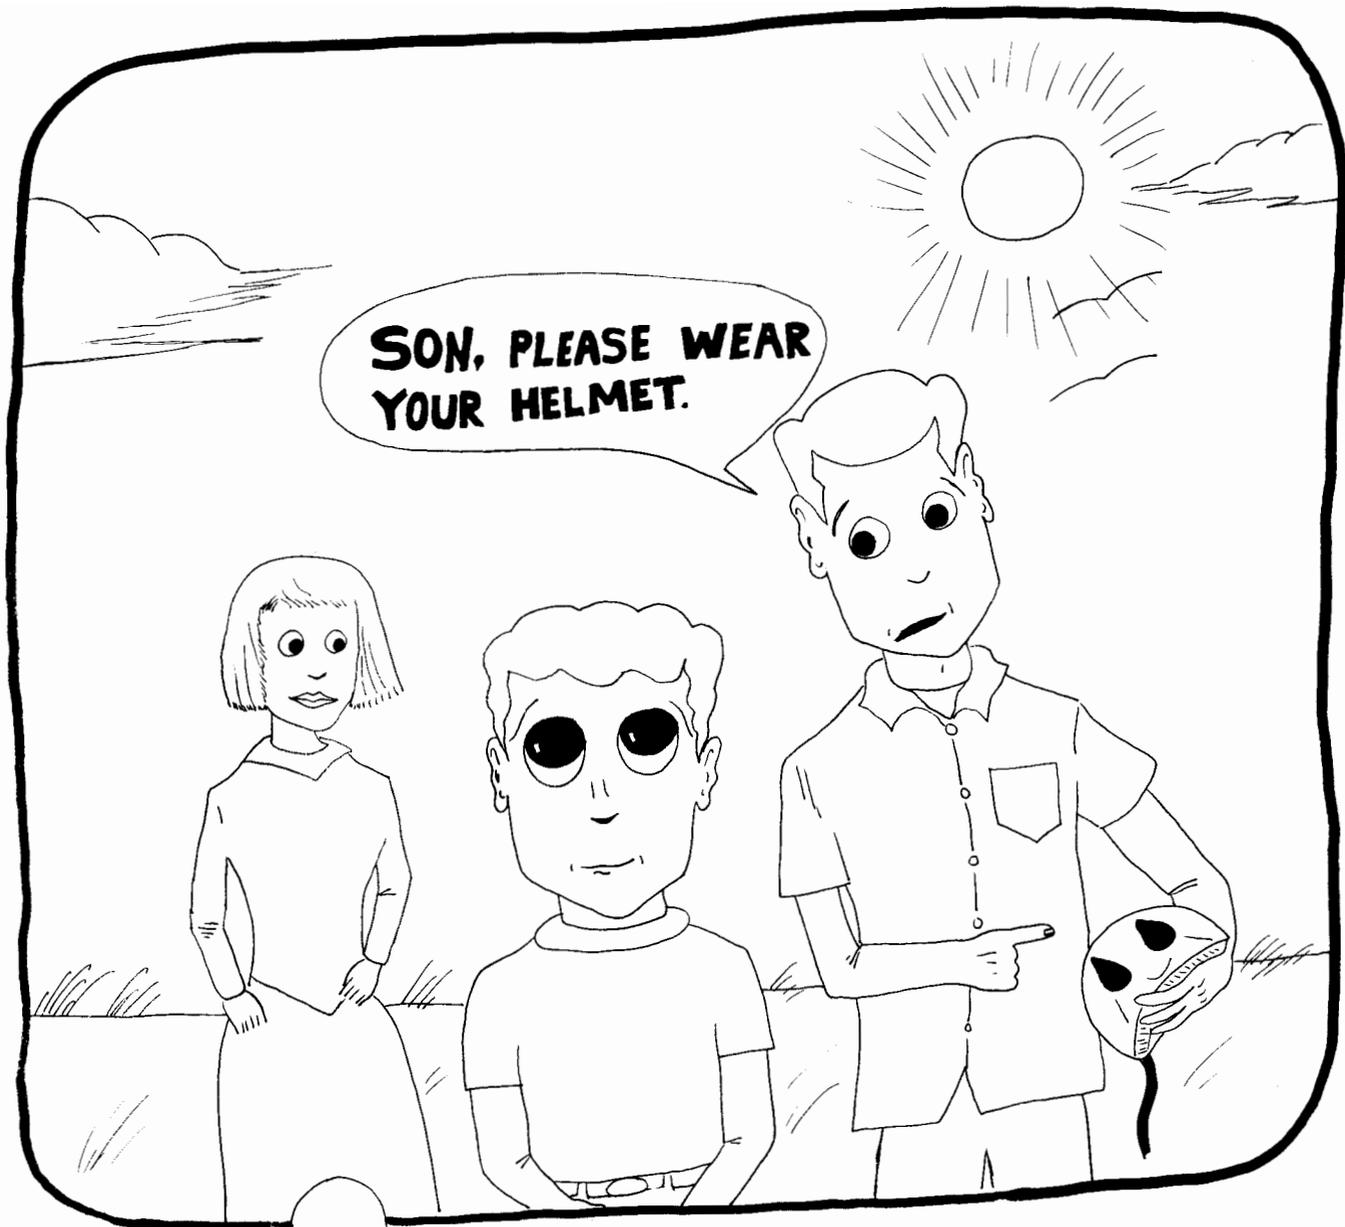

**Hi there! I'm wheelie
the Police Bicycle. You
can see me patrolling
around on streets,
alley's and sidewalks.**

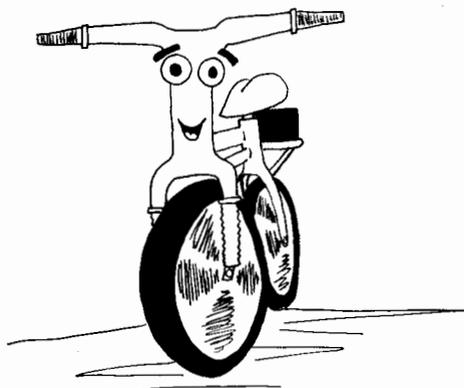

I'm useful in fighting crime and making communities safe. I can patrol in certain area's where other police vehicles can not reach. If anyone tries to run from me like this bank robber.

**I can chase them
down fast. Now...**

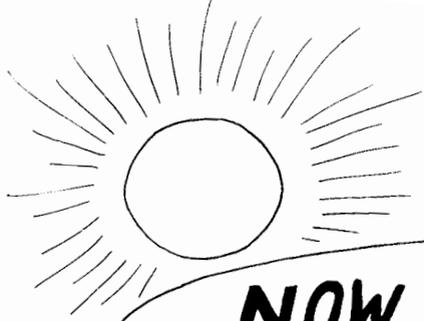

**SON, PLEASE WEAR
YOUR HELMET.**

...a big reminder about bicycle safety. Always remember to wear your helmet. Watch what happens when this little boy doesn't listen to his parents.

