**SafeZone 101**
Jan. 27
This training provides an introduction to gender, sex and sexuality where participants learn basic terminology, campus resources, and what it means to be SafeZone certified.

**SafeZone 101**
Mar. 16
This training will be open to all UAB faculty, students and staff. This is the regular SafeZone 101 training, but open for the entire campus.

**SafeZone 201**
Feb. 17
This training will allow participants to examine their own identities and learn about systemic privilege, oppression, and social justice.

**Trans 101**
Mar. 30
This general training introduces participants to a more in-depth understanding of Trans identities and issues Trans people face on campus.

All Trainings Begin at 5:00PM in
The Cahaba Room of the New Freshman Residence Hall

*Trainings are only open to UAB undergraduate, graduate and professional students unless otherwise noted.*
