## Meet UAB's new deputy chief of police

Deputy Chief Zandral N. Washington is responsible for the supervision and the daily operations of the following divisions: Patrol, Office of Professional Standards, and Housing/Special Operations. She also oversees the function of the list units: Accreditation, Communication, Training, Crime Prevention and Compliance.

Washington, who began her law enforcement career with the City of Birmingham, has been with the UAB Police Department since 1997. She received her bachelors degree in criminal justice from UAB, and she is pursuing her graduate degree in public administration.

Washington is a graduate of the 257th session of the FBI National Academy. She has been a Commission on Accreditation for Law Enforcement Agencies (CALEA) Assessor since 2008, and she is a member of the Southern Association of Colleges and Schools, a Rape Aggression Defense (RAD) instructor and a crime analyst.

Her first priorities are to develop stronger partnerships between the Police Department and the various campus constituencies. She believes this plays an important role in the growth and staff development, by positively affecting perceptions of campus safety.
