All students in an MSPH, MS, DrPH, or PhD program are **required** to complete PUH 600: Overview of Public Health. The course must be completed in a single semester (Fall or Spring); students must complete the course by the end of their second semester in the program. Students with prior public health education (BS in Public Health or MPH) or extensive public health experience (5+ years in public health practice) **may** be waived from this requirement by permission of the Associate Dean for Academic Affairs, but this is rare.
