Welcome to the Student Organization Handbook

This handbook was created to serve as a resource for UAB student leaders interested in developing, participating in, or leading a student organization. UAB is home to 334 student organizations that support a variety of interests. For a full listing of UAB organizations, visit Engage and view the Organizations tab. For more information or additional organizational support, contact The Office of Student Involvement and Leadership at getinvolved@uab.edu.

ABOUT THE UAB Student Organization Community

DATA IS REFLECTIVE OF THE 2020-2021 ACADEMIC YEAR

318 ORGS • 39 NEW ORGS • 3,399 EVENTS

14 CLUB SPORTS • 66 UNIVERSITY FUNDED • 29 FRATERNITY & SORORITY • 200 RSO
Recognizing UAB students come from different backgrounds with varied interests and passions, the Office of Student Involvement & Leadership supports organizational development and management to meet students' diverse needs. Through engagement with students, Student Involvement & Leadership has the opportunity to watch as students progress academically, discover values, develop an identity and realize their full potential. This is achieved through advising students and student organizations, creating innovative leadership opportunities, promoting involvement in the campus community, and developing students' institutional pride. Student Involvement & Leadership values and encourages all forms of leadership to cultivate an inclusive, socially responsible, and vibrant campus community.

Mission

Student Involvement & Leadership exists to provide intentional experiences outside of the classroom that prepare UAB students to serve, inspire and lead.

Org Support

Student Involvement & Leadership serves as the primary University department responsible for providing student leaders with the necessary support to develop, manage, and lead student organizations.
Any group of students that meets regularly, elects officers, collects dues, or produces/sponsors a program, or functions in other ways consistent with the functions of an organization, is required to seek official UAB approval through the registration process. These groups must be recognized by the Division of Student Affairs to function as a student organization at UAB. Registration is a means by which student organizations may receive standard privileges granted when certain minimum requirements are met.

Student organizations should review the UAB Student Organization Registration Policy and share this policy with their membership.

This policy includes:
- Types of Student Organizations
- Criteria for Registration of Student Organizations/Privileges and Registration
- Criteria for Registration of Student Organizations
- Free Speech and Use of UAB Facilities
- Privileges of Being a Registered Student Organization
- Conditions of Maintaining Registration for Student Organizations
- Policy Violations
New Organization Registration Process

Registration for new organizations is available twice per year (July 1 – September 30 and December 1 – January 31). In order to form a new student organization on campus, an interest group must meet the criteria for registration and complete the following steps:

1. Login to Engage and go to Organizations tab. At the bottom of the left column, click the button which states "Register An Organization".

2. A box will then appear prompting to either “Re-register Existing” or (scroll down) “Register New Organization.” Select “Register New Organization.”

The student organization registration application will be reviewed by the Office of Student Involvement and Leadership. Once the application is approved, the student organization will receive an e-mail notification. If there are any errors in the application, then the organization’s registration will be denied. The organization will be notified of approval or denial by e-mail. The student which submitted the registration will have an opportunity to correct the errors and resubmit for consideration within the approved time frame for registrations. For an overview of the organization registration form, watch the tutorial above.
Re-Registration & Roster Update Process for Student Organizations

Students can view which organization(s) are eligible for re-registration by accessing the Action Center. To access the Action Center, click the Switchboard Icon on the top right hand corner of the Engage community and click "Manage."

From the Action Center home page, the student will see a list of organizations. Select a single organization to view.

If the organization is eligible for re-registration, there will be a blue box which states, “RE-REGISTER THIS ORGANIZATION.” Please click this to proceed to the renewal form.

**Fall Re-Registration period: July 1 - August 31**
**Spring Re-Registration/Roster Update period: December 1 - January 31**
**INTEREST GROUPS**

**Student Organization Interest Groups**

A student organization Interest Group designation is available for those students who are interested in creating a campus organization but may not meet the requirements for registering a student organization. This option allows for the students to recruit members, utilize limited resources, and have intentional support from the Office of Student Involvement and Leadership.

**Process**

1. **Submit an Interest Group Registration Form**
   Prospective organizations must submit an Interest Group Registration Form to notify the Office of Student Involvement and Leadership that the Interest Group will begin to recruit members with the intent of registering the organization.

2. **Meet with the Office of Student Involvement and Leadership**
   After completing the Interest Group Registration Form, the Office of Student Involvement and Leadership will contact the student who completed the form to schedule an Interest Group Consultation. During this meeting, the Interest Group will learn more about benefits of organizing and what will be required of them. This is also when the interest groups learn about the Engage platform.

**Responsibilities**

After one semester of promoting the Interest Group, Interest Groups should complete the New Organization Registration Process. Interest groups who do not meet the minimum requirements for New Organization Registration will lose recognition as an Interest Group.

**Interest Group Registration forms may be filed once per academic year.**

**Benefits**

Students that form an Interest Group and follow the required process will have access to the following benefits:

1. One space reservation during the semester of registration for the purpose of an interest meeting
2. One promotional table during the semester of registration for the purpose of recruiting members
3. 25 flyers printed for the purpose of marketing the organization

**Interest Groups are required to meet with a UAB Pathfinder to schedule and reserve space and print flyers.** To schedule an appointment with a Pathfinder, click here.
Constitution, Purpose, Goals & Objectives

Student Organizations are required to create and maintain an organizational constitution that must be submitted through the registration process. The organization's constitution must include the current UAB Non-Discrimination Policy. Any organization that does not meet the criteria for constitution, goals, and objectives will be denied registration.

- The organization’s constitution must include the current UAB Non-Discrimination Policy: “The University of Alabama at Birmingham and (insert organization name) prohibits discrimination in admission, educational programs, and other student matters on the basis of race, color, religion, sex, sexual orientation, gender identity, gender expression, age, national origin, disability unrelated to program performance, veteran status, or genetic or family medical history.”

- Student organizations that have filed and been approved for a Title IX exemption are permitted to retain their same-sex membership status. Organizations with Title IX exemptions should show both the full UAB Non-Discrimination Policy followed by their Title IX exemption.

- The purposes, policies, and objectives of an organization must not be in conflict or competition with the educational goals and functions of UAB. Registration may be denied to new student organizations whose purpose is within the scope of a currently registered student organization.

- The organization may not a) have illegal goals and objectives; b) advocate or support the overthrow of the United States government; c) propose or participate in activities which would violate regulations of the Board of Trustees, UAB, or federal, state or local laws and regulations, or materially and substantially disrupt the word and discipline of UAB; or d) advocate enticement of imminent lawlessness which may produce such action referred to in “c” above.

