“If you don’t want to make the trek all the way to the library with your heavy backpack (because we have to carry literally everything in there) come sit in the lounge! It’s a quiet place to relax and study, eat lunch, and ask any questions you need to. The Student Assistants and Pathfinders are always so helpful and do what they can to answer any questions you have.”
Linsey Griffin
Junior, Communication Studies | Off-Campus Student Council

“Seek out and reach out! Seek out options regarding academics and involvement to make the best of your UAB experience. Never be afraid to reach out to people and seek help for people might be the doorway to your success. Also, be sure to stay involved to feel connected to the campus.”
Tehreem Khan | Sophomore, Communication Studies | Off-Campus Student Council

MEET WITH A PATHFINDER

With so many exciting ways to get involved, you may be wondering where to start. The UAB Pathfinders are here to help!

PATHFINDERS

A.J. Jarman

Lindsey Kilgore

Mary Ann Jimenez

Rahm Bakshi

The Pathfinders are a diverse group of student leaders that can help you find the resources and organizations that best suit your interests.

Whether you are interested in joining a student organization, finding volunteer opportunities, starting a new student organization, or need general involvement information, the pathfinders are here to help. Pathfinders offer peer-to-peer advising by appointment via the Engage form "Pathfinder Meeting Request" as well as walk-in visits in the Off-Campus Student Lounge. Meeting with a Pathfinder is a great way to find engagement opportunities at UAB!

@uab.pathfinders

facebook.com/UABPathfinders

"Not everyone has the luxury of attending an urban research university like UAB! While living on campus has its amenities, many of us must commute. The greatest tip I have for incoming students is to be patient and vigilant when the semester starts. This is when campus is the most packed and has its rush. Please do your best to wake up earlier and avoid traffic. Starting your day early can really promote good health and will guarantee that parking spot!"
Rahm Bakshi | Pathfinder, Off-Campus Student Services

UAB.EDU/UABENGAGE

UAB's involvement and community service platforms, Engage and BlazerPulse, are your ways to connect to campus. Engage offers a search engine for events, organizations, and news articles tailored to your interests. BlazerPulse is a centralized community service website where you can find service opportunities and track your community service.

By participating in events and organizations through Engage, you can create an involvement resume that demonstrates your engagement at UAB outside of the classroom. Log into Engage with your BlazerID and password to start building your involvement resume.

UAB has over 350 Registered Student Organizations within the office of Student Involvement and Leadership, so you are likely to find one that fits your interests!

Once you find an organization you would like to join, you can click "Join" or "Contact," on the organization's page in Engage. Some organizations have a formal recruitment, interview, or election process, so contacting them to show interest is a great first step in gaining membership.

Engage can lead you to events such as:

- UAB Sporting Events
- Involvement and Career Fairs
- Lecture Series
- Theatre Performances
- Resume Building Workshops
- Multicultural and Diversity-based Events
- Interactions with Local Non-Profit Organizations
- Volunteering Opportunities, like Into the Streets!

Cultivating your student experience begins with engagement outside of the classroom. Utilizing the filters when searching events or organizations on Engage and BlazerPulse is an easy way to narrow in on your interests. You can indicate your preferred dates, themes, categories and perks! This feature also allows you to choose cultural, social, educational, entertainment-based and team-building events.

"Be sure to keep an eye out for all of the student involvement fairs we have on campus. Getting involved on campus is so much easier than most people think no matter what type of organization it is with."

Below is a checklist...

Before signing a lease, thoroughly inspect the entire property.

Does the water work?

Turn on all faucets/showerheads to make sure the hot/cold water works, and that there are no worrisome drips.

Safety First.

Make sure there is adequate outdoor lighting for your safety.

Security

Make sure exterior doors have functioning locks.

Check for smoke detectors!

There should be at least one per floor, especially near or in the bedroom.

In Case of Emergency

Make sure windows are not painted shut, and make sure bedroom windows are large enough to crawl through in case of emergency.

Functioning Appliances

Check all appliances to make sure they work.

Check the thermostat.

Make sure the heat and air conditioning work correctly.

Room Conditions

Check walls and floors for moisture damage or mold.

