

STUDENT HEALTH PATIENT PORTAL UPDATES

Medical Clearances

With the new update to the Student Health Patient Portal on January 3, 2023, you will be able to view all the specific requirements that need to be fulfilled before beginning school. Below are demo images that will help guide you through uploading, entering, and completing the necessary information for you to become compliant with immunization and form requirements.

-There will be one “**Medical Clearances**” tab instead of two separate tabs for immunization uploads and forms.