The Advisor Verification Form enables the Office of Student Involvement and Leadership to ensure that the selection and listing of an advisor on Engage is by mutual agreement. This form is completed during the fall re-registration period (available July 1 – August 30) or during the mandatory roster update period (available December 1 – January 30) of each year. Student organizations must communicate this need to their advisor. If the organization has a change in their advisor mid-year, the new advisor should complete the Advisor Verification Form and the organization should add the new advisor to their Engage roster. View the video below for instructions on how to update the organization’s roster manually.
Expectations of an Advisor

- Attend (or find a faculty/staff proxy) for any student organization sponsored event or activity that’s associated risk calls for additional support and supervision.
  - This requires advisors to be aware of and invited to organization events. This is the responsibility of the student organization. If the organization is planning an event requiring advisor attendance and the advisor is unavailable, the event will be denied without the confirmation of attendance by an advisor or advisor-identified proxy. The organization is made of aware of which events require advisor attendance through the Engage event registration process. The Office of Student Involvement and Leadership will use the event registration “comments” feature to share any additional requirements, such as this. It is the organization’s responsibility to communicate this need to the advisor in a timely fashion.

- Encouraged to meet regularly (at least once a month) with executive student leader(s) to provide an outlet for discussion of the leadership experience, offer guidance on organizational management, and drive alignment of activities with organizational objectives.
  - Student leaders should take the initiative to schedule these meetings. It is not the responsibility of the advisor to seek out the organization.

- Complete the Clery Center’s Campus Security Authority training and uphold role as a Campus Security Authority and mandatory reporter.
  - Advisors will receive a notification from the UAB Learning System alerting them to the assignment, its due date, and instructions for completion. This training is typically assigned in October or November.

- Complete the Complete Kognito At-Risk for Faculty and Staff training. Kognito (Suicide Prevention & Intervention training) provides advisors with tools to support conversations with students of concern, what to say, and how to assist with connecting them to the appropriate campus resources. Kognito training is available throughout the year, and advisors are expected to complete the training by October 30 of each academic year.

It is the responsibility of the student leaders to see that the advisor receives all minutes of meetings and is kept abreast of the program, upcoming events, and meetings. The Office of Student Involvement and Leadership staff serves in a general advisory role to organizations and advisors as need and particular questions arise.
SECTION II

COMPLIANCE
Student organization have the opportunity to partake in a number of trainings throughout the academic year. **Required** trainings for student organizations include the Fall and Spring Student Organization Summits. Optional trainings include the Badge of Distinction program and Learn to Lead presentations.

**Student Organization Summits – Fall AND Spring**

- The Student Organization Summits are annual events hosted by the Office of Student Involvement & Leadership. The Summits are designed to support student organization leaders by connecting participants to UAB policies, guidelines, and resources relevant for organization success. The Summits are entirely online via Engage and have learning modules that include informative videos and follow-up questions.
  - All student organization presidents (or equivalent officer) must complete these web-based training courses. This includes officers in graduate and undergraduate RSOs, University Funded Organizations, and Fraternities & Sororities. While each president is required to complete the Summit, all organization members and advisors are encouraged to participate.

**Badge of Distinction**

- The purpose of the Badge of Distinction training program is to provide UAB student organizations with access to developmental resources to promote organization and student success. The trainings take place over the course of a month each semester, providing leaders access to a variety of training topics. At the conclusion of each week, distinction badges are awarded to participating organizations. Each badge is associated to an area of development. Organizations that have at least 2 members (preferably officers) attend training for an area of development will receive that badge. Organizations can earn up to 3 badges per semester, for a total of 6 badges each academic year. Badges are placed by the UAB Pathfinders on the organization’s Engage profile at the conclusion of each week. These organizations are also recognized for distinction using the categories filter of the organization directory, and each organization will receive a social media-sized image to showcase their badge. The badge(s) link to an Engage news article that explains the badges and their purpose.
  - Badges expire after one year.

**Learn to Lead**

- Learn to Lead presentations bring leadership development into UAB classrooms and student organization meetings with engaging and active presentations. The Learn to Lead leadership curriculum focuses on the Social Change Model of Leadership, including presentations which focus on individual, group, and societal values. Presentations can be modified to accommodate any class size and/or focus. Faculty, staff, and students are welcome to request presentations.
  - To request a Learn to Lead presentation, click [here](#).
  - Requests should be submitted two weeks in advance.

*Required trainings for student organizations.*
Expectations of Student Organizations at UAB

The Student Conduct Code (“Code”) describes the standards of behavior for all students and student organizations and outlines students’ rights and the process for adjudicating alleged violations. All students and student organizations are expected to conduct themselves in accordance with the Code. The current version of the Code, which may be revised periodically, is available from the Office of Community Standards & Student Accountability or online.

Student organizations that are campus branches of international/national organizations are not allowed to have an international/national, non-UAB student represent or advocate on behalf of the organization without an invitation from the University.

How to Report a Violation

To report a violation of the student conduct code, submit a Student Conduct Code Alleged Violation Referral. In the event of an emergency or crimes or incidents involving imminent threat of harm, contact UAB Police at 205-934-3535. If you are submitting an incident report related to gender discrimination, sexual harassment (including sexual misconduct and violence), or retaliation for reporting sexual harassment, please submit the report online to the Title IX Office. For additional information, contact Community Standards & Student Accountability at 205-975-9509 or visit their website.

Violations

Organizations which violate UAB regulations are subject to disciplinary action as outlined in the Student Conduct Code. Disciplinary action will be determined by the Office of Student Conduct in partnership with the Office of Student Involvement & Leadership. Such action may include, but not be limited to:

- Limitation of privileges
- Social probation for the organization
- Temporary suspension of the organization’s events and activities
- Removal of active status of the organization
- Community service hours

Violations of the Student Organization Handbook and guidelines herein that do not align with Student Conduct Code policy but blatantly disregard student organization standards of behavior and reporting are determined by the Office of Student Involvement and Leadership. Failure to comply with student organization guidelines may result in loss of registration, mandated education, or other stipulations.
It is the responsibility of all student organizations to encourage an atmosphere of learning, social responsibility, and respect for human dignity and to provide positive influence and constructive development for members and aspiring members. "Hazing" is an unproductive and hazardous custom that is incongruous with this responsibility and has no place in university life, either on, or off, campus.

The purpose of this policy is to define hazing and to provide guidelines with regard to hazing that student organizations and their members must follow.

Student organizations should review the UAB Hazing Policy for Student Organizations and share this policy with their membership (Policy & Procedures Library – Policy VII-009).
STATEMENT ON
ALCOHOL & OTHER DRUGS

All registered student organizations should strive to promote a supportive and sustainable environment where their members thrive and flourish. The abuse and illegal use of alcohol or other drugs jeopardize the physical and mental wellbeing of the community by placing the health and safety of individuals at risk and undermining the University’s mission. Therefore, all registered student organizations and their members are expected to act responsibly and in accordance with the law and University’s Student Conduct Code.

All student organizations must abide by the institutional event and risk management policies regarding alcohol and other drugs. In addition to state and local laws as well as the Student Conduct Code, all student organizations that fall under an inter/national organization, must follow the event and risk management policies regarding alcohol and other drugs. These policies should include, but not be limited to:

· Use of organization funds for events including alcohol
· Distribution of alcohol
· Underage members
· Third Party Vendor Requirements
· Use of alcohol during recruitment, intake, or new member activities.

No alcohol shall be allowed at student organization community-wide functions. This includes involvement fairs.

