

CAMPUS DINING CAMPS & CONFERENCES LUNCH OPTIONS

To whom it may concern,

We hope this letter finds you well. On behalf of UAB Campus Dining, we are excited to extend an invitation to your camp to utilize our dining facility for your upcoming camp season. We understand the importance of providing nutritious meals and are committed to offering a dining experience that meets your camp's unique requirements.

As you prepare for your camp, we kindly request that you provide us with information regarding any special dietary restrictions or food allergies among your campers and staff. Our team at Campus Dining is dedicated to providing exceptional service and crafting delicious meals that fuel your campers' performance. We take pride in our experienced culinary team, outstanding customer service, and our ability to accommodate various dietary needs.

We require a 30-day notice period for bookings at our facility to allow us to adequately prepare and staff for your camp's dining needs. We also kindly request that the full payment for the meals be made 7 days prior to the first meal service.

We also want to highlight that we have Breakfast available for groups of 50 or more upon request. Please let us know if you would like to include breakfast in your camp's plan.

We are happy to answer any questions or provide further information.

Warm Regards
