

# **Cathy K. Eddy**

## **Founder, Health Plan Alliance**

Cathy is the founder of the Health Plan Alliance and retired as president in April 2018. She has been a speaker and facilitator for numerous boards, addressing the challenges of health care reform, provider ownership, managed care trends, governance, accountable care, and future direction.

She served on the Presbyterian Health Plan Board from 2005-2016 and on the system Board Quality Committee until 2018. She also served on the Health First board of trustees and the Health First Health Plan Board of Directors from 2013-2018.

She currently is an advisor to numerous health systems, health plans, associations and companies. Her advisory areas of interest include governance, innovation, provider/payer integration and product positioning and strategy.

She has been on boards and advisory boards for Health Industry Council, DST Healthcare, Women Business Leaders and Frost Data Capital. She is a strategic advisor for Talix, Panviva and MindShare Medical. In 2018 she joined the board of GrayMatterAI, a startup for specialty pharmacy analytics. She has done consulting and advisory work for Spring Street Exchange, Quantified Ventures, MSP Recovery, Lumeris, the Alliance of Community Health Plans and the American Telemedicine Association.