**Relevant Policies:**
- General Policy Regarding the Use and Consumption of Alcoholic Beverages
- Drug-Free Campus and Workplace Policy
- Guidelines for Hosting Off Campus Events with Alcohol for Student Groups
University Compliance for Events with Alcohol

The use of alcoholic beverages must be in compliance with federal, state and local laws; the regulations of the Alabama ABC Board; and other university policies and procedures, including, but not limited to, the Drug-Free Workplace Policy and the Drug-Free Campus Policy for Students.

All events where alcohol is present must end by 1:00 am. Alcohol may not be served or consumed for more than four (4) hours during any single event.

Responsible Persons
A “responsible person” must be designated for every function at which alcoholic beverages are served. That individual is responsible for ensuring that this policy and other related policies (see “Compliance”) are followed. The organization’s advisor must be in attendance for any event where alcohol is present.

Controlled Areas
Steps should be taken to ensure that alcoholic beverages are contained within the boundaries of the event. All alcoholic beverages should be consumed or disposed of by all guests or participants before they leave the premises.

Event Advertisements
Advertisements or invitations to events where alcoholic beverages are being served should emphasize the nature of the event and not alcoholic beverages.

Self-Service
Alcoholic beverages must not be freely available to attendees. A designated server or hired professional bartender must be on duty at the event to limit the size and number of drinks served. If the function involves a sit-down meal at which alcohol is served, waiters and/or waitresses should be instructed to ask before automatically refilling wine or liquor glasses.

Proper Identification
Alabama state law prohibits purchase, consumption or serving of beer, wine or distilled spirits by persons under legal drinking age. It is also a violation of Alabama state law to purchase alcohol for, or serve alcohol to, persons under the legal drinking age. Therefore, at all events where alcoholic beverages will be served, the designated server or hired professional bartender will be required to check for proper identification before serving any alcoholic beverages and must reject any questionable forms of identification. Alcoholic beverages may not be served at functions where the majority of attendees are under legal drinking age.

Non-Alcoholic Beverage Alternatives
Alternative non-alcoholic beverages must be equally available and accessible at all events where alcoholic beverages are served. Water should not be the only alternative beverage offered.

Food
Food must be made available to those in attendance at all events where alcoholic beverages are served.

Hours of Service
Service of alcoholic beverages must be discontinued at least one hour before an event is scheduled to end.

Transportation
For the duration of the event, the student organization must provide and have available transportation by taxi or other similar means for members/guests who are visibly intoxicated or who request transportation.

Refusal to Serve Intoxicated Guests
If a participant or guest at an event where alcoholic beverages are being served appears to have exceeded his or her consumption limit, the designated server or hired professional bartender must discontinue serving alcoholic beverages to this individual.

*These guidelines were adopted and adapted from the UAB General Policy Regarding the Use and Consumption of Alcohol and the UAB School of Medicine’s Guidelines for Hosting Off Campus Events with Alcohol.*
SECTION III

VISUAL IDENTITY
Student organizations should review the Visual Identity Guide and share this guide with their membership.

**Marketing via Social Media**

UAB welcomes individuals and organizations to identify their role at UAB publicly on social media. Be aware that by doing so, this is a representation of UAB and therefore is subject to UAB’s conduct policies. Students are subject to the Academic Honor Code and Student Conduct Code. Individuals creating and maintaining digital mass communications or digital content (“content”) are responsible for adherence to the following requirement:

- **The name of the student organization posted publicly through social media outlets should match the name of the organization approved through Engage student organization registration.**

- Content must not constitute a copyright or trademark infringement and must not otherwise violate any applicable laws or UAB policy (refer to the Visual Identity Guide).

- The only events that should be marketed through social media are those previously approved through the Engage event registration process.

Keep in mind these tips on accessibility when posting on social media:
- Is Alternative Text included for photos on Facebook, Instagram or Twitter?
- Do all graphics have a strong contrast between text and background?
- Was camel case used with the hashtags? #AccessibilityIsAwesome
- Is contact information available prominently in the social media bio?
- If a video is posted, are captions provided?
Student organizations should review the UAB Student Organization Promotion & Advertising Policy and share this policy with their membership.

All promotion and advertising materials must include the following information:

- Name of sponsoring student organization
- Contact information for sponsoring organization or individual
- Date of event/activity
- Time of event/activity
- Location of event/activity

**No Alcohol Promotion**

Publicity and promotion of events where alcoholic beverages are being served should emphasize the nature of the event and not alcoholic beverages.

**No Sexual Connotations**

Publicity having sexual connotations is prohibited.

**Flier Locations**

Fliers and other publicity may only be placed in the designated locations identified for each campus facility. They may not be attached to interior walls, doors, windows, over-hangs, exterior walls, fences, utility poles, waste receptacles, signs, signposts, trees, or shrubbery.

**Copyright or Trademark**

Organizations creating/maintaining digital mass communications or digital content are responsible for ensuring the content does not constitute a copyright or trademark infringement and must not otherwise violate any applicable laws or UAB policy. Display of banners on any academic building generally is not permitted. Any exceptions must be approved by the area responsible for that facility.

**Co-Sponsored Events**

When an event is co-sponsored, the co-sponsorship must be clearly listed on all promotional materials.
SECTION IV

EVENTS
**EVENT REGISTRATION POLICY**

**Introduction**

All student organizations in good standing have the privilege of hosting on-campus events. On-campus events must be registered with the University through the event registration process. Registration is the sole responsibility of the student organization(s) sponsoring the event.

The event registration guidelines assist students in the planning of safe and successful events and activities. These guidelines facilitate adherence to UAB’s policies and procedures as well as state and local laws and regulations. The Office of Student Involvement and Leadership believes that students should drive the development of events. Student ownership of events should be guided by a set of best practices and policies to provide a level of consistency and to help build a culture of responsible hosting. **Organizations are required to register all on-campus and virtual events and activities through Engage.** Community service events may be submitted for marketing and recruitment purposes through BlazerPulse.

Student organizations should review the **Student Organization Event Policy** and share this policy with their membership.

This policy includes:
- Terms
- Events Requiring Security
- UAB Co-Sponsored Events
- Free Speech and Use of UAB Facilities
- Failure to comply
Event Registration Violations

Student Involvement and Leadership reviews all events with the goal of empowering and supporting student organizations to plan and offer events that are both fun and safe. University policies and procedures exist to assist students in managing events safely. Student Involvement and Leadership staff is available to assist organizations in effective event planning and management. If an event violates the Student Conduct Code or if any law enforcement agency issues an incident report, the matter will be referred to the Office of Community Standards & Student Accountability.

Any student group found not in compliance with the event registration guidelines or that is found to be operating an event in a manner that is inconsistent with the details provided in the event registration form will be required to meet with the appropriate advisor within the Office of Student Involvement and Leadership. Accountability could come in the form of the organization losing its privileges including, but not limited to, the ability to reserve space, rent equipment, request funds from USGA, etc. In addition to any disciplinary action by the university, organizations that are member organizations of either local or inter/national groups governed by inter/national organizations may also be subject to disciplinary action by those local or inter/national councils or groups for violations of these guidelines.
Identifying Risk

The safety and wellbeing of each UAB student alongside the success and sustainability of each student organization is one of the primary reasons the event registration process exists. There are five types of risks associated to organization event planning. These five types of risk have been adopted and adapted from Texas A&M’s Division of Student Affairs.

