HRPP Training Matrix
IRB & Good Clinical Practice (GCP) Training Requirements

A. Human Subjects / IRB Training

Training Title	Current or Legacy	When Required	Notes
IRB Training – Biomedical	Current	Required basic IRB training for biomedical studies	Must have either this or SBE equivalent
IRB Refresher Training – Biomedical	Current	Required every 3 years after Basic Biomedical training	Must match discipline
IRB Training – Social and Behavioral	Current	Required basic IRB training for SBE studies	Must have either this or Biomedical equivalent
IRB Refresher Training – Social, Behavioral, Educational	Current	Required every 3 years after Basic SBE training	Applies to SBE personnel
IRB Initial Training – Original UAB	Legacy	No longer available in the UAB CITI course catalog	Must complete a *current* IRB Basic course
IRB Initial Training – CITI	Legacy	No longer available in the UAB CITI course catalog	Must complete a *current* IRB Basic course
IRB Continuing Training (CITI Refresher Course)	Legacy	No longer available in the UAB CITI course catalog	Must complete a *current* IRB Refresher
IRB CITI 2018 Refresher Training	Legacy	No longer available in the UAB CITI course catalog	Replace with current refresher
IRB ICH-GCP	Legacy	No longer available in the UAB CITI course catalog	Not an IRB training substitute

B. Good Clinical Practice (GCP) – Clinical Trials Only

Training Title	Current or Legacy	When Required	Notes
CITI Good Clinical Practice	Current	Required for clinical trials	Initial training
GCP Refresher Course	Current	Every 3 years	Must match GCP course family
IRB CITI GCP Refresher	Legacy	No longer available	Complete current GCP Refresher
IRB ICHGCP	Legacy	No longer available	Common confusion; not valid

Expiration & Renewal Guidance

• Training must be current at time of IRB submission

• Renew within 60 days of expiration

• Expired training may delay approval

Additional Training

Financial Conflict of Interest (FCOI) training may also be required.
