# BS in Health Care Management

We designed this program for aspiring leaders, like you, who want to improve hospitals, medical practices, and other health care organizations. This is for students who want to go into entry- or mid-level management careers or continue to a graduate program.

Our General and Clinical Manager tracks offer students multiple pathways that combine two important bodies of knowledge - health care and management - and your education should reflect that.

## TWO TRACKS, MANY POSSIBILITIES

- ▶ **General Manager** — Lead health operations, pursue graduate degree, prepare for NHA licensure exam.
- ▶ **Clinical Manager** — For health care professionals already licensed or credentialed.

## REQUIREMENTS

- ▶ Minimum 2.5 GPA.
- ▶ Meet all UAB undergraduate admission requirements.

## DEADLINES

Apply online at [uab.edu/students/admissions/apply](https://uab.edu/students/admissions/apply).

- ▶ Applications accepted year-round.