- **Physical Risks**
  - This type of risk accounts for any physical harm that may be incurred by a participant. Factors associated to physical risk include but are not limited to the presence of food, alcohol, dangerous environmental conditions, recreational equipment, traffic congestion, etc. Organizations should actively consider harm reduction strategies to avoid physical risks.

- **Emotional Risks**
  - Emotional risks include those activities that could negatively influence the well-being of participants. Events that involve sensitive topics stimulate emotional risk.

- **Reputational Risks**
  - It is important to consider the impact that the event may have on the reputation of each member (students must abide by the Conduct Code as a participant), but also the impact the event may have on the organization as a whole and UAB. Activities where participants may demonstrate poor conduct or where media may be present could influence the public’s perception of UAB, the student organization, and the national organization when applicable.

- **Financial Risks**
  - Organizations need to consider financial risks associated to hosting the event. Can the organization cover the cost of equipment rentals or catering, for example? In order for an organization to sustain, it is important to make wise financial decisions.

- **Facilities Risks**
  - The space chosen for an event often dictates the type of activities that can be hosted. Is the space a safe environment? Does the facility approve of the type of activity the organization intends to host? Will traffic become an issue? What is the event capacity? How will the organization monitor capacity throughout the event?
Events Requiring Security and Advisor Attendance

The Office of Student Involvement & Leadership does not in its sole discretion require security for on-campus events or provide recommendations on the number of security personnel needed for on-campus events that meet the above criteria. The Office of Student Involvement & Leadership will make the determination if an advisor will need to be present and require a security consultation based on the criteria below. Security consultations should take place with the UAB Police Department.

Events that include one or more of the following may require the presence of an advisor and/or security:
- Event participation is expected to exceed 75 participants
- Venue capacity exceeds 75 participants
- Alcohol is being served
- The event has potential to cause traffic congestion
- Potential health and safety hazards associated with event participation
- Event is open to the public

Security Consultations

Security consultations should take place with the UAB Police Department. Organizations that have been required to consult with UABPD should call (205) 975-0562 and ask for Sergeant Larry Bailey or (205)-934-3999 and ask for Captain Roderick Wilkins. Sergeant Bailey will initially receive the request and will consult with Captain Wilkins to determine if security is necessary for the organization’s event.

If security is required, a ten (10) day advance notice is required for all security requests. If the event is cancelled, it is the responsibility of the person who requested the detail to inform the Sergeant in a timely fashion. The form to request Event Security can be found on the UABPD Website – Event Security Request Form.
Events with Food
Food that is handled or prepared improperly can cause food-borne illness. Safety in food preparation and service is important to consider when planning an event or promotional tabling activity. Furthermore, the possibility of allergic reactions create risk associated to food distribution. Food should be labeled and prepared by a caterer or pre-packaged to mitigate risks.

UAB has its own catering company, Blazer Catering Co., which offers a low cost Student Catering Menu. If the event is located in the Hill Student Center (including the Amphitheater), the organization is required to use Blazer Catering Co. or submit the exemption form.

Violations to the Catering Policy
Violations to the Hill Student Center catering policy will result in the loss of HSC space reservation privileges.

Virtual Events
Student organizations can sponsor and promote virtual events. Through the Engage event registration process, organizations can indicate the location as “online” which will prompt the inclusion of an accessible link for participation. **All virtual events should be submitted through the Engage event registration process.**
There are several features that organizations can utilize to track attendance and gather feedback. The videos below provide an overview of three Engage tools for event management. Click on the video to open in a new window.

How to Create an RSVP
It may be useful to know who expects to attend an event. The Engage RSVP feature allows orgs to set capacity limits, ask unique questions, and have the email addresses for those planning to attend.

Track Virtual Event Participation
If you’re hosting a Zoom meeting, drop in the Engage provided link to have users login. By logging in using this unique link, Engage adds the user to the list of "attended" participants.

Create a Post-Event Survey
Want to gather feedback from your event? When creating the event submission, orgs can create post-event questions which will automatically distribute to any user that is marked as attended.
There are several features that organizations can utilize to track attendance and gather feedback. The videos below provide an overview of three Engage tools for event management. Click on the video to open in a new window.

**Event Check-In App (for orgs)**
It may be useful to know who expects to attend an event. The Engage RSVP feature allows orgs to set capacity limits, ask unique questions, and have the email addresses for those planning to attend.

**How to Use the Event Pass**
The Engage Event Pass allows student organizations to track event participants. This video shows a participant how to download their event pass. This video can be shared with future event attendees.

**Edit an Approved Engage Event**
Do you need to make an update to an approved event? This tutorial will be a step-by-step guide for organizations that need to change their event’s details. Please note, any change will push the event back through the event registration process.
Events Promoting International Travel
UAB student organizations that have interest or an intent to travel abroad are required to meet with UAB Education Abroad, PRIOR TO any planning or confirmation of travel details. Failure to do so could result in the removal of registered student organization status.

SECTION VI

EVENT REGISTRATION
**EVENT REGISTRATION PROCESS**

**Submission Timeline**
All on-campus organization events and activities must be registered with the Office of Student Involvement and Leadership on Engage five (5) business days before the event. Virtual events must be registered a minimum of two (2) business days before the event. This is to allow for the review and evaluation of the event by staff.

Events that are not registered within the required timeframe for review will be denied, regardless of the amount of money the group has already invested in the event.

**Review & Feedback of Submitted Events**
The Office of Student Involvement and Leadership will provide feedback through the discussion section of the event registration form to allow students to amend their existing registration to meet criteria. Any issues or questions about an event will be communicated on Engage through the discussion feature. It is the organization’s responsibility to respond to questions using this feature. The student that submitted the registration form will receive an email notification from Engage when discussion threads are posted.

- Events that are not updated to reflect the recommendations made through comments and do not meet standard criteria for event registration will be denied. Any event that is denied through event registration will be considered cancelled and not permitted to take place. If an event is denied, the Office of Student Involvement and Leadership will notify the campus facility to cancel the space reservation.

- If the organization wishes to resubmit a denied event after making updates to the original submission, they may do so. However, the new submission must be a minimum of 5 business days prior to the date of the event. Denied submissions may be updated and resubmitted through a user’s Engage profile.

- Student Organizations are responsible for ensuring that the event has been approved through the appropriate channels (including but not limited to catering, facility reservation, etc.). Space reservations should happen concurrently with event registration.

- When using the Create Event option, please note, submission DOES NOT GUARANTEE approval. All events are reviewed by the Office of Student Involvement and Leadership.

How to Submit Event Registration

The member must have officer access to submit events for review. Positions with access will be able to do so by accessing the Action Center. To access the Action Center, click the Switchboard icon on the top right hand corner of the Engage community and click Manage.

From the Action Center home page, there will be a list of memberships. Select a single organization to view.

When viewing the Organization View, there will be a box in the center of the page, and a management bar in the left corner. Click on the management bar sandwich menu (three lines).

After clicking on the management bar, a drop down of organization management options will appear. Click on Events.