Tenant Opinions

Speak to the current tenants to see what type of issues they encountered.

“If you know that you have a busy schedule, buy an extra charger for each device so you never have to worry about your device dying. Bringing a few extra snacks to keep in your car or backpack also helps to prevent spending any extra money on campus as that money adds up.”

Kaitlyn Willis | Sophomore, Kinesiology | Off-Campus Student Council

Understanding Your Lease

Although not all landlords have the same policies, renting requirements in the Birmingham area are typically consistent.

Be aware that an application fee may be applicable.
This tends to range from \$30-\$75 per person.

Be aware that your landlord will most likely check your credit report.

Confirm the length of your lease.
Apartments that offer short-term leases can be found on our off-campus housing website.

It is not uncommon for landlords to require a co-signer.
Make sure all of the tenants and co-signers sign the lease at the same time.

Keep a personal copy of the signed lease.

For more information on understanding your lease, the Alabama Tenants' Handbook can be found at UAB.EDU/STUDENTS/OFFCAMPUS.

Definitions

Co-signer (n.)
A person who signs an official document (such as a loan, contract, or law) with another person.

Security Deposit (n.)
A required, yet refundable, payment to a landlord in order to ensure that the rental property is not damaged and that all rent is paid during the lease term. A security deposit is typically equivalent to one month's rent.

Sublet (n.)
A vacant apartment or house where a renter has already signed a lease and is now renting to another individual.

Lease (n.)
A legally binding contract by which one party (typically the landlord) provides property to another (typically the tenant) for a specified term, in return for a periodic payment (usually monthly).

Living Off-Campus

Schedule.

Schedule a date to meet with your landlord prior to move-in. This is the perfect time to have a final walk-through of the property and pick up your keys.

Plan for Move-In Day.

Arrange move-in day plans. This could be reserving a moving truck or enlisting friends and family to help you move boxes. Maybe even establish a system to help you keep up with your packing (like labeling boxes with a description of the items inside).

Set Up Utilities.

Set up utilities. This step helps ensure that your home will have running water, heat and air conditioning, internet, and other necessities before your first night.

Plan for Parking.

Buy parking permit(s). Check with your landlord about on-site parking passes. Many larger apartment complexes require passes to access resident lots and decks. If you plan to park in UAB's on-campus commuter lots or decks, you will need to purchase a parking permit at uab.edu/transportation.

Buy Insurance.

Buy renters insurance. While this is a step that many college students skip, it is definitely a must-have before move-in day. It is typically very inexpensive with the benefits outweighing the cost.

Here are some of your rights and responsibilities from the Alabama Tenants' Handbook:

Landlord Obligations:

- Comply with all applicable building, housing, and health and safety codes
- Provide 2 days' notice prior to entering the unit (unless there is an emergency)
- Allow tenant to file complaints about unsafe living conditions, without retaliation
- Keep common areas safe and clean
- Make repairs to keep your place safe and livable
- Cannot enforce new rules that affect the current term of your lease

Tenant Obligations:

- Pay rent on time, with late fee applicable
- Dispose of garbage correctly
- Tell your landlord if you plan to be gone for 2 weeks or longer
- Do not disturb your neighbors
- Be respectful of the landlord's property
- Be aware that unlawful actions of your guests can reflect on you to your landlord

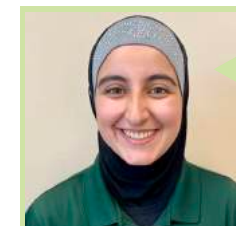

Protecting your security deposit...

- Take pictures and videos of the entire property prior to moving in furniture
- Document everything from floor to ceiling
- Make a list of all repairs in writing and keep a copy for your records

Your security deposit is refundable within 35 days of the end of your lease, as long as:

- You are up-to-date on rent
- The property is returned in the same condition as it was received
- You have provided a forwarding address

A copy of the Alabama Tenants' Handbook can be found at UAB.EDU/STUDENTS/OFFCAMPUS.

"Pick a day of the week to get gas, and stick to it (as much as possible) for the semester. Even if your tank isn't empty, if you constantly fill it up on the same day, it'll prevent you from waking up one morning late for your 8 a.m. class, and realizing you have no gas."

