Who is eligible to enroll?

All Undergraduate students taking 9 or more credit hours and Graduate students per their program requirements are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished. International and Clinical students are automatically enrolled in this insurance plan unless proof of comparable coverage is furnished.

If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
