## DINING ACCESS UPDATE

Although Dining will continue to operate with essential staff in compliance with the UAB limited business model, with the conclusion of the Spring semester ending on May 1st, we will no longer provide free dining service to UAB employees. Certainly, we hope that during these times we were able to express how much we appreciate all that you do for UAB - you are UAB's most valuable resource.

We will continue to observe our new dining hours and take-away service. Beginning May 2nd, all guests will need to pay upon entry for their access into the Commons on the Green.

Meal plans are available to students, faculty, and staff and can be selected online at [uab.edu/mealplans](http://uab.edu/mealplans). BlazerBucks are also available to anyone with an active ONE Card. They can be added online via credit card or payroll deduction at [uab.edu/blazerbucks](http://uab.edu/blazerbucks).

During this time, we will be a cashless facility and will only be able to accept payment with debit, credit, and ONE Cards.

We will continue to observe *\$5 Fridays* for UAB Faculty & Staff and *\$5 Mindful Mondays* for Students.

There will be no change to our commitment to **AGGRESSIVE SOCIAL DISTANCING** and **USE OF HAND SANITIZER**.

**EFFECTIVE MAY 2, 2020**

**BRUNCH:** \$9 plus tax // **DINNER:** \$10 plus tax
