

SPRING 2021 UNDERGRADUATE RESEARCH EXPO

LIVE PRESENTATION SCHEDULE

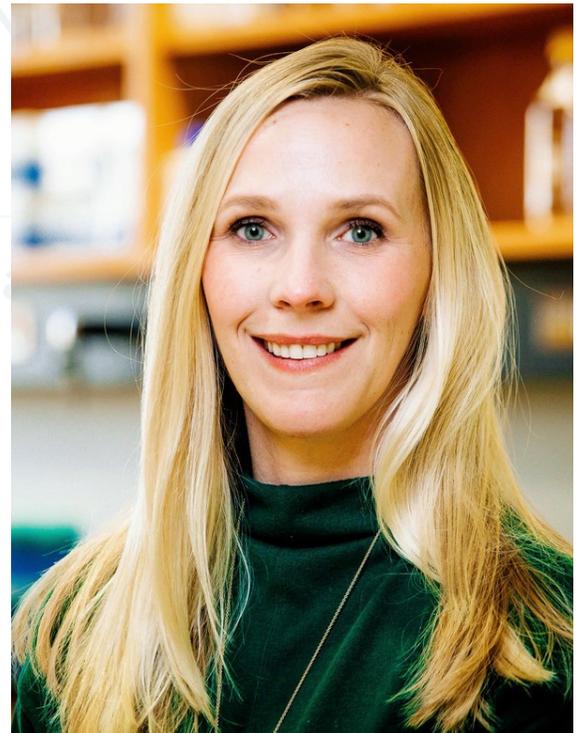

MONDAY, APRIL 19TH

11:00 AM

Keynote Speaker, Cristin Gavin, PhD

Dr. Gavin is an Assistant Dean for Undergraduate Biomedical Programs for the UAB School of Medicine, an Assistant Professor of Neurobiology, an Assistant Professor of Psychology, and Co-Director of the Undergraduate Neuroscience Program (UNP), an interdisciplinary program between the Department of Neurobiology in the School of Medicine and the Department of Psychology in the College of Arts and Sciences. In addition to teaching commitments in the program, Dr. Gavin oversees curriculum and faculty development, academic advising, recruitment, and manages undergraduate neuroscience research in the UAB School of Medicine. Dr. Gavin also serves as Co-Director of the UAB Postbaccalaureate Research Education Program (PREP) an NIH-funded initiative to increase diversity in biomedical sciences at the graduate level and beyond.

Dr. Gavin received her Ph.D. in Neuroscience from UAB. Her research areas include cellular and molecular mechanisms of structural and functional plasticity; memory; and mechanisms of neurodevelopmental disabilities.