Nour Moughnyeh | Junior, Immunology | Off-Campus Student Council

Make sure you don't forget to do these important things before moving out:

Document the condition of the property.

Once your move out process has been completed, take pictures and videos of all the areas. This is also a good time to schedule a walk through with your landlord.

Re-read your lease.

Check for the deadline of when you need to notify your landlord, in writing, of your intent to renew the lease or move out. You must provide your forwarding address to your landlord for the security deposit to be returned.

Make sure you pay last month's rent.

You cannot substitute last month's rent with the already-paid security deposit.

Clean thoroughly.

Remove nails, tacks and tape, clean out appliances, and replace burned out light bulbs.

Arrange garbage or donation pick-up for large items.

Local thrift stores offer free donation pick-up for large items.

Cancel or transfer your utility accounts.

Call your utility providers directly to schedule a day to discontinue your services. Remember that your account must be paid in full before you can cancel.

"One day, you will absolutely need that one thing you said you didn't need, so don't hesitate to over pack your car! And be sure to check your email and the weather before your commute. From sitting in traffic for over an hour trying to get to a class that had already been cancelled, to journeying through a torrential downpour across campus without an umbrella.... trust me, I know."

Tarana Sidhu | Senior, Biology | Off-Campus Student Council

Parking policies at UAB have been updated recently. It is a good idea to familiarize yourself with all of your parking options listed on UAB Transportation's website.

If you plan to park your car on campus, UAB Transportation requires the purchase of a zoned Parking Pass to be displayed in your vehicle. Students will have the option to choose among seven zones with Zones A through G available to all students and Zone 7 reserved for students who live on campus. Permits will still be sold on a first-come, first-served basis, so students are encouraged to apply early to ensure their desired zone is still available. To assist students in determining their best parking option, UAB Transportation has provided a table of estimated walking distances from each zone to a list of the most popular academic buildings. To access this table, please visit UAB.EDU/TRANSPORTATION.

Blazer Express

Taking the Blazer Express from various lots can also be a quick and easy way to find parking. Download the DoubleMap app to track the Blazer Express in real time.

CommuteSmart

Did you know you can get paid for carpooling, walking, or biking to campus? Read more about getting paid for sustainable commuting options through CommuteSmart at UAB.EDU/SUSTAINABILITY.

Register your bicycle.

Students receive a free helmet and U-lock with bike registration, available for pickup at the UAB Transportation office. Registration can be completed online (permit stickers will be mailed), in person at UAB Transportation, or at one of the many tabling events throughout the year. While UAB doesn't have a bike permitting requirement, registration is easy and free! Registering and personalizing your bike also connects you as the owner of your bike, which is important in case of theft or if your bike is deemed abandoned.

For more information about commuting to campus, contact UAB Transportation at (205) 934-3513.

"Always make sure to know a few parking lots that you are able to park in, just in case your usual lot happens to be full one day. Also, always come prepared with snacks and drinks to make sure you have an energy boosts when necessary!"

Wynter Burlock | Senior, Psychology | Off-Campus Student Council

Be proactive with your safety.

- Do not open your doors to strangers.
- Always keep doors and windows locked, even when you are home.
- If you have scheduled a utility company appointment, ask to see ID badges before entry.
- Never leave valuables in your car.
- Walk in well-lit areas, avoid alleys, and travel in groups.

- Lock your doors and windows.
- Secure your valuables, including TVs.
- Unplug electrical extensions, including small kitchen appliances, like toasters.
- Ask a friend or neighbor to keep an eye on your home.
- Wait until after you return from vacation to post photos to social media. You don't want people to know your home is vacant.