On the Manage Events page, click the blue Create Event button.
This method is only possible if you were the creator of an event. After clicking on your initial or photo in the upper right corner, select Submissions. Then click on the Events tab. From here, you can click on the title of any event submission to view the details and forms submissions associated with it.

Click on the page you would like to view or click on the first page of your event submission, after which you can use the Previous and Next buttons to go back or advance through the pages of the submission. You can also modify denied event submissions from this section, make edits and resubmit. If you did not complete an event submission, you can also continue that submission from this area.
Viewing the Submission of an Approved Event from the Org Account

You can view an approved or cancelled event's details if you are an officer with Events management access in the organization the event was created in. Navigate to the Manage view for your organization and use your organization tool menu to switch to the Events tab.

From there, you can click on the name of the event to manage it.

This will open the event's details. Here you can change details (will resubmit for review & approval), track attendance, & manage RSVPs.
SECTION V

SPACE RESERVATIONS
Active student organizations who are in good standing with the University have access to reserve campus facilities for the purposes of organizational management/promotion and organization-sponsored events. Use of space is a privilege; organizations that do not abide by the Event Registration Guidelines set for student organizations as well as the space reservation policies defined by the venue, will be referred to the Office of Student Involvement & Leadership and/or Student Conduct. Privileges will be revoked for organizations that abuse this benefit. Student organizations are required to register all on-campus events (this includes tabling and regularly scheduled meetings) through the University’s online involvement platform, Engage. **Space reservation does not replace event registration through Engage.** The following campus facilities may be reserved by student organizations:

ACADEMIC SPACE

Academic space reservations for student organizations are requested through the Engage event registration process. However, student organizations can access academic space guidelines and policies through www.uab.edu/bookit.

The Office of the Registrar reserves the following spaces for student organizations:

- Campbell Hall
- Heritage Hall
- University Hall

Space reservations for academic space will be made through the student organization event registration process.

Registration Process

Academic space is only available to student organizations following the University’s academic add/drop period. Each semester, the Office of Student Involvement & Leadership in coordination with the Office of the Registrar will determine the exact dates organizations can access academic space. This will always be outlined in the Event Registration Form.

Fall 2021 Update:
Academic space opens to student organizations on September 6, 2021. Student organizations may request the use of space prior to September 6, but requests will be left pending until September 1. Space is assigned in the order the requests are received. Space requests made for dates prior to September 6 will be denied.
Space reservations for University Recreation facilities can be made directly on the University Recreation website.

Student organizations are required to submit their space reservation concurrently with their event registration. Both should be submitted a minimum of 5 business days in advance. Any facility reservation that does not have a corresponding event registration will not be approved. For a comprehensive list of policies and procedures visit the University Recreation Facilities website.

**University Rec**
- U-Rec Center
- Campus Green
- Intramural Fields

**Space confirmation**
Failure to submit Engage Event Registration will result in the loss of your previously reserved University Recreation space.

Organizations should reserve space, then register the event. The URec staff will confirm your space reservation through the Engage event registration process.
Student Housing & Residence Life has first priority over all spaces within the Student Housing community. In order to use Housing & Residence Life space, the event must be 1. open to all students, 2. co-sponsored by Student Housing, or 3. fall into one of the three residential curriculum areas and have residential members present at the event.

Student organizations and Departments can submit requests as early as 2 weeks before the event. No organization or outside Department events will be allowed during midterms, the weekend before/week of finals, and the first weekend/week of school.

Registration Process

Student Housing & Residence Life space is requested through the Engage event registration process.

- Once the registration form has been submitted, it will be reviewed by the H&RL and an appropriate space will be identified and confirmed, if there is one available.
  - Events must be open to residents.
  - Requests cannot be submitted more than two weeks prior to the date of the event.
  - On-going organization meetings are not allowed.

- No sales/distribution of food or baked goods allowed.
- No admission fee may be charged, nor donation requested for any activity taking place in these spaces.
- No ongoing meetings or rehearsals will be allowed in the space.
- No clear tape may be used on any surface. Blue Painter’s Tape is the only adhesive allowed.
- No Painting is allowed in any space.
Student organizations may have access to other locations not listed in the Student Organization Handbook. If the organization identifies an alternative space, then the organization is responsible for ensuring that space has been reserved. Engage event registration provides space reservation capability for four academic buildings (Education, Heritage, University, and Campbell). Organizations that host activities in academic space other than the above mentioned may do so if they receive special permission from the building administrator. Engage, the Office of Student Involvement and Leadership, and the Registrar’s Office do not support academic space reservations outside of Education, Heritage, University, or Campbell. If the organization has received alternative permission to host this event in another academic space, they are still required to submit the event through Engage and indicate that within the submission.

**UAB Libraries**
Study rooms within Lister Hill and Sterne Library are available by reservation to both individuals and groups of two or more. Space reservations for study rooms should be made directly with the library through their online room reservation form. For an overview of the space reservation process for Sterne Library and Lister Hill, please reference their Space Reservation Policy. Individuals or groups who are reserving study space in the libraries for academic preparation do not need to complete the event registration process. Event registration is for the use of student organizations hosting organization sponsored events.

**Special Events**
For special events, student organizations may utilize one or more of the following venues:

- **Alys Stephens Center** -
  - To reserve space in the Alys Stephens Center, call the administrative office at 205-975-9540.

- **National Alumni House** -
  - Any use of the UAB Alumni House must be scheduled through the Alumni Affairs Office (205) 934-3555. Students can reference the National Alumni Society's Rental Policies and Procedures for a comprehensive list of policies for the space.

These venues are able to be reserved by student organizations, and all come with an associated cost. Please reach out directly to the venue in order to check availability, pricing, as well as the policies and procedures for the space.
SECTION V
ORG FINANCES
Fundraising
Within this Handbook, fundraising is defined as the process of soliciting financial support to fund organization operations and philanthropic contributions on behalf of the organization. Registered student organizations may conduct fundraisers throughout the year providing all University and Alabama state laws are followed. Prior to collecting money or fundraising, student organizations must register their fundraiser through the University’s Event Registration process on Engage. The following guidance should be followed when planning and implementing fundraisers.

- Fundraisers may not be conducted for the sole private gain of individuals or for-profit businesses.

- Student organizations may not conduct fundraising on behalf of or for the benefit of a non-University recognized organization or corporation, unless the beneficiary is a charitable, non-profit organization.

- A student organization may charge an admission fee to a program as a form of fundraising. (Please note: there may be a facility fee charged to the student organization if there’s an entry fee for an event taking place in the Hill Student Center)

- Proceeds from fundraising activities are subject to state sales tax laws in the instance the organization does not meet one or more of the State’s exemption requirements.

- Due to the potential for food-borne illness and improper food handling, student organizations are not allowed to sell food that has been prepared by members of the organization as an organization fundraiser.
Official Letter of Registration

If a student organization would like to set up a bank account, the bank will require an Official Letter of Registration. The student organization letter is issued on an annual basis and includes the name and contact information of the members the organization deems needed for bank access. This is verified by the upload of organization meeting minutes which include these details. The faculty/staff advisor must also have bank access. This letter indicates the organization as a registered organization that is in good standing with the University and the Office of Student Involvement and Leadership.

