

**UAB MS in Health
Administration Program**

**ONE
MSHA**

**Ranked #1 by
U.S. News & World Report**

We reached #1 because we are one MSHA...

**Best and
brightest
students**

**Outstanding,
engaged
alumni**

**Dedicated
faculty
and staff**

**Exceptional
preceptors
and mentors**

**Together, as ONE MSHA we can achieve
our goal of staying #1 by:**

**Attracting the
best students
who will become
outstanding health
care leaders**

**Offering
scholarships that
make it possible
for top students
to attend**

**Recruiting
diverse students
who often have
increased levels of
financial need**

**Meeting
the educational
needs of the
evolving health
care industry**

All too often, a student's decision comes down to one number and it is not the ranking; it is the financial figure that comes with seeking a graduate degree.

YOU CAN HELP

Grow your legacy and show current and future students that you believe in them and your alma mater by donating today to MSHA scholarships. Scholarship funding will help significantly in our recruitment, especially with students who are from out of state or underrepresented populations – both are vital to maintaining our excellence and our #1 ranking. As an alum, your success and your support helps elevate your program.

Make the choice to make a difference and you will impact not only the lives of our students, but also the lives that they will impact as future health care leaders.

ONE ASK. ONE GIFT. ONE MSHA.
