- Have not been initiated into any women's fraternity or sorority at the University of Alabama at Birmingham or any other campus

# Do I need recommendation letters?

- Like extra credit!
- Some sororities require recommendations to consider a potential member for membership, while others do not.
- The potential member may provide the alumna with a photograph, scholarship information, and activities.
- A recommendation does not guarantee the potential member a bid, nor are recommendations essential for every sorority.

**Alumnae should mail the recommendation directly to her at the addresses on our website:**

# Can I participate in recruitment if I'm involved in other activities?

- Panhellenic tries to make the recruitment process as flexible as possible for our students who are involved in other activities on campus!
- Cheerleaders, band, spirit teams, blazing start or any other organization or extracurricular activity we are working with those groups to modify your schedule but you WILL miss some parties
- You can participate in recruitment and also attend the Honor's College Retreat!

**Please make a note on registration if you are participating in any of these things**

# What are the housing expectations?

**Currently, there is no housing specific to fraternities and sororities on campus.**

## **Early Move-In Housing**

- This option is only eligible for women planning to live in the residence halls for the Fall 2018 semester and that have applied for housing through **UAB Housing and Residence Life**.
- The check in time will be from 9am–12am
- Those who wish to commute to recruitment will still be able to move into their residence hall on the Freshman Move-in Day, which is Saturday, August 25, 2018
- If a participant chooses to move in early, they will be charged for a one time, one-night rate. This charge will be simply added to your student account, which will be paid the same way as full time housing.