Complete the Official Letter of Registration Form to request a letter. Be prepared to upload meeting minutes including the organization’s EIN number as well as officers and faculty/staff advisor that need account access. Organizations must also indicate their preferred bank. The Office of Student Involvement and Leadership requires 5 days to review and write the Official Letter of Registration.
How to Open a Bank Account

Any student group that will raise money and, therefore, spend money, will need to maintain proper financial accounts for the group. These accounts should not be the same as any individual’s account and should be set up under the organization’s name. This will allow the organization to securely collect and store money, use a debit card for organization purchases, and deposit reimbursement checks. An organization must have an EIN to secure a bank account.

1. Host an organization meeting with officers to discuss opening a bank account.

   - Draft Meeting Minutes which details that the organization wants to open a bank account with “said bank,” who will be on the account, their official titles, and the organization’s EIN number.

   - Everyone who is officially on the account must be present when opening the bank account.

   - When transitioning leadership, the current account holder and the new account holder must visit the bank.

   - UAB suggests opening an account with either Regions Bank or BBVA Compass based on positive past experiences. However, organizations may open a bank account with the bank of their choice.

2. Print or make a copy of the organization’s CP575 Confirmation form (EIN verification)

3. Fill out the Official Letter of Registration Form on Engage. The student that made the request will receive the letter as an attachment to the form submission.

4. If the organization is part of a national chapter, it may request Tax Identification Documents from the national organization, such as 501(c)(3) confirmation showing that the organization is a non-profit and is tax exempt.

5. Take the Meeting Minutes, CP575 Confirmation, Official Letter of Registration, and Opening Deposit to the bank along with the starting deposit.

   - Regions requires a $100 deposit. BBVA Compass requires a $25 deposit.
Tax ID / EIN

Any student group that will raise money and, therefore, spend money, will need to maintain proper financial accounts for the group. These accounts should not be the same as any one individual’s account and should be set up by applying for a Tax ID (called EIN by the IRS) specific to the group. Each taxpayer, or Student Organization, must have a Federal Taxpayer Identification Number (EIN). The organization should file Form SS-4 with the IRS to apply for this number. Any financial accounts created or maintained for the organization should be managed under this number.

EIN & W9 Must Match

The person applying online must have a valid Taxpayer Identification Number (SSN, ITIN, EIN). The organization is limited to one EIN per responsible party per day. Organizations may reapply for a new EIN from year-to-year if needed; there is no penalty.

The “responsible party” is the person who ultimately owns or controls the entity or who exercises ultimate effective control over the entity. Unless the applicant is a government entity, the responsible party must be an individual (i.e., a natural person), not an entity.

The individual who applies for the EIN will need to sign on the W9s for the student organization’s reimbursement requests. In order to prevent a RSO from applying for a new EIN every year, it is recommended that the RSO seek the support of the faculty/staff advisor.

Instructions for Obtaining an EIN

- Apply for an Employer Identification Number (EIN) online
- Read instructions and click on “Apply Online Now”
- Read instructions and click on “Begin Application”
- Scroll to bottom of list and select on “View Additional Types including Nonprofit/Tax- Exempt Organizations,” click “Continue”
- Choose either “Community or Volunteer Group” or “Social or Savings Club” depending on which best describes the group, click “Continue”
- Read description to confirm selection, click “Continue”
- Fill out the rest of the required information and submit

If the above steps are followed properly, the EIN will be generated online and provided in a PDF document for immediate use. Print out and retain a copy of the CP575 Confirmation. Current and future officers will need this document for tax filing purposes.
Tax Exemption Status
Registration of a student organization does not make the organization tax exempt. UAB’s federal taxpayer identification number may not be used by organizations that are not University Funded Organizations.

Obtaining Exempt Status
Social clubs may be exempt from federal income taxation if they meet the requirements of section 501(c)(7) of the Internal Revenue Code. Although they are generally exempt from tax, social clubs are subject to tax on their unrelated business income, which includes income from non-members. For more information, visit the IRS website.
Undergraduate Student Government Association Funding

Undergraduate student organizations are eligible to submit a funding request to USGA if the organization meets the following requirements:

- Is registered with the University
- Attends the fall Student Organization Summit, completes spring re-registration requirements, and attends all required budget hearings and meetings
- Obtains an active bank account

A student organization can submit a budget request during the budget request week - usually the week following the RSO Summit. No extensions will be given to submit a budget request. In order to request funding from USGA, the USGA Budget Process on Engage must be completed.

USGA Reimbursement Application

The Purchase Request is located under the organization’s Finance tab. The Purchase Request links to the USGA RSO Reimbursement. The reimbursement form (“USGA RSO Reimbursement Form”) and cover sheet “Reimbursement Coversheet”) can also be found on the USGA Engage page. All requirements listed in the purchase request, reimbursement form, and on the cover sheet must be fulfilled in order to process the reimbursement application. Incomplete applications will be returned to the organization. More information and guides on filling out these forms can be found on USGA’s Engage page under Documents.

Reimbursement time typically takes at least six weeks from the date that the application is completed and received. The primary contact who is listed on Engage will be contacted once the check is ready to be picked up. Checks not deposited/cashed within six months are automatically voided irreversibly.

If a check was not available for pickup by the end of the current semester and for any questions or concerns, please contact USGA Vice President of Finance Sarah Tran (svmtran@uab.edu) or Directors of Funding Rizwan Khan (rakhan@uab.edu) and Toby Liu (yliu23@uab.edu).
USGA Budget Request Process

- Budget Requests can be made using the organization’s Finance tab on Engage by clicking on the 9-dot square next to the user’s profile picture. Select the organization and open the three line menu at the top left. Click Finance and under Create Request, select Create Budget Request.

- Budgets for the Fall semesters are approved in the Spring semester prior, and budgets for the Spring semester are approved in the Fall semester prior.
  - For organizations that were newly registered after the budget deadline or were inactive at that time, USGA offers up to $100 in funding through the RSO Support Initiative. The application form for the RSO Support Initiative can be found on USGA’s Engage page.

Within 48 hours of submitting a budget request, an email will be sent to the individual who submitted the request. Sign up for a budget hearing time using link in the email. Please be mindful of the following:

- Failure to schedule a budget hearing will result in an automatic denial
- Failure to attend the budget hearing result in an automatic denial
- Failure to arrive on time to the budget hearing will result in an automatic decrease in funding
- Approved amounts may differ from requested amounts
- Funding is provided on a reimbursement basis. A Purchase Request and the USGA RSO Reimbursement Form must be completed to process a reimbursement.
- Fundraisers and events that are unique to the organization are more likely to be approved for funding as well as receive more funding. Meetings that only benefit a small group of students are less likely to be approved for funding.
- For the 2021–2022 year, USGA plans to fund t-shirts under the condition that the organization has received and provided documentation of approval from UAB Marketing.
- USGA will not fund items such as pins, certificates, and name tags that solely benefit specific members of an organization.
Graduate Student Government Funding

The deadline for student graduate student groups to apply for funds on August 23, 2021 for the Fall 2021 semester and then the first day of class of the Spring semester for the events planned in Spring/Summer.

