Dear Sponsors,

Thank you for your interest in supporting the Office of Student Involvement and Leadership at the University of Alabama at Birmingham. We are excited about partnering with you and will strive to make this process as simple as possible by providing you with all the tools you need to become a corporate sponsor for students events within our office. Student Involvement & Leadership serves UAB students by intentionally providing co-curricular experiences that foster personal development, civic mindedness, and a connection to the Blazer community.

Within this packet, you will find sponsorship opportunities for signature programs that we host throughout the year. You will also find sponsor benefits and levels of contribution. Your company has the opportunity to support student involvement on campus and in the community as well as allow you to promote your organization in a cost-effective way. We look forward to working with you!