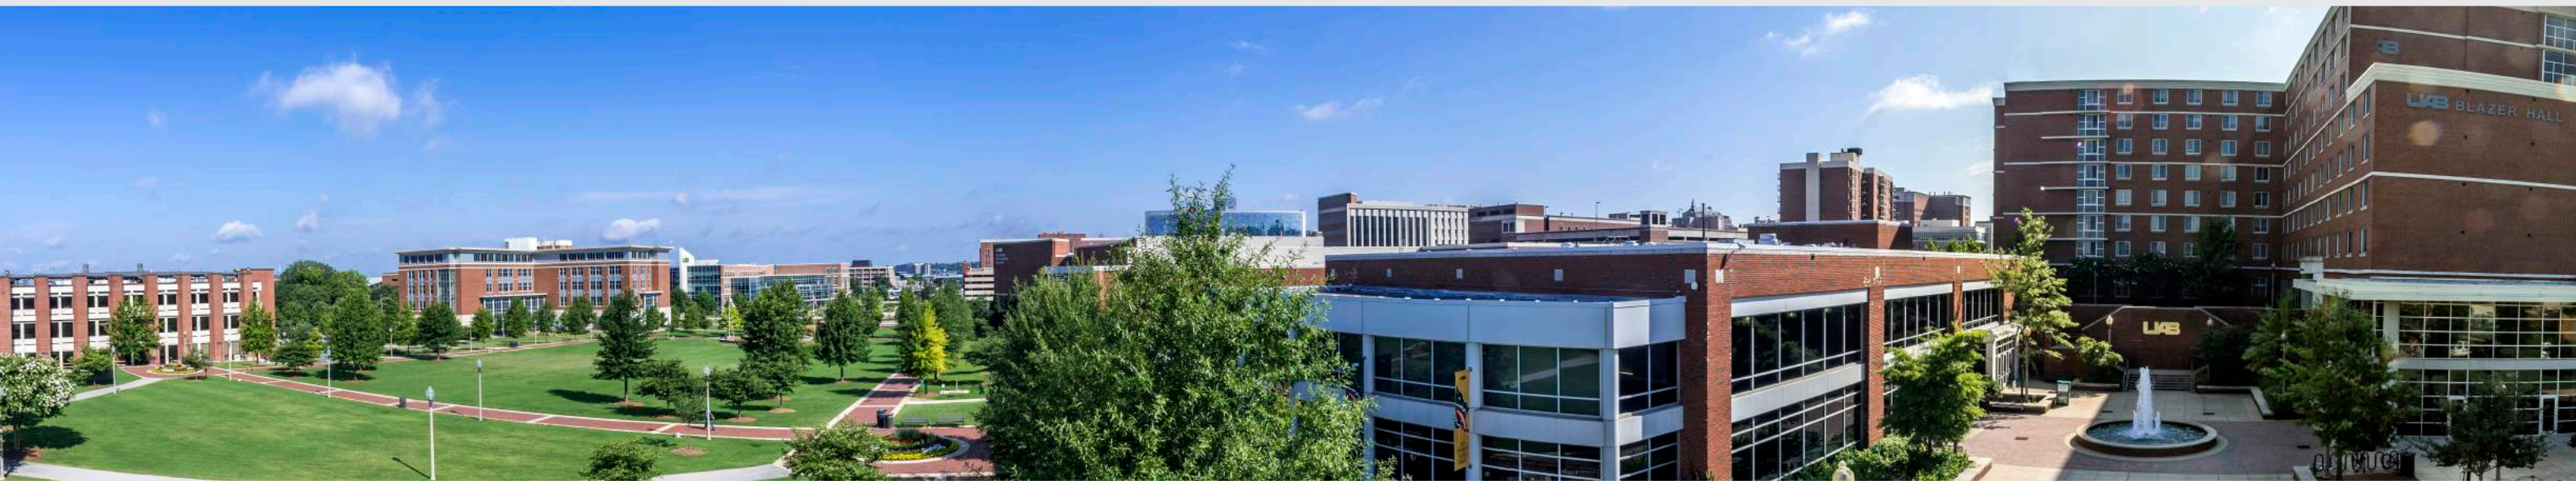

Fire Safety

- If fire breaks out, get out and stay out, call 911!
- Maintain at least one smoke alarm and carbon monoxide detector on each floor of your home. Test them once a month!
- Always pre-plan at least 2 ways out of a room.
- Keep items at least three feet from heat sources.
- Don't grill on a porch or within 20 feet of a building.
- Keep a working fire extinguisher near your kitchen and know how to use it.

"UAB offers many safety resources for commuter students including the Blazer Express Safety Escort, which is a service that will pick you up at night for free if you feel unsafe or parked far away.