The application named “GSG Fall Student Group Funding Application” must be submitted online on the Engage platform. Student groups can apply for funds from August 16–23, 2021.

Reimbursement Guidelines

- Under NO circumstances will an individual be reimbursed.
  - Student group purchases must be made via invoice, Limited Purchase Order (LPO), or through payment from an account in the name of the student group.

- NO CONTRACTS – Students are not authorized to enter into a contract on behalf of the University.

- Payment will not occur until after the event/meeting has happened.

Questions should be directed to the GSG Treasurer and/or the Graduate School Office prior to making a purchase.

  GSG Treasurer: Elise Keister (ekeister@uab.edu)
  Graduate School: Cynthia Ballinger (cknight@uab.edu)

UAB Financial Affairs policies can and do change. For information about specific policies visit the UAB Financial affairs webpage.

Regulations to Be Aware Of

- All funded student groups are required to review all the GSG Senate meeting minutes for new updates.
- All funded student groups are required to have one member representative at all the GSG Budget Committee meetings.
- Follow the UAB Expenditure Guidelines.
Co-Sponsored Events with GSG

For events which your organization will be co-sponsoring with GSG using GSG allocated funds, notify the GSG Treasurer and the Graduate School by email, indicating which GSG committee the organization will be partnering with and how much your organization will be contributing.

- If the organization will be contributing a lump sum amount (i.e. $200) towards an event, no other actions need to be taken (i.e. uploading receipts or invoices need to be done). The GSG committee co-sponsoring the event will be responsible for submitting invoices for payment. The GSG Treasurer and Graduate School will make the necessary adjustment to your GSG account.

- If the organization will be responsible for a specific invoice, for example catering, follow the reimbursement guidelines as usual. Invoices should only be uploaded for payment to the GSG website only once.
Co-Sponsoring and Other GSG Funded Student Groups
For events which the organization will be co-sponsoring with another student group using GSG allocated funds, notify the GSG Treasurer and the Graduate School by email indicating which Student group your organization will be partnering with and how much you organization will be contributing. The GSG Treasurer and Graduate School will make the necessary adjustment to your organization’s GSG account.

Invoices should only be uploaded for payment to the GSG website only once. Arrangements between co-sponsoring organizations must be made as to who will be responsible for submitting documentation for payments.

Required Documentation
- Completed GSG Reimbursement Form
- Agenda for meeting OR Poster for event with date, time, and place of meeting/event
  - Posters/flyers must include GSG Logo no less than 1% of the poster space.
  - Emails communication must include “funded by GSG”.
  - Posters/flyer/emails also must contain the following statement: “To request special disability related accommodations, please contact [insert the organization’s email address]”
- Sign-in list with ALL attendees listed
- List does not need to be hand-written signatures
- Itemized original receipt listing the food, beverages, and supplies purchased
- Receipts should include the method of payment
- Include documentation to link the receipt to the method of payment (i.e. screenshot of credit card statement, image of credit card with name and last four digits visible)

Submission of Documentation for Payment
Completed reimbursement forms should be scanned and uploaded directly to the GSG website under “GSG Event Payment Request.”

Timing
Reimbursements requests should be prepared immediately following each meeting and event. Payments to vendors generally take about 2-3 weeks to process and any delay on behalf of a student group looks poorly upon the University as well as the GSG. Significant delays in reimbursing will be noted by the Treasurer and will be a factor in obtaining funding in subsequent years. It is extremely important to the University as well as the GSG that we maintain a good working relationship with vendors who are gracious enough to allow for invoicing.
Appendix
APPENDIX II

SAMPLE CONSTITUTION
The constitution and bylaws guide an organization in its operations and activities and, accordingly, are intended primarily for the organization’s benefit and use. The constitution contains the fundamental principles and structure of the organization, and the bylaws outline the basic rules of procedure by which a group’s membership govern their organization.

The constitution and bylaws should be carefully formulated, clearly worded, and kept up-to-date so that the needs of the organization can be met. Furthermore, it is important that each member of an organization have a copy of the constitution and bylaws.

The following outline is provided to assist in the preparation of a constitution and, if needed, bylaws. Use this guide to prepare the constitution for a new student organization or to revise and update a current constitution. A copy of the constitution is required to be submitted via Engage in order to approve an organization.

**CONSTITUTION**
The constitution should be simple yet comprehensive and difficult to amend, leaving any specific procedural rules to be included in the bylaws. When amending the constitution, as with the bylaws, previous notice of any proposed changes are usually required to be given to the membership and should not be changed in the same meeting in which proposed.

**BYLAWS**
Bylaws contain the standing (permanent) rules of procedure of an organization. Items in the bylaws may be covered in appropriate detail in the constitution of very small organizations. However, most groups keep the two separate because bylaws usually contain more detail and are subject to change more than that of the constitution and, therefore, may require different procedures for amending. Provision for amendment of the bylaws should be somewhat easier than that of the constitution as rules of procedure should adapt to changing conditions of the student organization. When amending the bylaws, as with the constitution, previous notice of any changes are usually required to be given to the membership and should not be changed in the same meeting in which proposed. Bylaws are more permanent, however, than passing a general motion, which may require only a simple majority vote of voters present at a general meeting of the membership (a quorum being present). Bylaws cannot run contrary to the constitution.
Article I -
Name, Purpose, Non-Discrimination Policy, and Non-Hazing Policy of the Organization.

Section 1: Name
If the organization has “UAB” in its title, it must follow the main portion of the name. If the organization is affiliated with a national or international organization, details of the affiliation should be adequately described.

Section 2: Purpose/Mission & Values
Organizations should take care to include a complete statement of purpose and objectives. Programs sponsored by the organization must comply and be consistent with the organization’s stated purpose and objectives. Furthermore, organizations should determine their organizational values and ensure that they are clearly stated as fundamental, organizational beliefs.

Section 3: Non-Discrimination Policy
All student organizations desiring to benefit from student organization status with UAB must include in their constitution a non-discrimination policy statement that accords with the University’s Non-Discrimination policy statement. Student organizations must use the following non-discrimination policy statement: The University of Alabama at Birmingham and (insert organization name) prohibits discrimination in admission, educational programs, and other student matters on the basis of race, color, religion, sex, sexual orientation, gender identity, gender expression, age, national origin, disability unrelated to program performance, veteran status or genetic or family medical history.

Article II -
Membership: Qualifications and categories of membership.

Define membership criteria in this section. Membership should be defined as limited to currently enrolled UAB students.

Article III-
Officers: Titles, terms of office, type of selection, and duties of the leaders.

Officers represent the general membership and are elected or appointed from the ranks of the organization’s voting membership. The titles of officers, the length of terms, specification as to which officers are elected or appointed, when they are elected, and by whom, and the general duties of each leadership position should be clearly specified. Organizations need to have the necessary leaders to conduct their activities.

Article IV-
Dues

A majority of the voting members should determine reasonable dues for each member, if necessary. Explain the process for determining dues, revising the requirement, or annual review of dues.
Article V-
Standing Committees (if needed): Names, purposes, and composition.

