UAB Physician Assistant Studies Program Overview
The Master of Science in Physician Assistant Studies is ranked #16 by U.S. News & World Report. Students in this acclaimed program study within one of the top medical centers in the U.S. and have opportunities to participate in clinical rotations in more than 50 different sites throughout the United States.

STUDENTS
UAB Physician Assistant Studies students focus on academics and clinical rotations but that is only a part of the education experience. Community service, increasing visibility of the profession (locally, regionally and nationally), professional involvement and participation in the SAAAPA Challenge Bowl and student organizations are all integral parts of our students’ development and education.

CLINICAL ROTATION OPTIONS:
- Emergency Medicine
- Primary Care
- Trauma
- Critical Care
- Surgery

"Our students graduate as well-rounded PAs – prepared to make their patients, community and profession better." — Rick Kilgore, PhD, Program Director

ALUMNI
Our alumni are our greatest asset. With more than 900 alumni serving those in need in 42 states, they are paving the way for those entering the PA profession. Our alumni are leaders in the field and provide high-quality care to all. Many of our alumni stay connected with our program by serving as preceptors, guest lecturers and mentors.
Commemorating 50 Years
In April 2017, we will be celebrating our 50th Anniversary in Birmingham including:
- Tours of our newly renovated building
- Alumni Reunions
- Celebration Event
