In Situ Simulation Coming On Site To You

About OIPS

The Office of Interprofessional Simulation for Innovative Clinical Practice (OIPS) is charged with using simulation to test the UAB Health System, including hospitals and clinics, in various ways. As part of this initiative, OIPS is planning to bring simulation to your area.

Our Goals

- Improve teamwork and communication regarding patient care
- Identify system issues that can affect patient safety

Mock Resuscitation
Mock Code Stroke
Emergency Delivery
Process Evaluation
Malignant Hyperthermia