A majority of the voting members should determine reasonable dues for each member, if necessary. Explain the process for determining dues, revising the requirement, or annual review of dues.

Article VI-
Advisor(s) Responsibilities and Authority

Responsibilities and expectations of advisors should be clearly and adequately described. UAB organizations must have a faculty/staff advisor. Refer to the Organization Advisor section of the Student Organization handbook for more information.

Article VII-
Meetings of the Organization: Required meetings and their frequency.

Required meetings and their number are specified here. For example, two general meetings of the membership may be required each academic term except for summer.

Article VIII-
Method of Amending Constitution: Proposals, notice, and voting requirements.

Proposed amendments should be in writing and should not be acted upon, but read in the general meeting in which they are proposed, should be read again at a specified number of subsequent general meetings and the general meeting in which the votes will be taken, and should either require a two-third or three-quarter majority of voting members (a quorum being present) or a majority or two-thirds of the entire voting membership of the organization, present or not. The constitution should not be amended easily or frequently.

Article IX-
Method of Dissolution of Organization

Requirements and procedures for dissolution of the student organization should be stated. Should any organization assets and debt exist, appropriate means for disposing of these assets and debts should be specified clearly and unequivocally.
Article I-
Parliamentary Authority
A majority of the voting members should determine reasonable dues for each member, if necessary. Explain the process for determining dues, revising the requirement, or annual review of dues.

Article II-
Membership
Procedures for becoming a member, which may vary by membership category, amount of dues, if any, and how often they should be paid, termination of membership, and so on should be described in detail.

Article III-
Election/Appointment of Leadership
Elections rules and procedures, including eligibility for office, the nominating process, design of ballots and balloting procedures, and so on should be specified as well as appointment and ratification procedures. The timing of elections and/or appointments should be specified along with procedures to cover special circumstances (resignations, impeachments, etc.).

Article IV-
Dues
Specific details about dues, collection of dues, and provisions for failing to pay dues.

Article V-
Meeting Requirements
Regular, special, size and determination of quorum (number of voting members required to vote on decisions placed before the general membership, executive, and standing committees). This is an appropriate place to share training requirements, the set meeting time or “office hours.”

Article VI-
Accountability Procedures
Identify accountability and disciplinary measures for members that do not meet organization requirements. Clearly state requirements, consequences, and method of disputing/appealing a decision.

Article VII-
Method of Amending Bylaws
Amending the bylaws should be similar to amending the constitution. However, bylaws are apt to change more often than the constitution, thus amending should be somewhat easier. Bylaws may be amended by proposing in writing and reading the change at a general meeting of the membership and then bring the proposed change up for a vote at the next general meeting with a 2/3 majority vote of the membership present (a quorum being present).
APPENDIX III

TRANSITION GUIDE
Leadership Transitions Guide

A thorough and intentional leadership transition plan will provide an organization with continuity so that future officers can build on the knowledge gained rather than starting from ground zero. Below is a guide to assist student organizations in navigating this transition.

Tips for a successful transition

- Officer terms should provide at least one month of overlap so new officers have the opportunity to shadow and learn from outgoing officers.

- When new officers have been selected, they should be oriented together as a group with all of the outgoing officers. Include the organization’s advisor in this process as well. This process provides the new leaders with an opportunity to understand each other’s roles and to start building their leadership team. Outgoing officers should openly share what they believe went well and what they would change if they had it to do over again.

- Make introductions to resources. Schedule time to walk around campus with the new officers and introduce them to important people who can serve as key resources (Advisor, Student Involvement & Leadership Office, Student Affairs, etc.)

- Recognize outgoing officers (could be certificates, thank-you cards, etc.). Show the group that leaders are valued and an important part of the organization.
**The Basics**
Use this checklist to ensure you do not overlook anything as you transition leadership.

- Introduce new officers to the organization advisor(s)
- Update organization contact list (create if one doesn’t already exist) and Engage roster.
- Re-register the organization on Engage (This is done annually July – August & December – January)
- Give access and instructions to any online platforms, such as:
  - Organization email account
  - Social media accounts
  - Engage
  - Website
  - Online document storage (dropbox, google drive, etc.)
  - National affiliation website login information/passwords
  - Any other communication the organization may utilize
- If the organization uses a mailbox provided by Student Involvement & Leadership, give the mailbox number and show where it is located. Remind to check at least once a week!

FUNDRAISING GUIDE
Fundraising is an important resource for having money on hand for your organization. There are fundraising options that do not require funding, such as Percentage Nights. However, you may also use USGA funding to use money to make money, like running Sales Fundraisers. Preference for USGA funding will be given to fundraisers and events that are unique to the organization. As a reminder, USGA will not fund items such as t-shirts, pins, certificates, and name tags that solely benefit specific members of the organization.

PERCENTAGE NIGHTS

A percentage night is a joint effort between an organization and a restaurant. A date is selected and community members are invited to eat at the restaurant during a set time period. The restaurant donates a percentage of the profits generated by the organization (typically excluding alcohol and tips). The percentage usually ranges from 10 percent to 20 percent, but it varies by restaurant and location. Diners attending the fundraiser must present a flyer and state that they are there for the fundraiser. Furthermore, some restaurants will require that you reach a certain amount of profits in order to receive your earned donation. It is up to you to clarify the rules and requirements related to your percentage night.

INCLUSIVE PROGRAMMING GUIDE
It is our expectation that all events and activities sponsored by the Office of Student Involvement & Leadership are accessible to all attendees. Taking care to create an accessible event benefits not only individuals with visible or known disabilities, but also helps to ensure that all attendees can participate regardless of age, cultural identity, ethnicity, family educational history, gender identity and expression, nationality, political affiliation, race, religious affiliation, sex, sexual orientation, economic, marital, social, or veteran status.

CONSIDE THE FOLLOWING WHEN PLANNING EVENTS/ACTIVITIES:

- Provide gender inclusive items, swag, etc. (if applicable).
- Intentionally reach out groups across campus to participate if not already represented.
- Avoid programs that promote or include cultural appropriation or stereotypical activities.
- Collaborate/partner with SMDP and registered cultural organizations when appropriate.

- Make sure event locations are wheelchair accessible. When appropriate, designate a viewing area for attendees who require the use of a wheelchair.
- Ensure movies include captions/subtitles.
- Provide trigger warnings if an event may involve traumatizing content that may cause anxiety.
- Consider inclusive food choices and be sure to label accordingly. When ordering food, consider individuals with an array of food preferences and needs (including Kosher, Halal, vegan, and vegetarian).
CONSIDER THE FOLLOWING FOR FORMS & MARKETING MATERIALS:

- Ask for preferred names on forms.
- Use gender inclusive language on forms and avoid asking for gender or sex if it is not relevant for participation. (most times, it’s not)
- Include language about how and by when to request accommodations, materials or interpretation in a language other than English, and dietary modifications, and include: contact person with phone number and email address and a clear deadline by which to make requests known.
- Provide multiple ways for attendees to communicate with you, BEFORE the event, in order to assist them in obtaining the optimum accommodations possible. (i.e. email, phone number, office location)