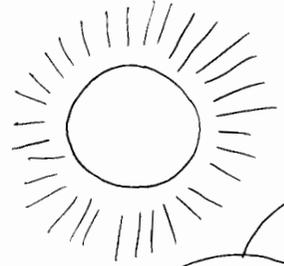

**I DON'T LIKE WEARING
THIS STUPID HELMET.**

**NOW THAT I'M AWAY
FROM MY PARENTS,
I'LL TAKE OFF MY HELMET.**

**THIS IS FUN
WITHOUT MY
HELMET.**

CRASH

**I HURT MY
HEAD!**

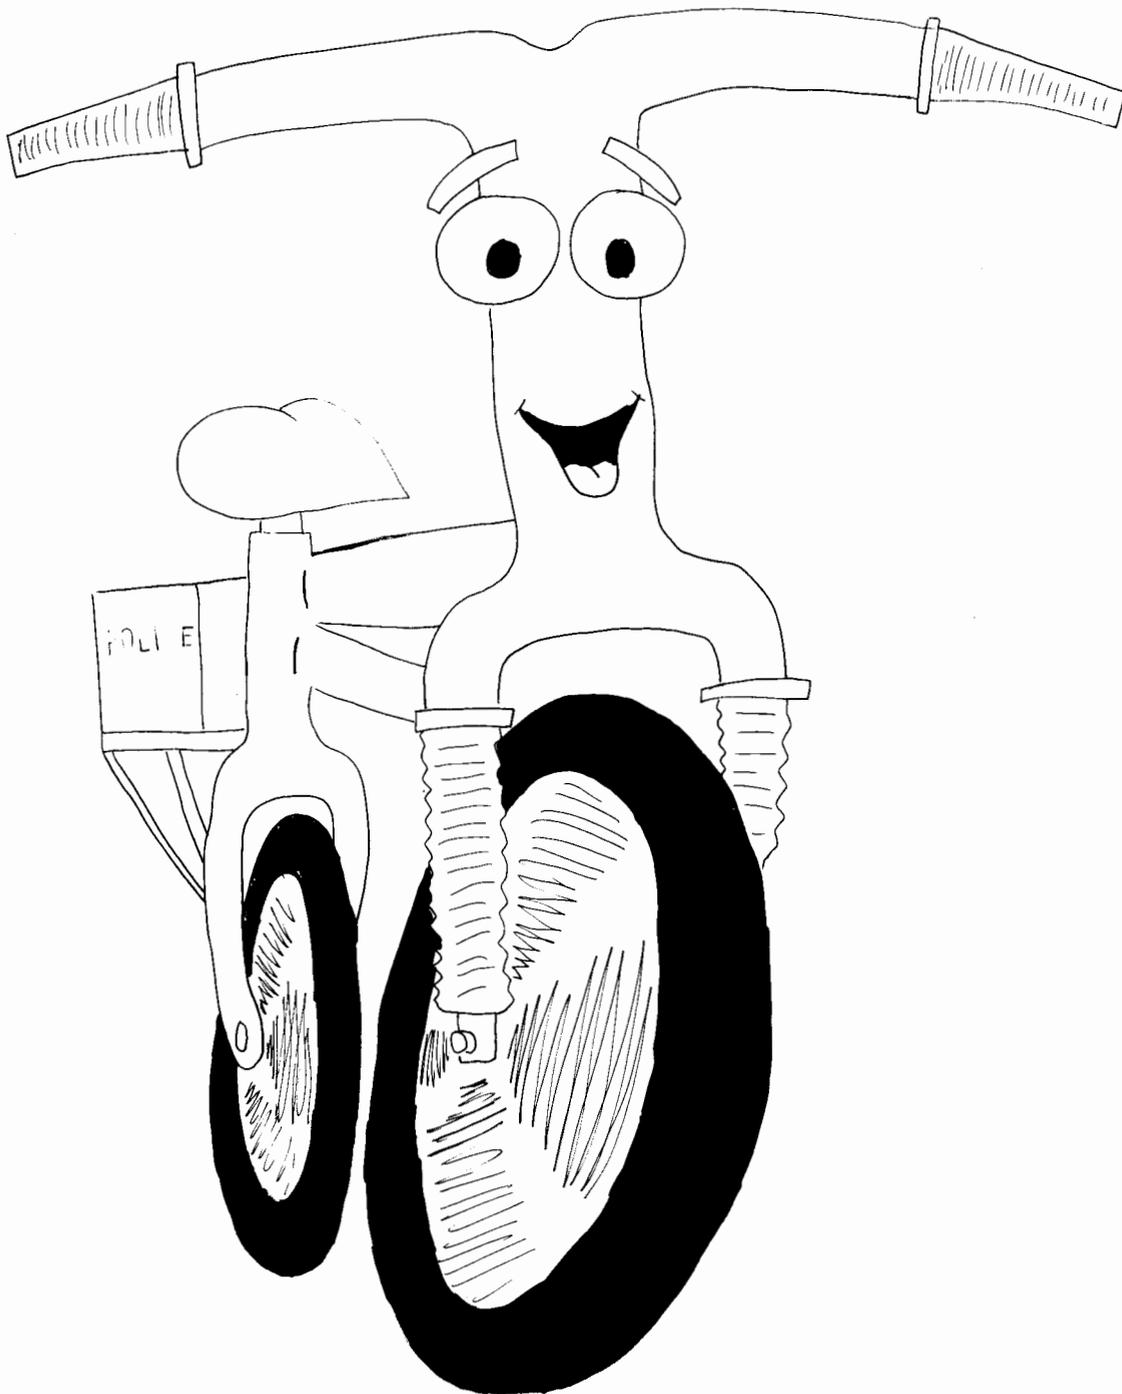

**Son, we asked
you to wear
your helmet.**

**I'm
SORRY.**

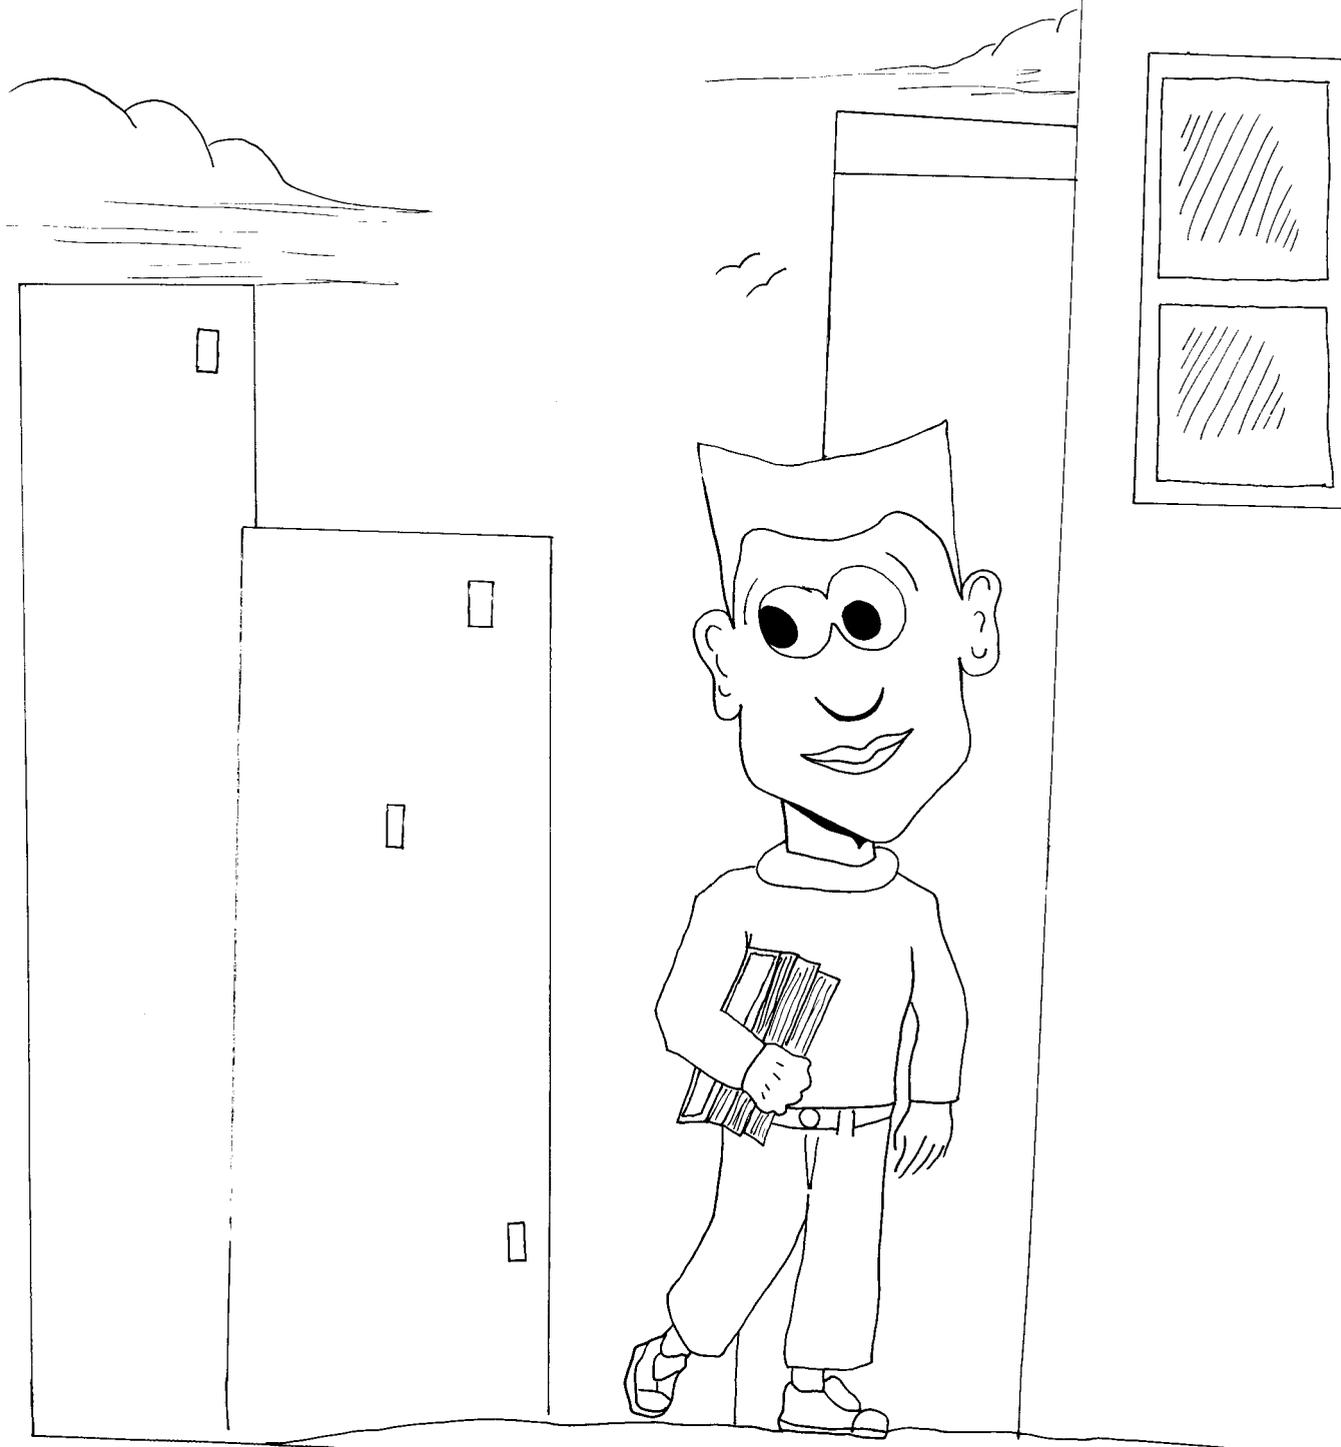

Lucky for that young man, he wasn't seriously injured. A lot of children suffer serious head injuries each year as a result of disregarding a helmet. Remember, wear your helmet. It's the law.

Let me give you a couple more safety tips...

**When you're out walking, always
be aware of your surroundings**

**If anyone ever offers you drugs,
just say "NO!"**

**If you are ever lost or need help, ask a
Police Officer... they are your friends.**

SAFETY TIPS

- **ALWAYS BE AWARE OF YOUR SURROUNDINGS**
- **NEVER RUN INTO THE STREETS**
- **ALWAYS CROSS AT CORNERS**
- **NEVER TAKE MEDICINE THAT BELONGS TO SOMEONE ELSE**
- **STAYING HEALTHY MEANS EATING AND SLEEPING RIGHT**
- **NEVER LET ANYONE TOUCH YOU WHO MAKES YOU FEEL UNSAFE**
