INSTRUCTIONS FOR ATTENDING THE MAJOR FAIR

1. Click on the meeting you'd like to attend to register. Doing so will grant you access to the Zoom link for the session.
2. Save the event time to the electronic calendar of your choice.
3. Use the Zoom link to join the live event during the session time on October 13.
4. Participate! Ask the questions you've prepared for the experts (see page 7 for some example questions).

This is a come and go event happening throughout the day with multiple links to multiple sessions. Please be sure you have the correct link and know the times for the sessions you plan to attend. If you need help, check in with Zoom Room 4!

ZOOM ROOM 4
8:00-12:00 & 1:00-5:00

Not sure where to start? Can't attend a session you want? Zoom Room 4 is here to help! This room will be open all day and staffed with VMASC Advisors, Pre-Health Advisors, and Representatives from the different schools participating in the fair. Want to talk with someone more? Let us help you schedule a meeting!

SESSION B (10:00-11:30 AM):
Biology
Chemistry
Computer Science
Digital Forensics
Mathematics
Physics
SCHOOL OF NURSING
LOCATION: ZOOM ROOM 2

UAB’s School of Nursing turned 70 years old last year! Do you have a passion for helping others and an interest in studying science? A bachelor’s degree in Nursing might be right for you!

*Note: We are holding two identical sessions for nursing due to a high demand. Please choose to attend only one.

SESSION E (8:30 - 10:00 AM) & SESSION G (12:30 - 2:00 PM):
Nursing (BSN)

SCHOOL OF EDUCATION
LOCATION: ZOOM ROOM 2

Are you looking to make an impact? Look no further than the School of Education! From classroom teaching, Community Health, Human Services, and Kinesiology; the school of Education has more to offer than you think!

SESSION F (10:30 AM - 12:00 PM):
Community Health & Human Services
Early Childhood & Elementary Education
Kinesiology
High School Education
   English Language Arts
   General Social Science
   UAB Teach for STEM Subjects
School of Health Professions

Location: Zoom Room 2

Where will you be in 4 or 5 years from now? Do those plans include professional schools like medical school, physical therapy school, or dental schools? How about optometry? Do you want to be a leader in a variety of healthcare settings? It’s possible that a degree from the School of Health Professions might be a good fit for you.

Session H (3:00 - 4:30 PM):
Biomedical Sciences
Healthcare Management
Biobehavioral Nutrition & Wellness

Collat School of Business

Location: Zoom Room 3

Are you a good communicator? Do you enjoy working with a team or the public? Are you organized or detail oriented? Or do you have new ideas that you want to put out into the world? At the Collat School of Business, you can choose from nine business majors, as well as numerous business minors. Get your foot in the door with a UAB Business degree.

Session I (8:30 - 9:45 AM):
Entrepreneurship
Human Resource Management
Information Systems Management

Session J (10:15 - 11:30 AM):
Economics
Industrial Distribution Management

Session K (12:00 - 1:15 PM):
Accounting
Finance
**SCHOOL OF PUBLIC HEALTH**

**LOCATION: ZOOM ROOM 3**

**SESSION L (1:30 - 3:00 PM):**

- Public Health
- Global Health
- Environmental Health
- Public Health

**SCHOOL OF ENGINEERING**

**LOCATION: ZOOM ROOM 3**

Are you a problem solver? At the UAB School of Engineering, there are 5 separate departments offering 6 undergraduate majors. In any of them, students will find a solid foundation that will help mold a highly versatile engineer with a variety of marketable career choices.

**SESSION M (3:30 - 5:00 PM):**

- Biomedical Engineering
- Civil Engineering
- Electrical Engineering
- Engineering Design
- Materials Engineering
- Mechanical Engineering
SUGGESTED QUESTIONS TO ASK

ACADEMIC & CAREER CONSIDERATIONS

• Why do students typically select this major?
• Are there any specializations or areas of emphasis within your degrees?
• Are there any scholarships available specifically for students in this major?
• Is there an introductory course students can take to determine if this major is a good match?
• What are some of the most excited aspects of this major? Most challenging?

GETTING IN

• Are there any specific requirements a student must meet before they can declare this major?
• What is the math requirement for this major? Science?
• Does this major participate in Undergraduate Research, Study Abroad, or Service Learning?
• Can I add a minor easily?

GETTING A JOB

• What skills will this major help me develop?
• What kinds of internships are available?
• What kind of jobs do students who graduate with this major typically pursue?
• What is the job market like for students who graduate with this degree?
• What percentage of graduates typically obtain jobs related to this major?

GRADUATE SCHOOL

• Is graduate school usually required to work in the fields associated with this major?
• What kind of graduate program can I go into with this degree?
• What are the requirements for acceptance into those programs?
