Instrument: Neighborhood Questionnaire (nbr)  Enabled as survey									
732	[nbr_intro]	Neighborhood Questionnaire (Adapted from MESA) Things about people's neighborhoods may be important to their health. Now we would like to ask you some questions about what it is like to live in your neighborhood. By neighborhood we mean the area around where you live and around your house. It may include places you shop, religious or public institutions, or a local business district. It is the general area around your house where you might perform routine tasks, such as shopping, going to the park, or visiting with neighbors. Please take the time to answer carefully, but do not spend too much time on any one question. Remember that there are no right or wrong answers. We appreciate your taking the time to complete this questionnaire.	descriptive
