UPWARD BOUND

ACADEMY

Dear Upward Bound Applicant and Parent(s)/ Guardian(s),

Thank you for your interest in our Upward Bound Academy and wanting your child to become a part of a program that will empower and educate them in all areas while also preparing them for their post-secondary educational experience. All application materials must be filled-in completely. Incomplete applications will delay the acceptance process. After the application has been reviewed, students will be requested to participate in a scheduled interview.

Upward Bound is a nationwide federally funded college-preparatory program that serves first generation college-bound high school students and/or students who reside in income-eligible households. Program benefits include individual academic tutoring, academic advising, field trips, college visits, career planning, ACT prep, assistance finding money for college, Financial Aid and FAFSA workshops, leadership academy, cultural enrichment, Saturday college, and a 6-week summer residential experience on campus at The University of Alabama at Birmingham.

The Classic Upward Bound Academy serves high school students each year and to be eligible, a student must be a citizen of the United States or a permanent resident, must meet the U.S. Department of Education's socio-economic income level guidelines and/or they must be a potential first generation college student (neither parent or guardian has a bachelor's degree). Also, the student must be scheduled to attend a high school in the Birmingham City or Birmingham Metropolitan target area.

Please feel free to contact us if you have any additional questions!
